MITSUBISHI 27 POINT VEHICLE INSPECTION REPORT

Customer's Name	Year Model	Date
VIN	RO Number	Mileage

■ A = Attention
□ C = Caution
■ S = Satisfaction

The vehicle inspection is limited to specific tests and does not include dismantling or internal examination. Every reasonable effort is made to detect all abnormal conditions for which the vehicle is tested. Mitsubishi or its dealerships cannot be responsible in any manner for failure to inform me of abnormal conditions which can't be detected by the inspection methods utilized by diagnostic aids or the testing equipment employed.

Limitations:
Brother is not responsible for damage to or loss of any equipment, media, programs or data related to the use of this Product. Except for the repair or replacement as described above Brother shall not be liable for any direct, indirect, incidental or consequential damages or specific relief. Because some states do not allow the exclusion or limitation of consequential or incidental damages, the above limitation may not apply to you.
THIS WARRANTY IS GIVEN IN LIEU OF ALL OTHER WARRANTIES WRITTEN OR ORAL. WHETHER EXPRESSED BY AFFIRMATION, PROMISE DESCRIPTION, DRAWING MODEL OR SAMPLE ANY AND ALL WARRANTIES OTHER THAN THIS ONE, WHETHER EXPRESS OR IMPLIED INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED.

- This Limited Warranty is the only warranty that Brother is giving for this Product. It is the *final expression and the exclusive and only statement* of Brother's obligations to you. It replaces all other agreements and understandings that you may have with Brother or its representatives.
- This warranty gives you certain rights and you may also have other rights that may vary from state to state.
- This Limited Warranty (and Brother's obligation to you) may not be changed in any way unless you and Brother sign the same piece of paper in which we (1) refer to this Product and your bill of sale date, (2) describe the change to the warranty and (3) agree to make that change.

Important: *We recommend that you store all original packing materials, in the event that you ship the Product.*

This material is for summary purposes only. For a complete description of insurance benefits, restrictions and exclusions please read your Certificate of Insurance. Benefits will be reduced by 50% at age 70 and further reduced by an additional 30% at age 80. Coverage does not require automatic premium rate increases as long as the group master policy remains in force and all premiums are paid on time.

Group insurance policies are underwritten by Mutual of Omaha Insurance Company, Omaha, Nebraska, and Companion Life Insurance Company, New York, New York, and Hauppauge, NY.

AMERICAN HOMEOWNERS ASSOCIATION, INC. is a Non-Profit organization since 1987 dedicated to the education of homeowners and consumers. Areas in which the Association's goal is to help you to: protect and improve the environment and country of their home Ownership. America's Homeowners Association (AHA) is an Association throughout the United States dedicated to representing solely the interests of homeowners. AHA authorizes the selling of the Membership Solicitation Package for the purpose of increasing its membership roles and by increasing its influence and ability to provide greater and more benefits that are beneficial to its Homeowners Members.

In-Home Supportive Services Plus State Plan Option (IHSS +):

The IHSS Plus Waiver was converted to the IHSS Plus State Plan Option Program September 2009. The IHSS Plus Program pays parents or spouses to provide services to qualified Medi-Cal recipients. Eligibility for program participation includes persons who are 65 years or older, blind, or disabled who might be placed in an out-of-home care facility. The program allows participants to receive services at home.

Services provided through IHSS include housecleaning, meal preparation, laundry, grocery shopping, personal care services (such as bowel and bladder care, bathing, grooming and paramedical services), accompaniment to medical appointments, and protective supervision for the mentally impaired. Services can be provided by a parent, a spouse or a caregiver. Recipients may qualify for the option of receiving advance pay and restaurant meal allowance.

For further information refer to Department of Social Services.

For further information about this Waiver refer to Waiver description page.

IN NO EVENT SHALL EITHER CANON, CANON'S SUBSIDIARIES OR AFFILIATES, THEIR DISTRIBUTORS, DEALERS OR CANON'S LICENSORS BE LIABLE FOR ANY DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, LOSS OF BUSINESS PROFITS, LOSS OF BUSINESS INFORMATION, BUSINESS INTERRUPTION OR OTHER COMPENSATORY, INCIDENTAL OR CONSEQUENTIAL DAMAGES) ARISING OUT OF THE SOFTWARE, USE THEREOF OR INABILITY TO USE THE SOFTWARE EVEN IF EITHER CANON, CANON'S SUBSIDIARIES OR AFFILIATES, THEIR DISTRIBUTORS, DEALERS OR CANON'S LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. *SOME STATES OR LEGAL JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, OR PERSONAL INJURY OR DEATH RESULTING FROM NEGLIGENCE ON THE PART OF EITHER, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

RELEASE OF LIABILITY

TO THE FULL EXTENT PERMITTED BY APPLICABLE LAW, YOU HEREBY RELEASE CANON, CANON'S SUBSIDIARIES AND AFFILIATES, THEIR DISTRIBUTORS, DEALERS AND LICENSORS FROM ANY AND ALL LIABILITY AND CLAIMS OF, OR RELATED TO, ALL CLAIMS CONCERNING THE SOFTWARE OR ITS USE.

8. Term. This Agreement is effective upon your acceptance hereof by using the SOFTWARE and remains in effect until terminated. You may terminate this Agreement by destroying the SOFTWARE (including any and all copies thereof). This Agreement shall also terminate if you fail to comply with any terms of this Agreement. In the event that this Agreement terminates for your failure to comply with this Agreement, in addition to Canon enforcing its respective legal rights, you must promptly destroy the SOFTWARE (including any and all copies thereof). Notwithstanding the foregoing, Sections 4 and 6 through 8, 10 and 11 shall survive any termination of this Agreement.

9. Limited Government Restricted Rights Notice. The Software is a "commercial item," as that term is defined at 48 C.F.R. 2.101 (Oct. 1995), consisting of "commercial computer software" and "commercial computer software documentation," as such terms are used in 48 C.F.R. 12.212 (Sept. 1995). Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-1 through 227.7202-4 (June 1995), all U.S. Government End Users shall acquire the Software with only the rights set forth herein. Manufacturer is Canon Inc./30-2 Shimomaruko 3-chome, Ohta-ku, Tokyo 146-8501, Japan

10. Severability. In the event that any provision of this Agreement is declared or found to be illegal by any court or tribunal of competent jurisdiction, such provision shall be null and void with respect to the jurisdiction of that court or tribunal and all the remaining provisions of this Agreement shall remain in full force and effect.

11. Acknowledgment. BY USING THE SOFTWARE, YOU ACKNOWLEDGE THAT YOU HAVE READ THIS AGREEMENT, UNDERSTOOD IT, AND AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS. YOU ALSO AGREE THAT THIS AGREEMENT IS THE COMPLETE AND EXCLUSIVE STATEMENT OF AGREEMENT BETWEEN YOU AND CANON CONCERNING THE SOFTWARE AND SUPERSEDES ALL PROPOSALS OR PRIOR AGREEMENTS, VERBAL OR WRITTEN, AND ANY OTHER COMMUNICATIONS BETWEEN YOU AND CANON RELATING TO THE SUBJECT MATTER HEREOF. NO AMENDMENT TO THIS AGREEMENT SHALL BE EFFECTIVE UNLESS SIGNED BY A DULY AUTHORIZED REPRESENTATIVE OF CANON.

Should you have any questions concerning this Agreement, or if you desire to contact Canon for any reason, please write to Canon's sales subsidiary or authorized distributor/dealer, serving the country where you obtained the products.

Documents Stack

Welcome to Mac OS X Snow Leopard

The Dock in Snow Leopard includes Stacks, which you can use to quickly access frequently used files and applications right from the Dock.

Stacks are simple to create. Just drag any folder to the right side of the Dock and it becomes a stack. Click a stack and it springs from the Dock in either a fan or a grid. To open a file in a stack, click the file once.

Mac OS X Snow Leopard includes three premade stacks called Documents, Downloads, and Applications. You opened this file from the Documents stack. The Documents stack is a great place to keep things like presentations, spreadsheets, and word processing files. You can drag files to the stack or save them to the stack from an application.

Documents

Downloads

Applications

Stacks automatically display their contents in a fan or a grid based on the number of items in the stack. You can also view the stack as a list. If you prefer one style over the other, you can set the stack to always open in that style.

Stacks intelligently show the most relevant items first, or you can set the sort order so that the items you care about most always appear at the top of the stack. To customize a stack, position the pointer over the stack icon and hold down the mouse button until a menu appears. Choose the settings you want from the menu.

To remove a file from a stack, just open the stack and drag the item out to where you want it. To delete a file, move it to the Trash. In fact, when you're done reading this document, feel free to throw it out.

Interpage INTERPAGE NETWORK SERVICES INC.

Phone: +1 (510) 315 2750 • Fax: +1 (650) 292 7600 • www.interpage.net

Hello!

This is a sample test file which is being sent to you as per your request via the Interpage FreeFax(sm) Service!

This service is intended to provide a preliminary evaluation as to the quality and timeliness of Interpage's subscription fax service(s).

If you review the cover sheet which was transmitted with this fax, you will note the first letter of the name you had indicated in the 'TO:' field of the FreeFax request page. This letter serves to correlate the fax request which you had sent with this test fax transmission result.

This file is a sample MS Word file; many other file types are supported.

If you have any questions regarding Interpage's OutFax(sm) Service, including the FaxUnlimited(sm) service with no-per or per-minute charges, please feel free to contact us at:

Phone: +1 (510) 315-2750 9AM to 5.30 PM M-F Pacific Time
E-Mail: Inst-support@interpage.net
Web: http://www.interpage.net

Thank you for your interest!

Notes: 1. Due to the malicious use of the FreeFax service, Interpage will no longer transmit personalized text messages; only the above fixed sample message will be transmitted. You may establish a trial account for evaluative purposes by filling out the form located at http://www.interpage.net/cgi-bin/freefax.pl?st=html, omitting any billing information, and also by indicating a valid e-mail address and contact telephone number. Please call (510) 315-2750 for additional details.

2. This fax is not a solicitation nor is it an offer. It was sent by a visitor to Interpage's web site who entered your destination number as a recipient of this test fax. A single transmission may not receive more than two tests in a given week, however, if you find that someone is sending you faxes in a continuous and abusive manner, please call us at (510) 315-2750 and we will block your fax number from the FreeFax service.

Subject: Test Fax	Date

Fax Settings

Reference your Owner's Manual for help adjusting the settings below

ECM (error correction mode)	Off
Baud Rate	9600
International	On (this is set on a per-call basis)
Resolution	Standard
Answer Mode	Fax Only
Rings to Answer	Zero (0) 1-888-477-1655
Call Waiting	Off
Bandwidth Saver	High (90 kbps)
Distinctive Ring	Off

Troubleshooting Steps

The steps below will help you resolve common faxing problems.

- Switch off fax machine and unplug power adapter from device and from wall outlet.
  - Let fax machine remain off for 60 seconds.
- Try a different phone cord between the fax machine and the Vonage device
- Eliminate any splitters between the fax machine and the Vonage device.
- Connect Fax machine directly to the Vonage device, bypassing any home wiring.
- If using an All-In-One device, temporarily disconnect device from PC

Further Assistance

If you need further assistance using your Vonage Fax Service, we are always available to help

Call us at 1-VONAGE-HELP (1-866-243-4357) or visit **www.vonage.com**

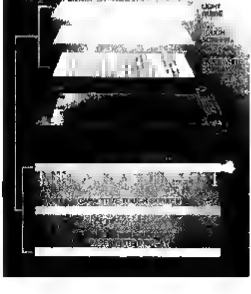
Read In Bright Sunlight with No Glare

Kindle Paperwhite has a matte screen that reflects light like ordinary paper so you can read as easily in bright sunlight as in your living room with no glare.

Read at Night

With Kindle Paperwhite, reading in bed just got better. The patented built-in light illuminates the screen, not the entire room, so you won't disturb your partner when you can't put your book down at night.

Patented Built-In Light



Patented built-in light

Designed for Reading

Unlike backlit tablet displays, Kindle Paperwhite guides light towards the surface of the ink display 4mm above so that the light never shines directly towards your eyes. It lets you read comfortably without eye strain. The built-in light illuminates the screen evenly like a book light or lighted cover.

Perfectly Balanced Whiteness

We worked on Kindle Paperwhite for over one year to perfect the uniformity of the built-in light, including cut a micro-optic cable into a wheel, and micromachining to create perfectly even distribution of light. Our design uses nanoscale optical diffractive patterns to enable high contrast over the direction of the light. Enjoy reading with exceptional lighting uniformity and evenly balanced whiteness across the entire display. See the patent here, in different lighting conditions.

Adjustable Brightness

Your eyes adapt to the amount of light around you, so you'll prefer dimmer lighting when reading in a dark setting and brighter light when reading in well-lit surroundings. Easily adjust the brightness of Kindle Paperwhite across a wide spectrum, from low light for nighttime reading so you can read comfortably in any setting.

Power Efficient

Because our patented technology enables fine-grain control over where the light is diffused, Kindle Paperwhite's used low-power LEDs, requiring very little power to evenly illuminate the entire screen.

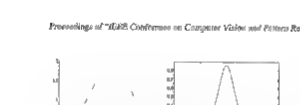

Figure 3. Computation of the curvature of $\sqrt{3}\sin(t) - \pi/2 < t < \pi/2$. Left. The sample points and their tangent planes. Right. The computed curvature at the sample points, and the true curvature of the function. The value of the integral approximation is 59.9285 degrees (converted from radians)

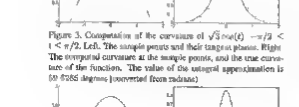

Figure 4. Same as above but with a denser sampling. The value of the integral approximation is 59.9600 degrees (converted from radians).

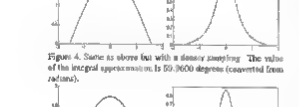

Figure 5. Same as above but with an even denser sampling. The value of the integral approximation is 59.9961 degrees (converted from radians).

2.2. Smoothness of a set of Points

In previous sections we showed that we can accurately measure the smoothness of a curve by evaluating (12) when the points and there normals are known. In practice the normals n_p are not known but will be computed by optimizing the tangent lines. However equation (10) shows that if the sampling rate is small enough then optimizing over n_p will yield the correct solution. This can be seen by noting that if we minimize (10) with respect to n_p then the dominant term $n_p^T \alpha(i_1)(i_2 \quad i_1)$ (assuming sufficiently high sampling rate) vanishes if n_p is perpendicular to the tangent $\dot{\alpha}(i_1)$. Hence n_p will approach the true normal when the sampling distance approaches zero. Therefore we take

$$\min_{\{n_p \quad n_{\mathcal{P}\setminus p}\}} \min_{\{n_p|=1 \ \forall i\}} \sum_{i=1} \sum_{j \in \mathcal{M}(i)} \frac{|p_j - p_i'|}{|p_i \quad p_j|} \qquad (17)$$

as our measure of smoothness of a set of points. Here $\mathcal{M}(i)$ represents some predefined neighborhood of the point i. In equation (13) the neighborhood of i is $i+1$ however for

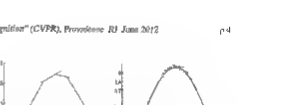

Figure 6. Estimated tangent planes for exactly measured data points at two different sampling rates. Left. The energy of the solution is 2.0221 (which corresponds to 115.8578 degrees) Right. The energy of the solution is 2.0864 (which corresponds to 119.5419 degrees)

general point clouds the connectivity of the points is not known and therefore the neighborhood will in practice consist of nearby located points (see section 2.3). Note that since we are assuming that the points p are fixed the above minimization problem is separable and each normal could be computed by itself. However in general, we will also assume that the points are noisy in which case p_i will also depend on i as normal

Figure 6 shows the solutions obtained when optimizing (17) for two different sampling rates. Here we are using both forward and backward distances, and therefore (17) should evaluate to approximately 120 degrees (when converted from radians). Even at the crude sampling rate of Figure 6, the sum in (17) is close to the true value

2.3 Energy

Next we consider the full problem of regularizing 2D-point clouds. We consider $\bar{p}_i$ to be noisy measurements of the true points p. We will estimate the p_i and the curve implicitly represented by its tangent lines $l_i \approx (n_{p_i} \quad d_{p_i})$ by maximizing the pairwise energy

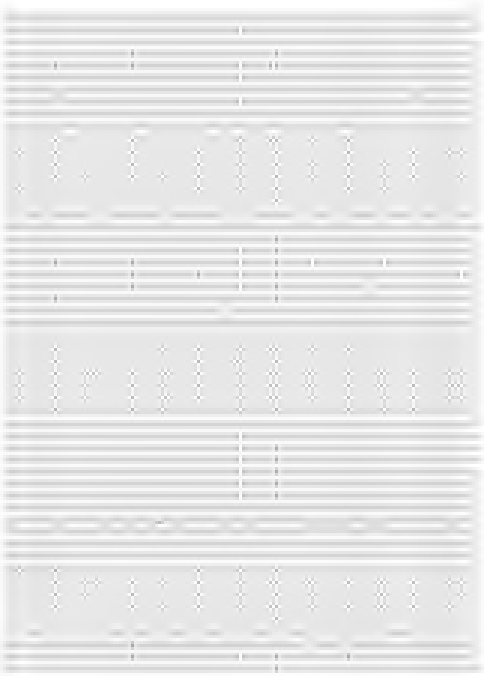
$$\min_{\mathbf{l}} \sum_{i} \sum_{j \in \mathcal{M}(i)} w_{ij} E_p(i, \ j) + k \sum_{i} E_d(i) \qquad (18)$$

Here the minimum is taken over the set of tangent lines.

The data term E_d measures the quality of the estimation of p_i. As mentioned before this term is application dependent, and should be chosen depending on what type of noise we may expect. In the 2D case we will use

$$E_d(i) = (n_{p_i} \bar{p}_i + d_{p_i})^2 \qquad (19)$$

which is the squared distance between the measured 2D point and its orthogonal projection on the tangent line. It is straight forward to use other data terms that would prefer certain directions and positions. For example in the 3D-case a data term based on photoconsistency could be used. However in this work we are mainly interested in 3D point clouds and we do not assume that any other knowledge than the point measurements them selves are available



Our Father, which art in heaven,
hallowed be thy name,
thy kingdom come,
thy will be done,
on earth as it is in heaven
Give us this day our daily bread
And forgive us our trespasses,
as we forgive them that trespass against us
And lead us not into temptation,
but deliver us from evil
[For thine is the kingdom,
the power, and the glory,
for ever and ever]
Amen

Form Approval: OMB No. 1512-0100 (05/30/95)

DEPARTMENT OF THE TREASURY
BUREAU OF ALCOHOL, TOBACCO AND FIREARMS
SUPPLEMENTAL INFORMATION ON WATER QUALITY CONSIDERATIONS
- UNDER 33 U.S.C. 1341(a)

INSTRUCTIONS

1. COMPLETION. Answer all items in sufficient detail applicable to your activity. If necessary, continue on reverse side of this form or a separate sheet. Your answers are evaluated to determine if a certification or waiver by the applicable State Water Quality Agency is required under Section 21 of the Federal Water Pollution Control Act [33 U.S.C. 1341(a)].

2. FILING. Submit an original and copy of this form with the related application or other document, to the District Director (Regulatory Enforcement), Bureau of Alcohol, Tobacco and Firearms. This form must be completed and submitted even though three copies of the required certification or waiver has been sent to the District Director (Regulatory Enforcement) or is attached to this form.

3. DISPOSITION. After final action is taken on the related application or other document, the copy of this form will be returned to the applicant.

APPLICATION RELATED TO THIS RIDER

1. FORM NUMBER	2. APPLICATION DATE	3. SERIAL NUMBER

4. NAME AND PRINCIPAL BUSINESS ADDRESS OF APPLICANT *(Number, street, city, county, State, and ZIP code)*

5. PLANT ADDRESS *(If different from address in item 4)*

6. DESCRIBE ACTIVITY TO BE CONDUCTED IN WHICH THE BUREAU OF ALCOHOL, TOBACCO AND FIREARMS HAS AN INTEREST

7. DESCRIBE ANY DIRECT OR INDIRECT DISCHARGE INTO NAVIGABLE WATERS WHICH MAY RESULT FROM THE CONDUCT OF THE ACTIVITY DESCRIBED IN ITEM 6, INCLUDING THE BIOLOGICAL, CHEMICAL, THERMAL OR OTHER CHARACTERISTICS OF THE DISCHARGE AND THE LOCATIONS AT WHICH SUCH DISCHARGE MAY ENTER NAVIGABLE WATERS.

8. GIVE THE DATE OR DATES ON WHICH THE ACTIVITY WILL BEGIN AND END, IF KNOWN, AND ON WHICH THE DISCHARGE WILL TAKE PLACE

9. DESCRIBE THE METHODS AND MEANS USED OR TO BE USED TO MONITOR THE QUALITY AND CHARACTERISTICS OF THE DISCHARGE AND THE OPERATION OF EQUIPMENT OR FACILITIES EMPLOYED IN THE TREATMENT OR CONTROL OF WASTES OR OTHER EFFLUENTS.

10. I certify that I have examined this rider and, to the best of my knowledge and belief, it is true, correct, and complete and that copies of this rider may be furnished to the applicable State Water Quality Agency and the Regional Administrator Environmental Protection Agency

FW_Tx [redacted] AM

Dear Practice Members and friends,

We are hoping and trusting that you and your family are having a wonderful holiday season and that this reaches you doing well. We are excited to make some announcements and upcoming things that are happening at The Wellness Connection. Dr. Michelle and myself have felt so blessed and grateful being able to serve you over the last 6 years. We have seen many transformations, healing, growth and witnessed amazing events in your lives, from pregnancies and births and have also felt heavy hearted as you experienced loss and pain in your lives as well. We are all part of this human experience and walk of life together. Community and support is such a huge part of navigating through it all gracefully.

We would like to take this opportunity to welcome Dr. Brittany Grueb D.C. to The Wellness Connection and its community. We are excited for her to bring her gifts and her passion for helping people to The Wellness Connection. Dr. Brittany is originally from Nebraska. She did her undergraduate degree at BHSU where she met her husband, Clay. Clay is originally from Rapid City and is happy to return to the Black Hills. Dr Brittany attended Palmer College of Chiropractic. On a personal note Dr. Brittany likes to paint and craft, cook and spend time with her family. She really enjoys being outdoors and exploring the Black Hills and she likes giving back to the community and has spent time in a small underserved island community giving chiropractic care to underprivileged adults and

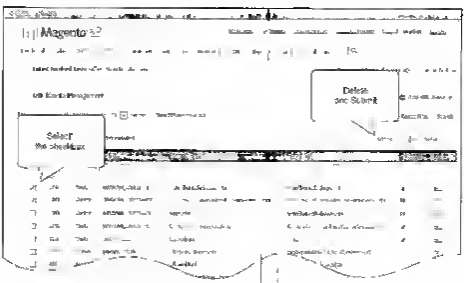
4 In the URL Rewrite Information section, do the following:
   a In the **ID Path** field, enter the unique identifier of the original URL. To redirect any page in your store, enter the relative path to the page. For example: brand/search-result/brandname
   b In the **Request Path** field, enter the same original URL. The Request Path must be unique for each rewrite.
   c In the **Target Path** field, enter a valid URL for the new destination. To redirect to another CMS page in your store, enter the relative path to the new page, without a leading forward slash. To redirect to a page on different site, enter the fully qualified URL of the new destination. For example:
      - new_page (URL Key of target page)
      - somewhere/new-page (Relative path to target page, without a leading forward slash)
      - http://magentocommerce.com (Fully qualified URL of target page on external website)
   d Set **Redirect** to one of the following:
      - Temporary (302)
      - Permanent (301)
   e For your own reference, enter a brief description of the rewrite.
5 When complete, click the **Save** button.

Deleting URL Rewrites

Over the course of time, your store may accumulate rewrite records that are no longer needed. You can delete obsolete rewrites from the list either individually or as a group of selected records.

To delete rewrites:

1 In the list, select the checkbox of each rewrite to be deleted.
2 Set the **Actions** list box to "Delete."
3 Click the **Submit** button.



Deleting Rewrites

Date: Friday, April 08, 2011

Subject:

Fax something interesting toll free to 1 888-877-1655 or 1 503-200-1300

To the right are pages that folks have faxed us recently. Click any thumbnail to see the large version and rate it for interestingness.

You can fax something interesting to 1-888-877-1655 (your boss will never notice... maybe) or 1 503-200 1300 (long distance to Portland, Oregon) and it should appear here within a couple of minutes. (It's a toll-free number if you're in the USA.) Keep it clean & legal.

Fax single-page documents with no cover sheet. If you fax more than one page, only the last page will appear here. We try to snip off the top few pixels of the page where your company name and fax number should appear, but make no promises that this will actually work.

We hate spam and junk faxes and will absolutely not send you any unsolicited e-mail or faxes. We won't share your information with marketers or anyone else.

Sort by: Most recent faxes |

Safety Instruction for FD-400GT/ FD-400GT-CDMA, FD-400GT (MC8090)

FCC INTERFERENCE STATEMENT (for all models)

This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

IMPORTANT NOTE.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20cm between the radiator & your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Caution: Use only shielded signal cables to connect I/O devices to this equipment. Changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment.

INDUSTRY CANADA STATEMENT

(only for FD-400GT, FD-400GT (MC8090))

This device complies with RSS-210 of the Industry Canada Rules. Operation is subject to the following two conditions:

(1) this device may not cause interference and

a three button transmitter) run another transmitter for a few seconds until the red LED light and the dash lights come on for a second again.

E. 5 seconds after the last time the transmitter was learned this unit exits the code-learning stage. (The red LED light will go out and accessories flash 4 times).

Note: Teaching the module a new transmitter code will erase all previous codes – so all transmitters must be taught. You have only 5 seconds between transmitters to begin learning a new transmitter.

3. Diesel Vehicles

For the most reliable starting of diesel vehicles, hook up the RED/BLACK wire referenced in section 2A. This wire can be difficult to locate on trucks not equipped.

For Chevrolet/GMC diesel trucks, we have an optional harness available in wait-to-start RED/BLACK wire (see item 2B). Set option 6 (section 2A) for diesel vehicles.

For most diesel vehicles you can start the vehicle without needing to hook up a sub wire. The following table provides the transitory call on settings for non-sub wire operation of diesel vehicles. (Use the Chrysler call on to set other diesel vehicles.)

	Options #2 Diesel Engine	Options #3 Extended Crank	Options #5 Tymore Meter
Chrysler	■	■	
Ford	■	■	■
Chevrolet	■	■	

4 Factory Anti Theft Systems

Many vehicles come with an anti-theft system that must be temporarily bypassed for the vehicle to be remotely started. Some systems use a resistor in the key. Others use a T-shaped – a small key coded chip that communicates a high security code to the vehicle before it will allow it to start.

Choose the list of vehicles and the types of security systems. If you wish to start your vehicle has an Anti-Theft System that the remote starter MUST temporarily bypass in order to start the vehicle. More information about the factory anti-theft systems and why the wire colors can be found on the Dei prelock Web to at www.directechtech.com.

DirectTech has developed a Universal Anti-Theft Module solution to the following models including #284(2 #27492 or #284(2. The module is temporarily bypasses the factory anti-theft systems when using a resistor starter. Check with your local retailer for other to see if these this Universal Alu or Bypass Module or contact DirectTech directly.

Test your fax machine or fax software with a free test fax number

July 30, 2013 3.5K 0 Is this guide helpful? Report Share

Do you want to test your fax software or fax machine, but you don't have a fax machine that you can test with. here is a list of free fax numbers that are setup specifically for testing your fax machine across the USA or Canada.

These fax numbers will work on any fax machine or any type of fax software including FaxTalk.

Testing fax sending only

A web site at faxtest.net is available that will allow you to send a fax test. Send a fax to: 1-888-477-4630 or +1 (805) 208-1700 (Portland, Oregon USA)

NOTE: Faxes sent to this number a public enabled for all to see on the Web site faxtest.net. Do not fax any sensitive, confidential or private material.

Verifying you fax was received successfully

Visit the Web site faxtest.net and view the thumbnail fax. Click the thumbnail to view a full page of the fax. It may be one last page your fax, but the browser may not update to update the page. Your fax thumbnail should appear within a few minutes after a successful send.

Testing send and receive functions of your fax

eFax Portland (OR) operates a free fax testing service that can test both receive and receiving software or your fax software or fax machine.

Send a fax to: 1-503-675-2882 (Toll Free in the USA and Canada)

Receiving a fax – To ensure you can receive a fax, once you successfully send a fax to this service it will automatically dial you back within a few seconds calling your caller ID information and attempt to send you a fax.

If you using any call blocking or caller ID information to be sent, you will not receive a return fax. You should also ensure your CDID (Caller Screen Identified) is properly configured to include your fax number for the return call and you have auto-blocks turned turned on your fax software or fax machine

Setting your CDID with FaxTalk. Click on Tools, Options, Fax, Advanced to configure the CDID. See your fax manual on setting CDID for others

NOTE: Faxes sent to this service are not displayed publicly, but it is recommended not to fax any sensitive or confidential software to this fax software

Toxic fax: window, test, free, receive, send, receive, receives number

Robert L. Goldsmith
Attorney at Law
3600 Oceanside Road East
Oceanside, NY 11572

Office (718) 445-3133, (516) 766-3237 Fax: (516) 763-0901

* Representing East Food Chains To 5 Star Restaurants in NYC For The Past 30 Years *

Do You Have Health Department Violations?

Restaurants & Food Establishments . . .

- Do you need immediate legal representation for Health Department Violations?
- Are you in danger of being closed down?
- Do you currently have a B or C grade?

If so, call me! I will . . .

- Attend hearings so you don't have to go to court.
- Prepare and defend you so that you have the strongest possible case.
- Perform all the necessary research & paper work.
- Provide you with guidance to prevent future violations.

What I do best is defend clients like you so you can do what you do best . . . run your business!

Who am I?

- Over 30 years Experienced food service establishment attorney before the NYC Department of Health Administrative Tribunal.
- I am a licensed attorney thoroughly versed in all areas of the NYC Health Code. I search for errors made by inspectors in order to obtain the lowest score, or reduction.
- In my younger years, I worked in the food industry and have first-hand experience with the issues you face today.

Listen.

- The Free & Easy, middle East . . . NO HIDDEN FEES.
- I've got all bases . . .
- I am insured for liability on coverages & settlements.
- Individual and 4 expert cases (you speak directly to me not a client intermediary, consultant, or non-lawyer).

Call now for your *Free Consultation* on your Health Department Violation

30 Years of Experience

Trimmer Potentiometers

SMD Sealed Type 3mm Size PVG3 Series

■ Features

1. Sealed construction protects the interior from dust and liquid, which achieves stable performance.
2. Driver plate with cross-slot is suitable for automatic adjustment.
3. Rotor with large diameter and deep groove improves driver retention.
4. J-hook, Gull wing terminal shape now and through hole terminal shape
5. 5mm and 4mm land pattern can be used without change. (Gull wing is suitable for 4mm size land pattern.)
6. Heat resistance performance enables high temperature peak re-flow soldering.

■ Applications

1. Small sensors
2. Optical Transceiver Module
3. Copier
4. Printer
5. Compact Power Supply
6. Wireless Radio module

Fax something interesting toll free to 1 855 329 1299 or 1 213-294-2943

To the right are pages that folks have faxed us recently. Click any thumbnail to see the large version and rate it for interestingness.

You can fax something to 1 855 329 1299 (your boss will never notice maybe) or 1 213 294 2943 (long distance in the Angeles California) and it should appear here within a couple of minutes. (It's a toll free number if you're in the USA.) Keep it clean. Be legal.

Fax a single page document with no cover sheet. It's no fax more than one page, only the first page will appear here. We try to strip off the top few pixels of the page where your company name and fax number should appear, but make no promises that this will actually work.

Privacy Notice. We hate spam and junk faxes, and will absolutely not send you any unsolicited email or faxes. We won't share your e-mail with marketers or anyone else.

Sort by: Most recent faxes | Best rated faxes | Most rated faxes

FACSIMILE TRANSMITTAL SHEET

Pre APP

Lesson Objectives.

After this training, you should now be able to:

- Define a Short Sale
- Explain the Short Sale processes and time frames
- Illustrate how to properly use LM Home Base
  - Documentation
  - How to view Financials
  - How to view WFT information
  - How to view if the file has been opened in HomeSaver
  - Closing
- Demonstrate how to properly use the Profiler application
  - Documentation
- Apply usage of the HomeSaver database
  - Identify the negotiator
  - Review documentation and understand the status of the workout agreement
- Utilize LM Contacts to add and/or update third party information
- Recite the process of servicing Short Sale requests
  - Inbound calls
  - Purchase Offers – explanation and example
  - No appraisal results received 10 business days after ordered
  - No appraisal ordered (5 business days after offer received)
  - No action taken on file by the negotiator
    - Escalation process/matrix
  - Declined Short Sale
- Identify when an issue may require escalation
- Describe basic HRD call handling soft skills
  - Frustrated borrower/realtor

Section B – Computation details – State franchise *(continued)*

Payments and account credits *(continued)*	Reported on return	Computed by NYS
Total payments and account credits	$ 25.00 *	$ 48.59
Allocation of overpayment		
Additional credit not reported on return	not applicable	$ 23.59 **
Total allocation of overpayment	$ 0.00 *	$ 23.59

* These amounts were determined from reported data
** Refer to *Section F – Explanation of adjustment*

Section C – Tax period prepayment history – State franchise

If you believe our record of your prepayments is incorrect, call (518) 457-2061

Source of state prepayments	Amount received	Date received	Document locator number
Add'l credit not rptd on prior period	$ 23.56	4/15/2010	CL1B002B7344
Payment received with extension	25.00	3/15/2011	CL11004SW27

Section F – Explanation of adjustment – State franchise

– Our records indicate the New York State tax prepayments applied to your account differ from the prepayments reported on your return. See *Section C – Tax period prepayment history* for a list of prepayments applied to your account for this tax liability period.

– As shown on the *Additional credit not reported on return* line, we have computed an overpayment or an additional overpayment for this tax period. Because you did not request a refund of this overpayment, we have applied it to the next tax period. However, if you prefer that we issue a refund instead of a credit to the next tax period, you should call (518) 457 2061to request the refund. In-state callers without free long distance call 1 877 698-2948. This request must be made prior to the due date of your next return.

Testing Your HP Fax Machine with the HP Fax Test Service

Introduction

This document will assist you in testing your HP Fax machine using the HP Fax Test Service.

Print this document for easy reference by clicking the Printer icon at the top right corner of this page.

Test your fax machine

To test your machine, follow the instructions below.

NOTE: Be sure that your phone machine is not Caller ID enabled by your connection company prior to attempting to send fax receive a fax. Pressing *82 before dialing the toll free number will activate the Caller ID feature. Telephone, voice mail, call forwarding, or call privacy features.

NOTE: An important consideration is the time it is good practice to let the connection between points to warm up before attempting a test fax. This may even if the unit the fails. An error code will be generated that will make you to locate troubleshooting. The caller is available in different places on different machine, site call the program. Here's guide for specific steps:

1. Send a one page black machine, fax the at 1-800-hpfax-me (1-800-473-2963).
2. When your fax is received by the HP Fax Fax Service we will generate a return fax to your station that confirming that we received your fax. This we also that you can both send and receive a fax with your fax machine.

If you do not receive a return fax within 5-7 different, there may be a problem with the setup in your fax machine. Consult the user manual that came with the present for proper setup line configuration.

NOTE: The most common cause of failure is that the fax number the in the Fax network or the machine does the match the number of the phone line connected to the fax. Also, ensure that the dialing mode in the fail 1-4-pin machine, number of the fax machine, including the area code.

For more information or assistance, click contact HP at the top of this page.

Does my blessed bra still work despite Aleve?

* All together:
"Oh Happy Day!"

Benjamin Franklin Quotes

Robert Maxwell
Wednesday, October 18, 2017
History 3

VII. *Quote* **"Many people die at twenty five and aren't buried until they are seventy-five"**

Explain. What he is saying here is people aren't being buried fast enough and they should be.

VIII *Quote* **"Never ruin an apology with an excuse."**

Explain What he is saying here is, do not say "I m sorry " And then have an excuse for why you did the thing you're saying I m sorry about in the first place

IX. *Quote* **"We are all born ignorant, but one must work hard to remain stupid "**

Explain What he is saying here is it is hard to remain without knowledge in a world where you are constantly learning whether you think you are or not

X *Quote* **"Being ignorant is not so much a shame, as being unwilling to learn "**

Explain. What he is saying here is, it isn't bad to be uneducated but refusing to be educated is something you should be mocked for

Why did you choose these quotes?

I choose them because I thought they were either funny or just they were nice to know They also look good in my paper

MFI-Miami

Mortgage Fraud Investigations

What MFI Miami Does

In a nutshell, what we do is preserve mortgage lending for anything that will assist you during our attorney in helping you keep your home level the playing field on a modification negotiation or help you negotiate a short sale. We are not a compliance and communication investigative company.

We are not attorneys and we do not give legal advice nor do we ask or in any type of negotiations for modifications. We just simply give you and your attorney the tools if applicable a modification or defend a foreclosure action. Once the review is complete, we will refer you to an attorney that can assist you fighting the foreclosure or hold with the modification.

2-Pack Wireless Motion Sensor Undercabinet Light
User Instructions

WARNING

i. The AUTO mode works only if it is dark enough in the area the light is installed and the switch is set to "AUTO" as shown below. Cover the photosensor with a piece of black tape (not included) in case you need AUTO mode to work during the daytime.

ii. For the light to stay on regardless of motion, simply turn the switch to "ON" position. It is not recommended to leave the light continuously on for too long or the battery life may be shortened.

iii. Replace battery once the light becomes too dim. The light will turn itself off automatically when battery is almost depleted in "AUTO" mode. Always turn the switch to "OFF" before replacing the batteries.

iv. When not in use for a long period of time, please remove batteries or turn the switch to "OFF" to conserve battery life.

1. Open the battery compartment and remove the screws/wall anchors from inside. Now insert the 3 AA batteries into the battery compartment. Carefully check to make sure the batteries are aligned according to the polarity shown on the outside of the battery compartment. See picture on right. Close the battery compartment. Check to see if the light is working properly by turning the manual switch to ON. Turn it to OFF afterwards.

Battery compartment

2. Open and turn the built-in plates to a 90 degree angle. Use the screws included to mount the Light through the mounting holes of the plates. Make sure the motion sensor is facing the way to detect motion at night. Refer to the center picture on the back of the package. [Note: It is recommended that a 0.087 in (2.2mm) pilot hole be drilled in the mounting surface. If it requires the use of wall anchor, drill a 0.2 in (5.3mm) pilot hole. Install the plastic wall anchor first and then proceed as described above.]
3. With the Light mounted, angle the Light for your desired direction of lighting. [Note: When in AUTO mode, reflection from highly reflective surfaces may cause it to turn on and off unexpectedly. Adjust the angle of the Light or slightly relocate it to minimize the reflection.]
4. The motion sensor detects movement up to 16 ft / 4.9 m. To adjust the sensitivity of the Light, rotate the motion sensor to the desired angle of detection. To avoid accidental triggering of the Light, rotate the motion sensor to face down as much as possible. By rotating the motion sensor up or down, you control how soon the Light will automatically turn on as someone approaches it.

SURYA

7 Being Adaptive

In this chapter we're going to attempt such impossible feats as putting a square peg in a round hole. Sound impossible? Not when we have Design Patterns. Remember the Decorator Pattern? We wrapped objects to give them new responsibilities. Now we're going to wrap some objects with a different purpose: to make their interfaces look like something they're not. Why would we do that? So we can adapt a design expecting one interface to a class that implements a different interface. That's not all; while we're at it we're going to look at another pattern that wraps objects to simplify their interface.

CancerTYPE ID

Molecular Classification with CancerTYPE ID

FFPE Tissue Processing & Tumor Enrichment

- CancerTYPE ID requires as few as 300-500 viable tumor cells and is compatible with limited biopsy specimens such as FNAs, cytological specimens, and small core needle biopsies.
- CancerTYPE ID routinely employs laser guided microdissection to enrich for tumor specimen.

Gene Expression Profiling

- CancerTYPE ID uses a robust real-time RT-PCR platform to detect very small differences in gene expression
- CancerTYPE ID measures and analyzes the gene expression of 92 genes, 5 normalization genes and 87 lineage determinant and tissue specific genes, most of which are not routinely measured by IHC.

Reference Tumor Database & Algorithm

- CancerTYPE ID uses a computational algorithm to predict the patient's tumor type based on the degree of similarity of the sample's 92-gene expression profile to a reference database of gene expression profiles. The reference database contains gene expression information from over 2,000 tumor specimens of known histogenesis, and representing ~95% of all solid tumors based on incidence
- The CancerTYPE ID algorithm provides a predicted main type and any sub-types in rank-order by relative probabilities which are based on the tumor's gene expression similarity to tumors of these types in the reference database.

Molecular Classification

- CancerTYPE ID classifies 28 tumor types and 50 tumor subtypes.
- In an independent validation of 790 blinded samples, the molecular diagnosis was 87% accurate for main tumor type and 82% accurate for tumor subtype

EXAMPLE TEST REPORT

Interpreting CancerTYPE ID Test Results

MOLECULAR DIAGNOSIS
The tumor type with the highest probability is reported as the molecular diagnosis. In this example, the patient's tumor has 98% probability of matching an over-all tissue and cancer type within the CancerTYPE ID reference database. If the highest probability is <78%, the tumor is reported as indeterminate, in this case, the test report will not indicate tumor types that can be ruled out and those that cannot be excluded

CAN NOT BE EXCLUDED
When applicable, tumor types from the CancerTYPE ID reference database that show some gene expression profile similarity to the patient's sample such that they cannot be excluded from diagnostic consideration will be listed here in relative rank order

RULE OUTS
The CancerTYPE ID test report also lists tumor types that can all be ruled out with 95% confidence in an independent validation of 790 blinded samples, the rule-outs were 95% accurate. This may provide useful different diagnostic information when two or more potential tumor types are suspected and one or more tumors may be excluded in the rule outs

Step 1. (after ensuring the internet light is 'ON' on the modem)

Connect to the internet directly off of the modem by either:

1 a Wired: connect to one of the four available ports on the back

1 b Wireless: Connect to the CenturyLink0960 network with password on bottom of modem'

Step 2: Browse to 192.168.0.1 and log into the web page displayed with the following credentials

Username: admin password: on bottom of modem

Step 3. Select Advanced Setup

Step 4: Select WAN settings along the left hand side

Step 5. For ISP protocol select Transparent Bridging

Step 6. Click OK or APPLY

Step 7: From another computer (not the one connected in step 1) browse to https://192.168.7.1:1445 and if prompted chose continue to this site

Step 8. When the site comes up you will see near the center three options, including connect, disconnect and refresh. Click connect, and if prompted for username and password provide that information. The profile should then go to connected and your internet should be working again

Username: admin password: provided by Bob'

Testing Your HP Fax Machine with the HP Fax Test Service

Introduction

This document will assist you in testing your HP Fax machine using the HP Fax Test Service. Print this document for easy reference by clicking the **Printable Version** link in the upper right corner of this page.

Test your fax machine

To test the capability of your fax machine, follow the directions below.

NOTE: Be sure that your phone number is not **Colored**. It can be checked by your telephone company prior to attempting to send a test receive. Pressing **#31** before dialing the toll-free numbers will unblock the Caller ID blocking feature in most areas. If the phone company services can prevent you from receiving a fax, including voice mail, call blocking, or call privacy features.

NOTE: Whenever troubleshooting a fax issue, it is good practice to set the *Automatic Answers* option to **Every Ring** before attempting a test fax. This way, even if the sent fax fails, an error code will be generated that will guide you in future troubleshooting. This option is available in different places on different products, consult the product *User's Guide* for specific steps.

1. Send a one page black and white test fax to **1-888-tophome** (1-888-473-29663).
2. When your fax is machine by the HP Test Fax Service, **we will generate** a return fax to you within five minutes confirming that we received your fax. This verifies that you can both send and receive a fax with your fax machine.

If you do not receive a return fax within 5-7 minutes, there may be a problem with the setup of your fax machine. Consult the user manual that came with the product for proper setup and configuration.

NOTE: The most common cause of failure is that the fax number set in the Fax Header on the machine does not match the number of the phone line connected to the fax. Also ensure that the Fax Header contains the full 10-digit telephone number of the fax machine, including the area code.

For more information on solutions, click **methods HP** at the top of this page.

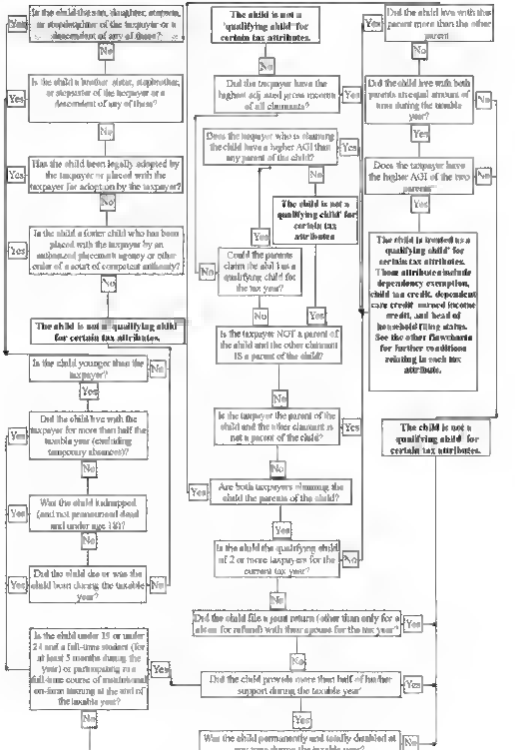
Child, Uniform Definition of a "Qualifying Child" for certain tax attributes, IRC 152(c) (for 2009 and later)



Is the child the son, daughter, stepson, or stepdaughter of the taxpayer or a descendant of any of these?
Yes
No
The child is not a "qualifying child" for certain tax attributes.
Did the child live with the parent more than the other parent?
Yes
No
Is the child a brother, sister, stepbrother, or stepsister of the taxpayer or a descendant of any of these?
Yes
No
Did the taxpayer have the highest adjusted gross income of all claimants?
Yes
No
Did the child live with both parents in equal amount of time during the taxable year?
Yes
No
Does the taxpayer who is claiming the child have a higher AGI than any parent of the child?
Yes
No
Does the taxpayer have the higher AGI of the two parents?
Yes
No
Was the child been legally adopted by the taxpayer or placed with the taxpayer for adoption by the taxpayer?
Yes
No
The child is not a "qualifying child" for certain tax attributes
Is the child a foster child who has been placed with the taxpayer by an authorized placement agency or other order of a court of competent authority?
Yes
No
Could the parents claim the child as a qualifying child for the tax year?
Yes
No
The child is treated as a "qualifying child" for certain tax attributes. These attributes include dependency exemption, child tax credit, dependent care credit, earned income credit, and head of household filing status. See the other flowcharts for further conditions relating to each tax attribute.
The child is not a "qualifying child" for certain tax attributes.
Is the taxpayer NOT a parent of the child and the other claimant IS a parent of the child?
Yes
No
Is the child younger than the taxpayer?
Yes
No
Is the taxpayer the parent of the child and the other claimant is not a parent of the child?
Yes
No
Did the child live with the taxpayer for more than half the taxable year (excluding temporary absences)?
Yes
No
Are both taxpayers claiming the child the parents of the child?
Yes
No
Was the child kidnapped (and not presumed dead) and under age 18?
Yes
No
Is the child the qualifying child of 2 or more taxpayers for the current tax year?
Yes
No
Did the child die or was the child born during the taxable year?
Yes
No
Did the child file a joint return (other than only for a claim for refund) with their spouse for the tax year?
Yes
No
Is the child under 19 or under 24 and a full-time student (for at least 5 months during the year) or participating in a full-time course of institutional on-farm training at the end of the taxable year?
Yes
No
Did the child provide more than half of his/her support during the taxable year
Yes
No
Was the child permanently and totally disabled at any time during the taxable year?
Yes
No

4 Men in Hats

Shown above are 4 men buried up to their necks in the ground. They cannot move and can only look forward. Between A and B is a brick wall which cannot be seen through. They all know that between them they are wearing 4 hats (2 black and 2 white) but they do not know what color they are wearing. In order to avoid being shot one of them must call out to the executioner the color of their hat. If they get it wrong everyone will be shot. They are not allowed to talk to each other and have 10 minutes to fathem it out. After 1 minute, one of them calls out.

Question: Which one of them calls out with 100% certainty?

This is not a trick question. There are no outside influences nor other ways of communicating. They cannot move and are buried in a straight line. So A & B can only see their respective sides of the wall, C can see B, and D can see B & C.

Answer:
C calls out that he is wearing a black hat. C comes to the realization that he must answer because A, B, and D cannot. A and B can't see anyone and also can't determine his own hat color. D can see C and B, but still can t determ ne his own hat color. C knows he is wearing a black hat because if D saw that both B and C were wearing white hats, then he would have answered. But since D is silent. C knows that he must be wearing a black hat as he can see that B is wearing a white hat.

Music 101

Music – Organized sound
noise – Unorganized Sound

properties of sound – made by vibrations
2) length (duration) of time sound lasts
3) pitch – rate of vibrations per second
Higher the pitch = more vibration
AKA Frequency – higher or lower
3) Intensity (~~amplitude~~ dynamics) – loudness "softness"
proun (tam-bur) 4) timbre – tone quality –

Treble Clef

*point tip points to Go Always

Octave: 8 full steps from a note

Stems: if note below middle line stem points up. 2 octave long. Opposite if note falls above

---

if going up: Sharp ♯
going down: Flat ♭

double Sharp: X
Enharmonic: one pitch, one sound diff name

THE SIEREXE COMPANY LIMITED

HAPORS LANE · BOCLD · DORSET · BH25 8ER

TELEPHONE BOCLY 4945 (3) 51617 · TELEX 123456

Our Ref. 350/PJC/RAC 18th January, 1972.

Mr. F.W. Cundall,
Mining Surveys Ltd.,
Holroyd Road,
Reading,
Berks.

Dear Pete,

Permit me to introduce you to the facility of facsimile transmission.

In facsimile a photocell is caused to perform a raster scan over the subject copy. The variations of print density on the document cause the photocell to generate an analogous electrical video signal. This signal is used to modulate a carrier, which is transmitted to a remote destination over a radio or cable communications link.

At the remote terminal, demodulation reconstructs the video signal, which is used to modulate the density of print produced by a printing device. This device is scanning in a raster scan synchronized with that at the transmitting terminal. As a result, a facsimile copy of the subject document is produced.

Probably you have uses for this facility in your organisation.

Yours sincerely,

Phil.

Vonage Test Fax

To:	From
Fax:	Fax
Phone	Phone
Subject: Test Fax	Date

Fax Settings

Reference your Owner's Manual for help adjusting the settings below

ECM (error correction mode)	Off
Baud Rate	9600
International	On (this is set on a per-call basis)
Resolution	Standard
Answer Mode	Fax Only
Rings to Answer	Zero (0)
Call Waiting	Off
Bandwidth Saver	High (80 kbps)
Distinctive Ring	Off

Troubleshooting Steps

The steps below will help you resolve common faxing problems

- Switch off fax machine and unplug power adapter from device and from wall outlet
  - Let fax machine remain off for 60 seconds
- Try a different phone cord between the fax machine and the Vonage device
- Eliminate any splitters between the fax machine and the Vonage device
- Connect Fax machine directly to the Vonage device, bypassing any home wiring.
- If using an All-In-One device temporarily disconnect device from PC.

Further Assistance

If you need further assistance using your Vonage Fax Service we are always available to help

Call us at 1-VONAGE-HELP (1-866-243-4357) or visit **www.vonage.com**

FAX SERVICE PROBLEM NOTIFICATION

Your fax-over-IP network device has been unable to contact your service provider

Please check your network connectivity. You may also need to reboot your fax-over-IP network device by holding down the power button for a few moments until the power light turns off, then pressing the power button momentarily to turn the unit back on.

If you have any questions or require assistance, please contact your service provider

Interpage INTERPAGE NETWORK SERVICES INC.

Phone: +1 (510) 315 2750 • Fax: +1 (650) 292 1600 • www.interpage.net

Hello!

This is a sample test file which is being sent to you as per your request via the Interpage FreeFax(sm) Service!

This service is intended to provide a preliminary evaluation as to the quality and timeliness of Interpage's subscription fax service(s).

If you review the cover sheet which was transmitted with this fax, you will note the first letter of the name you had indicated in the TO field of the FreeFax request page. This letter serves to correlate the fax request which you had sent with this trial fax transmission result.

This file is a sample MS Word file - many other file types are supported

If you have any questions regarding Interpage's OutFax(sm) Service, including the FaxUnlimited(sm) service with no-per or per-minute charges, please feel free to contact us at:

Phone: +1 (510) 315-2750 9AM to 5:30 PM M-F Pacific Time
E-Mail: insl-support@interpage.net
Web: http://www.interpage.net

Thank you for your interest!

Notes: 1. Due to the malicious use of the FreeFax service, Interpage will no longer transmit personalized text messages, only the above fixed sample message will be transmitted. You may establish a trial account for evaluative purposes by filling out the form located at http://www.interpage.net/cgi-bin/free-fax-trial.html, omitting any billing information, and identifying yourself via e-mail address and contact telephone number. Please call (510) 315-2750 for additional details.

2. This fax is not a solicitation nor is it an offer. It was sent by a visitor to Interpage's web site who entered your destination number as a recipient of this test fax. A single destination may not receive more than two sent in a given week, however, if you find that someone is sending you faxes in a sent nuous and abusive manner, please call us at (510) 315-2750 and we will block your fax number from the FreeFax service.

Trig Review 11 5/19 **Name** Emma Lopez **Per** 6

Use the "Law of Sines" and/or the "Law of Cosines" to find the other values of the triangle

1a. $a = 42$ (not to scale)

1b. $b = 5.7$

1c. $c =$ 7.536

1d. $A =$ 33.191

1e. $B =$ 48.503

1f. $C = 98°$

2a. $a = 7$ (not to scale)

2b. $b = 10$

2c. $c =$ 4.772

2d. $A =$ 39.317

2e. $B = 115°$

2f. $C =$ 25.683

#3 A surveyor measures 32° for the angle between two trees. His distance away from the trees is as the graph below. What is the distance between the trees?

Distance? 56.461 ✓

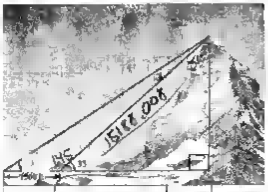
$\frac{\sin A}{95} = \frac{\sin B}{56} = \frac{\sin 32}{x}$

$\sqrt{a^2 + \dots - 2(\dots)(\dots)\cos 32}$

$\frac{\sin A}{4.2} = \frac{\sin B}{5.7} = \frac{\sin 98}{c}$

$\sqrt{4.2^2 + 5.7^2 - 2(4.2)(5.7)\cos 98}$

4 To find the height of a mountain you measure your $\angle$ to be 32° and then you walk towards the mountain a distance of 1500 feet and measure your 2nd $\angle$ to be 35°. What is the height of the mountain?



Height? 8711.482

$\frac{\sin A}{7} = \frac{\sin 115}{10} = \frac{\sin C}{c}$

$\frac{\sin 32}{x} = \frac{\sin 145}{b} = \frac{\sin 3}{1500}$

$\frac{\sin 35}{15182.006} = \frac{\sin 90}{x}$

$\frac{\sin 35(15182.006)}{\sin 90}$

Transcript: 'This is your victory,' says Obama

- Story Highlights
- Obama: Tonight is answer to those who still question the power of our democracy
- Obama: "I received an extraordinarily gracious call from Sen. McCain"
- Obama: "I was never the likeliest candidate for this office"

CHICAGO, Illinois (CNN) -- Sen. Barack Obama spoke at a rally to Grant Park in Chicago, Illinois, after winning the race for the White House Tuesday night. The following is an exact transcript of his speech.

Obama.

Hello Chicago.

If there is anyone out there who still doubts that America is a place where all things are possible, who still wonders if the dream of our founders is alive in our time, who still questions the power of our democracy tonight is your answer

It's the answer told by lines that stretched around schools and churches in numbers this nation has never seen, by people who waited three hours and four hours, many for the first time in their lives, believed they believed that this time would be different, that their voices could be that difference.

It's the answer spoken by young and old, rich and poor, Democrat and Republican, black, white, Hispanic, Asian, Native American, gay straight, disabled and not disabled. Americans who sent a message to the world that we have never been just a collection of individuals or a collection of red states and blue states.

We are, and always will be, the United States of America.

It's the answer that led those who've been told for so long by so many to be cynical and fearful and disabled about what we can achieve to put their hands on the arc of history and bend it once more toward the hope of a better day. [When Obama's speech is in its entirety.]

It's been a long time coming, but tonight, resolved of what we did on this day in the election at this defining moment change has come to America.

A little bit earlier this evening, I received an extraordinarily gracious call from Sen. McCain.

Sen. McCain fought long and hard in this campaign. And he's fought even longer and harder for the country that he loves. He has endured sacrifices for America that most of us cannot begin to imagine. We are better off for the service rendered by this brave and selfless leader

I congratulate him; I congratulate Gov. Palin for all that they've achieved. And I look forward to working with them to power this nation's promise in the months ahead

I want to thank my partner in this journey a man who campaigned from his heart, and spoke for the men and women he grew up with on the streets of Scranton and rode with on the train home to Delaware, the vice president-elect of the United States, Joe Biden.

And I should not be standing here tonight without the unyielding support of my best friend for the last 16 years the rock of our family the love of my life, the nation's next first lady Michelle Obama.

Sasha and Malia I love you both more than you can imagine. And you have earned the new puppy that's coming with us to the new White House.

And while she's no longer with us I know my grandmother's watching along with the family that made me who I am. I miss them tonight. I know that my debt to them is beyond measure.

Built for incredible speed

Zoom through the Net with Motorola's SURFboard Cable Modem

Why waste time waiting for dial-up? With the SURFboard, high speed Internet access is always at your fingertips. That's because it's always on and always connected. Plus, it's fast. Up to 100 times faster than traditional 28.8K analog phone modems.* And, with its built-in stand-by switch designed to keep the outside world away from your computer, it's safer too.**

[illegible]

- Always on, always connected and always ready to go
- No telephone line needed
- Capable of downloading up to 100 times faster than traditional 28.8K analog phone modems*
- Downloads mega-files in seconds
- Stand-by switch disconnects the modem from the cable so world when not in use**
- Expands real time online gaming and console gaming with online access
- USB or Ethernet connectivity for easy installation
- 24 x 7 technical support available over the Web or by phone

FEATURES

- "DOCSIS® 1.1 and DOCSIS® 2.0 Certified
- Front-panel LEDs to indicate status
- User-friendly online diagnostics page
- Supports standard Internet software
- Specially designed architecture allows for future upgrades

[illegible]

- SURFboard® SB5100 Cable Modem
- USB and Ethernet cables
- Power adapter
- Installation CD-ROM with USB drivers
- Quick Start Guide
- Two-year limited warranty

[illegible]

- Minimum 266MHz (Pentium® processor preferred) or Macintosh-compatible CPU (Power PC)
- Operating systems such as: Windows® 95/98/2000/NT/Me/XP; Macintosh® OS 8 or higher; and UNIX
- CD-ROM drive
- 10/100Base-T Ethernet or USB connection
- Check with your local cable provider for DOCSIS® high speed data service

How Can I Test My Fax Machine?

I just hooked up a new fax machine and I'd like to test it, just to make sure it works. How can I do that?

Online Faxing
$2.99/Mo
500 Pages In/Out! Free
Number. No Contract. Start
Your Free Trial

Presumably you want to test your fax machine by sending a fax from it and receiving a fax with it. Here's how to do both:

To test the send functionality of your fax machine, send a one page fax to 1-855-330-1239 (a toll-free number in the United States). When instructed to at this point in your web browser to Fax Live it's a fun web site that displays what we're faxed to that number. Within a minute, your fax should appear on the site. Click the thumbnail to see a larger version.

To test the receive functionality of your fax machine, point your web browser to Fax.com, this site lets you send faxes for free to anywhere in the United States and Canada. Within a few minutes, your fax machine should ring — hopefully it will automatically answer and spit out the test fax.

StarTribune

Building in this village difficult for developer, and for village

Article by Star Tribune

Updated December 13, 2011 9:45 PM

Sunday afternoon was smack dab in the middle of the Christmas shopping season. The Minnesota Vikings were on television. Yet at Linden Hills Park, hundreds crowded an open house at the recreation center to read giant placards with such riveting headlines as "Variances to Increase Portions of the 8-foot Setback."

One sign put up by a potential condo developer began: "It's hard to defend a perception ... an abstract on of what a village is ... good people will view things differently."

A few feet away, a small group of people seemed to be acting out the statement around a cardboard model of the neighborhood. It depicted an area surrounding the proposed five-story development for the corner where Famous Dave's now sits.

"The scale is wrong," said one man, pointing to the perceived difference between two model buildings several blocks apart. "It makes this [proposed] one look smaller."

A woman nearby shook her head. "It makes it look bigger!"

A third woman offered that they looked different because one was on a small cardboard hill.

Welcome to Mark Dwyer's nightmare.

Not 20 feet from Dwyer's booth was the opposition, selling signs that read: "It Takes a Village to Keep a Village."

Dwyer is the developer, or at least point man, for the effort to build the condo in a neighborhood that wants to feel like one of those Dept. 56 Christmas villages: all cottage-y and boutique-y and quaint.

City ordinances built on an earlier survey of neighbors set the limit of buildings at three

12. Please specify any physical abilities that may affect your volunteer work or activities. Include allergies, mobility aids, etc.

13a. What month(s) and year(s) would you like to volunteer?

☐ January ☐ February ☐ March ☐ April ☐ May ☐ June ☐ July ☐ August ☐ September ☐ October ☐ November ☐ December

13b. How many hours per week would you be available for volunteer work? Hours

13c. Which days of the week and time of day would you be available for volunteer work?

☐ Monday ☐ Tuesday ☐ Wednesday ☐ Thursday ☐ Friday ☐ Saturday ☐ Sunday

14. Specify at least three areas of specific locations within a metro where you would like to volunteer.

15. Specify your lodging requirements.

☐ I will find my own lodging (such as friend, camper, trailer, motel room, rental, other). Please specify:

☐ I will require assistance in finding lodging.

16. Travel may be required. If so, please indicate the details specified in Item 14. If you will, your agency may provide all or another location and local agencies with any changes in your background or interests? ☐ Yes ☐ No

17. List any special skills, experience, or qualifications. Please indicate the most relevant skills which you feel would apply.

18. REFERENCES (include name, address, telephone number and relationship)

1.

2.

3.

NOTICE TO VOLUNTEER

Volunteers are not considered to be employees of employer. Because employees of other federal agencies, state or local governments, or private companies may not receive benefits under programs established for federal employees, volunteers should check with their employers before undertaking volunteer activities to determine if they will be covered by workers' compensation (if they are performing work for another agency) or liability (if they are not). Volunteers may also be covered by health insurance or life insurance policies. Volunteers should also be aware that they may be responsible for payment of taxes on any income they receive for their volunteer activities. Volunteers should consult with their own personal tax advisors to determine their tax liability. Volunteers should also be aware that the employer does not guarantee employment as a result of volunteer service.

PRIVACY ACT STATEMENT

The following information is needed to comply with the Privacy Act of 1974, P.L. 93-579. Section 7(b) of Executive Order 9397 requires that federal agencies collect social security numbers when establishing new systems of records. The information requested on this form will be used to contact applicants and to arrange interviews. Social security numbers will be used to identify volunteers who are also employees of the Federal Government. Furnishing the social security number, as well as other data requested, is voluntary.

Fax Answers

answers to your questions about faxing

« How to Stop a Calls from a Fax Machine?
How to Fix Vertical Stripe On Faxes I Send »

How Can I Test My Fax Machine?

I just hooked up a new fax machine and I'd like to test it just to make sure it works How can I do that?

Presumably, you want to test your fax machine by sending a fax from it and receiving a fax with it. Here's how to do both.

To test the send functionality of your fax machine, send a one-page fax to 1-888-877-1655 (a toll-free number in the United States.) When it's finished transmitting, point your web browser to Fax Toy — it's a fun web site that displays whatever is faxed to that number. Within a minute, your fax should appear on the site. Click the thumbnail to see a large version.

To test the receive functionality of your fax machine, point your web browser to FaxZero: this site lets you send faxes for free to anywhere in the United States and Canada. Within a few minutes, your fax machine should ring — hopefully, it will automatically answer and spit out the test fax.

This entry is filed under Fax Machines.

Van Buren First Assembly of God Streams Services Live to Web Audiences using Wirecast

Broadcasts are available on the church website, YouTube and Vimeo – enabling cost-effective, real-time outreach to members at remote sites and on-demand viewing for those who are unable to attend church

"Wirecast offers the quality and flexibility we needed – allowing us to stream live and record to a hard drive, overlay video files with full transparency on top of the live stream, and quickly change text on the lower thirds."

Ryan Hodges, Media Director
Van Buren First Assembly of God

Background

Van Buren First Assembly of God (VBFA) is a house of worship that broadcasts its services throughout most of Arkansas, reaching into Oklahoma and Missouri. Located in Van Buren, Arkansas, VBFA is a medium-sized church that focuses on outreach.

VBFA has been producing television programs for 23 years. Services are broadcast to members located at remote church sites for live viewing. The same live video feeds are sent to independent-living retirement centers which VBFA also operates. Most recently, these services have been made available for viewing on the church's website, YouTube and Vimeo.

The Challenge

When VBFA began broadcasting online, they initially streamed live shots off a hardware video switcher to a Windows Media encoder. They looked at other hardware solutions as well as production solutions offered by streaming service providers, however, none of these solutions offered the level of flexibility VBFA needed. They wanted something that could both stream and record at the same time for their website and YouTube. They needed to overlay video files with full transparency (rather than just static images) on top of the live stream. They also needed the ability to quickly change text on lower thirds.

The Solution

Van Buren First Assembly of God purchased Wirecast in November 2008.

"Wirecast offers the quality and flexibility we needed," explains Ryan Hodges, Media Director at Van Buren First Assembly of God. "It allows us to stream live and record to a hard drive, overlay video files with full transparency on top of the live stream, and quickly change text on the lower thirds."

Greg,

I would like to inform you of the repairs needed in my unit. The list is as follows:

1 The 2nd bedroom still needs the termite treatment
The kitchen light fixture is making noise, and needs a new ballast.

2 The 2nd bath faucet is leaking.

3 The 2nd bath shower is leaking and the wall is bubbling up around the leak

4 The kitchen light fixture is making noise, and needs a new ballast.

5 I need a new balcony screen. The frame is bent.

6. The hallway light fixture needs a globe

If you have any questions please call me at (818) 232-7681

Sincerely,

Robert Bushler

南米チリ中部沖で日本時間の１７日朝発生したマグニチュード８．３の巨大地震で
チリでは建物が壊れるなどしてこれまでに８人が死亡しました。

チリの沿岸には最大で４．８メートルの津波が到達し、
ハワイにある太平洋津波警報センターは、
１８日朝に日本を含む太平洋の広い範囲で
津波注意報レベルの津波に注意を呼び掛けています。

現地からの報道によりますと、今回の地震に伴い、
チリのコキンボで４・８メートルの津波が観測された。
津波は北海道に１８日午前５時半頃、
東北と関東の太平洋側に同６時頃に到達する可能性がある。
津波の高さは最大１メートル津波が到達するおそれがあるとして、
引き続き警戒や注意注意を呼びかけています。

太平洋津波警報センターは「おしお（潮）の流れが速くなることが多いので、
海中や海辺で作業している人は速やかに海から離れてほしい」としている。

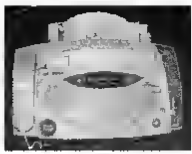
Fax

From Wikipedia, the free encyclopedia

Fax (short for **facsimile**) sometimes called **telecopying** or **telefax** (the latter short for **telefacsimile**), is the telephonic transmission of scanned printed material (both text and images), normally to a telephone number connected to a printer or other output device. The original document is scanned with a **fax machine** (or a **telecopier**), which processes the contents (text or images) as a single fixed graphic image, converting it into a bitmap, and then transmits it through the telephone system in the form of audio-frequency tones. The receiving fax machine interprets the tones and reconstructs the image, printing a paper copy.[1] Early systems used direct conversion of image darkness to audio tone in a continuous or analog manner. Since the 1980s most machines modulate the transmitted audio frequencies in a digital representation of the page which is compressed to quickly transmit areas which are all white or all black.



A fax machine, type Ricoh 906

Feeling more subdued than usual? Even you need to quiet down and get centered!

Overview

Use your amazing creativity to work magic today you can do it! You may want to show a friend or colleague that there are even ways to get work done than the tried and true, and they should thank you for it.

The work week turned up the intensity but in your case, it's going to make it almost near impossible to resist buying something. Whether it's for you or for a loved one, if you want it, you'll go out and get it right now. Even if you know it's going to be on sale tomorrow. Who cares? Why wait for the sake of a few measly dollars, right?

interpage INTERNET NETWORK SERVICES INC.

Phone: +1 (510) 315 2750 • Fax: +1 (650) 292 1600 • www.interpage.net

Hello!

This is a sample text file which is being sent to you as per your request via the Interpage FreeTextSend Service.

This service is intended to provide a preliminary evaluation as to the quality and timeliness of Interpage's subscription fax service(s).

If you review the cover sheet which was transmitted with this fax, you will note that a brief letter of the same you had indicated in the TO field of the FreeFax request page. This letter serves to correlate the fax request which you had sent with this test fax transmission result.

This file is a sample MS Word file; many other file types are supported.

If you have any questions regarding Interpage's OutreachTM Service including the FaxUniversal(tm) service with rates or per-minute charges, please feel free to contact us at:

Phone +1 (510) 315-2750 9AM to 5:30 PM M-F Pacific Time

E-Mail mail-support@interpage.net

Web URL http://www.interpage.net

Thank you for your interest!

Notice: 1. Unauthorized use of this "free trial" service by Interpage will be proper grounds for terminating service and for other legal action. Unauthorized use includes, but is not limited to, using this service for any purpose other than that which is stated at http://www.interpage.net/sub/faxtrial.html, sending any illegal, fraudulent, and deceptive information, and using a valid e-mail address and contact telephone number other than your own. Do not abuse this public service.

2. The free transmission of your test file is subject to availability on Interpage's network at the time you access this service. Interpage reserves the right to limit the duration of any transmission which does not comply with these guidelines. If you find that assistance in sending your fax is unnecessarily difficult, please call us at (510) 315-2750 and we will look into the issue from the Interpage end.

PC-FAX.com

Here it is!

This fax would be send from PC-FAX.com

With EASY Client you can

- Fax directly from Desktop via Internet as easy as sending an e-mail
- Fax directly from iPhone, iPad, iPod or any Android device
- Compatible with all Windows software
- Pay a monthly flat fee with no costly surprises
- Fax lines for faxes to the USA/Canada and Europe
- Faxes to countries outside above-mentioned areas are at a cost
- Optionally, you can obtain a toll free US fax number
  Incoming faxes are sent directly to your e-mail account as a PDF file
- Save phone fees, paper, the fax machine and your nerves and by extension, money!
- High quality (optical fibre network)
- Save money and trees!

h

I think you're confusing hair metal with glam rock. Glam rock died out in the mid 70's.

As far as it being dead for rock...

Dire Straits
EMF
Nine Zoo
Suicidal Tendencies
KMFDM
NIN (Both Pretty Little Hate Machine and Head Like a Hole were released during this period)
Cowboy Junkies
Primus
The Offspring
The Dead Milkmen
Pop Will Eat Itself
Matthew Sweet
Butthole Surfers
Ohaa
Jane's Addiction

Let's see...
Peter Murphy was still putting out albums
Bush put out several albums
The Grateful Dead were still releasing albums...

Hell... Ire+ formed Bodycount in 1990
Rage Against the Machine formed in 1991

Beastie Boys started to slip back into their punk roots to create a rock rap fusion with Check Your Head... and remained the sound in '93's Ill Communication

Are you talking about what was played on the radio where you lived, or what was actually released? Or what was worth listening? These things do not always align

Dear Employees:

It has been brought to management's attentien that some individuals throughout tbe company have been using foul language during the ceurse ef normal conversation with their co-workers.

Due te complaints received from some employees who may be easily offended, this type of language will ne lenger be tolerated.

We do, however, realize the critical importance of being able to accurately express your feelings when communicating with co-workers.

Therefore, a list of 18 new and innovative phrases has been provided so that proper exchange of ideas and information can continue in an effective manner.

#	Try Saying This...	Instead of This...
1	I think you could use more training	You don't know what the f____ you re doing
2	She's an aggressive go getter.	She's a f____ing bit__.
3	Perhaps I can work late	And when the f____ do you expect me to do this?
4	I'm certain that isn't feasible	No f___ing way.
5	Really?	ou've got to be sh____ing me!
6	Perhaps you should check with	Tell someone who gives a sh__.
7	I wasn t involved in the project.	It's not my f____ing problem.
8	That's interesting	What the f____?
9	I'm not sure this can be implemented	This sh__won't work.
10	I'll try to schedule that	Why the f____ didn't you tell me sooner?
11	He s not familiar with the issues.	He's got his head up his a__.
12	Excuse me, sir?	Eat sh__ and die
13	So you weren't happy with it?	Kiss my a__.
14	I'm a bit overloaded at the moment	F__it, I'm on salary.
15	I don't think you understand.	Shove it up your a__.
16	I love a challenge.	This f___ing job sucks.
17	You want me to take care of that?	Who the f____died and made you boss?
18	He s somewhat insensitive	He's a pr__ck.

You can skip this step if you only want to receive faxes at the email address you set up with fax-enable. If you want to be able to send faxes as well, then you'll need to install a free or commercially available HylaFax client on your desktop machine. Here's the complete list of HylaFax clients. Regardless of the client you choose, you'll need to enter the credentials for your HylaFax server. This includes the IP address of Incredible PBX on your private LAN, your username (root), and your root password. For a free Windows client, we recommend WinPrint. For Mac machines, use Fax90. Both of these clients are so called Print to Fax applications. This means you first must convert whatever document you wish to send into a PDF document. Then call it up on your screen and "print" the file to the Fax Device that was installed as part of the HylaFax client.

!IMPORTANT! WICHTIG! IMPORTANT! BELANGRIJK! IMPORTANTE! IMPORTANTE! IMPORTANTE! IMPORTANTE! VIKTIG! VIKTIGT! VIGTIGT!

<English> Please follow the instructions below before you install the drum unit and toner cartridge assembly.

1 Hold the drum unit and toner cartridge assembly as shown.

2 Gently shake it up and down several times, and then turn one to side several times. Repeat for all four drum and toner cartridge assemblies.

<Deutsch> Führen Sie bitte diese Anweisungen, bevor Sie die Trommeleinheit mit Tonerkassette installieren.

1 Halten Sie die Trommeleinheit mit Tonerkassette wie dargestellt.

2 Schwenken Sie sie vorsichtig mehrere Male hoch und runter und drehen dann eine Seite mehrmals seitlich hin und her. Wiederholen Sie diesen Vorgang für alle vier Trommeleinheiten mit Tonerkassette.

<Français> Suivez les instructions ci-dessous avant d'installer les ensembles du tambour et de la cartouche de toner.

1 Tenez l'ensemble du tambour et de la cartouche de toner de la manière illustrée ci-dessous.

2 Secouez délicatement vers le haut et vers le bas à plusieurs reprises, puis de manière à placer un côté à plusieurs reprises également. Répétez-la pour les quatre ensembles du tambour et de la cartouche de toner.

<Nederlands> Volg de onderstaande instructies voordat u de eenheid met drumcartridge en tonercartridge installeert.

1 Houd het geheel van drumcartridge en tonercartridge vast zoals hieronder afgebeeld.

2 Schud de eenheid lichtjes, totdat u de toner gelijkmatig over de cartridge hebt verdeeld. Herhaal deze handeling voor de vier gehelen van drumeenheid en tonercartridge.

<Italiano> Prendere in considerazione quanto indicato di seguito prima di installare il gruppo tamburo e cartuccia toner.

1 Tenere il gruppo tamburo e cartuccia toner come indicato sopra.

2 Scuotere delicatamente più volte dall'alto verso il basso, quindi da un lato all'altro. Ripetere l'operazione per tutti e quattro i gruppi tamburo e cartuccia toner.

<Español> Siga las instrucciones que se indican a continuación antes de instalar los conjuntos de unidad de tambor y cartucho de toner.

1 Sujete el conjunto de unidad de tambor y cartucho de toner tal como se muestra anteriormente.

2 Agítelo suavemente de arriba a abajo varias veces y a continuación de un lado a otro varias veces. Repita el mismo procedimiento para los cuatro conjuntos de unidad de tambor y cartucho de toner.

<Português> Siga as instruções abaixo em antes de instalar os conjuntos de unidade do tambor e cartucho de toner.

1 Pegue no conjunto de unidade de tambor e cartucho de toner conforme ilustrado acima.

2 Agite cuidadosamente para cima e para baixo várias vezes e depois de um lado para o outro várias vezes. Faça o mesmo aos quatro itens de cada conjunto de unidade de tambor e cartucho de toner.

<Português brasileiro> Siga as instruções abaixo antes de instalar os conjuntos de unidade de cilindro e de cartucho de toner.

1 Segure o conjunto de unidade de cilindro e do cartucho de toner plenamente montado, conforme as figuras acima.

2 Agite-o de vários lados e embaixo de cima/de vertical a, em seguida, vaiha e cavoupe na direção horizontal. Siga estas instruções para os quatro conjuntos de unidade de cilindro e de cartucho de toner.

<Norsk> Følg disse instruksjonene nedenfor før du installerer fotoenhet og tonerpatronenhet.

1 Hold fotoenhet og tonerpatronenhet-enheten som vist over

2 Rist den forsiktig opp og ned flere ganger, og deretter fra side til side flere ganger. Gjenta for alle de fire fotoenhet og tonerpatronenhet-enhetene.

<Svenska> Följ installationsanvisningarna nedan innan du installerar trumenhet och tonerkassettenhet.

1 Håll trumman och tonerkassettenhet-delen enligt ovan

2 Skaka den försiktigt upp och ner flera gånger och därefter från sida till sida flera gånger. Upprepa detta för alla fyra trummor och tonerkassetter

<Dansk> Følg vejledningen nedenfor, før du installerer trommen samt tonerpatronenheden.

1 Hold tromleenheden og tonerpatronen-dingen, som vist ovenover

2. Ryst den forsigtigt op og ned flere gange og derefter fra side til side flere gange. Gentag dette for alle fire tromleenheder og tonerpatron-dinger

Stuffed Shells Recipe

Servings: 8
Ingredients
18 jumbo pasta shells
1 15-ounce container ricotta cheese
2 large eggs
1 cup grated Parmesan cheese
2 cups grated mozzarella cheese
1/4 cup parsley--finely chopped
1 26-ounce jar good tomato sauce
Directions

Preheat oven to 350 degrees.

Bring a large pot of generously salted water to boil over high heat. Add pasta shells and cook for about 10 minutes, or until al dente.

While the pasta is cooking, mix together ricotta, eggs, parmesan, mozzarella and parsley in a large bowl.

Drain shells and run under cold water to stop the cooking process.

Spoon about 3 tablespoons of the ricotta mixture into each cooked shell and arrange on a baking sheet.

Pour 1 cup of pasta sauce into a 9 x 12 casserole dish and spread so that it covers the bottom of the dish. Transfer stuffed shells to the casserole dish, arranging them side-by-side, and pour the remaining sauce on top of the shells.

Bake uncovered for 30 minutes or until bubbly.

These freeze very well. Simply store the extras in a heavy-duty freezer bag for up to 3 months. To reheat, bake at 375 for 45 minutes (no thawing necessary)
Level of Difficulty:
Easy
Prep Time:
25 min
Cooking Time:
30-40min

Section 5
Peptide Analysis

5.1 Introduction

Ready Gel Tris-Tricine/peptide gels are optimized for separating peptides and proteins <10 kD. Superior resolution of peptides is achieved by moving the peptide-SDS complexes more slowly through the gel. This allows the faster moving SDS micelles, which normally interfere with peptide separations, to completely separate from the peptides, allowing distinct peptide bands to resolve.

5.2 Ready Gel Tris-Tricine/Peptide Gel Composition

Gel buffer	1.0 M Tris-HCl, pH 8.45
Cross-linker	2.6% C
Stacking gel	4% T, 2.6% C
Storage buffer	1.0 M Tris-HCl, pH 8.45, NaN_3
Shelf life	12 weeks from the date of manufacture

5.3 Ready Gel Tris-Tricine/Peptide Gel Selection Guide

Tris-Tricine/peptide gels are available in either a single percentage gel or a linear gradient gel.

Peptide Gel	Optimal Separation
16.5%	15-30 kD
10-20%	1-40 kD

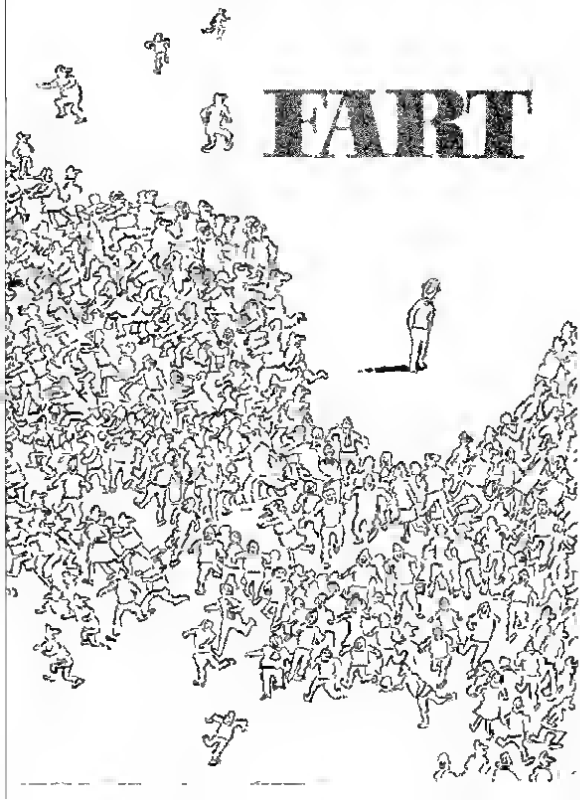
Test Fax from Westley

FART



WikiLeaks
@wikileaks

CNN extorts amateur satirist who made video tweeted by Trump: if you make fun of us again we will harm you archive.is/o7izm#selectio...

After posting his apology, "HanA" "hoteSolo" called CNN's KFile and confirmed his identity. In the interview, "HanA "hoteSolo" sounded nervous about his identity being revealed and asked to not be named out of fear for his personal safety and for the public embarrassment it would bring to him and his family.

CNN is not publishing "HanA""hoteSolo's" name because he is a private citizen who has issued an extensive statement of apology, showed his remorse by saying he has taken down all his offending posts, and because he said he is not going to repeat this ugly behavior on social media again. In addition, he said his statement could serve as an example to others not to do the same.

CNN reserves the right to publish his identity should any of that change.

This is the end of the printer test page.

Of Man s first disobedience and the fruit
Of that forbidden tree whose mortal taste
Brought death into the world and all our woe
With loss of Eden till one greater Man
Restore us and regain the blissful seat
Sing Heav nly Muse that on the secret top
Of Oreb or of Sinai didst inspire
That shepherd who first taught the chosen seed
In the beginning how the heav ns and earth
Rose out of Chaos or if Sion hill
Delight thee more and Siloa s brook that flow d
Fast by the oracle of God I thence
Invoke thy aid to my advent rous song
That with no middle flight intends to soar
Above th Aonian mount while it pursues
Things unattempted yet in prose or rhyme
And chiefly thou O Spirit that dost prefer
Before all temples th upright heart and pure
Instruct me for thou know st thou from the first
Wast present and with mighty wings outspread
Dove like sat st brooding on the vast Abyss
And mad st it pregnant what in me is dark
Illumine what is low raise and support
That to the highth of this great argument
I may assert Eternal Providence
And justify the ways of God to men

Printed: Mar 31 2017 at 01:46 PM

Printer Activation Date: Mar 27 2017 12:53:31

Note: OpenLCR cannot be used if your fax machine is connected to a Private Branch Exchange (PBX).

Downloading (receiving) the rate data manually

Your fax machine will automatically call OpenLCR and download updated rate data three times every three months. Normally you will not need to download the rate data manually.

- If you register through OpenLCR's Web site you must manually download the rate data to activate service.
- If the fax machine is unplugged or some other interruption occurs in the power, you will need to manually download the rate data.

Press these keys to call OpenLCR and initiate downloading.

Downloading time one or two minutes. During this time the display will show:

LCR DOWNLOADING

When downloading is completed, the display will briefly show DOWNLOAD OK!! and then revert to the date and time. OpenLCR will also program the time and time and your fax number in your fax machine.

Fax transmission test

Before if you are not ready to register for OpenLCR service, we recommend that you test your fax setup by filling out Section A of the **Fax Transmission Test and OpenLCR Line Activation Form** and faxing it to OpenLCR as shown below. The test is free of charge and does not place you under any obligation to register with OpenLCR.

- If the test sheet is successfully transmitted, it will be faxed back to you on the same connection. This lets you confirm that your setup is okay.
- After receiving the test sheet, the current date and time will automatically be programmed in your fax machine. This saves you the trouble of setting the date and time on the fax yourself.

1 Place the form with Section A face down, and push it gently into the download feeder of the fax machine.

The display will show:

READY TO SEND

2 Press the **OpenLCR** key, the **5** key, and then the **START/MEMORY** key.

- Your fax machine will automatically call OpenLCR and send the form. The form will then be faxed back to you, and the current date and time programmed in your fax machine.

PAPER DIRECT

EPSON
EXCEED YOUR VISION

Congratulations, you have successfully installed your new Artisan® All-In-One!

Here's how to get the most out of your Artisan product.

Easy Epson Wi-Fi®
- Connect in seconds
- Wireless printing with W-Fi CERTIFIED™ n support*
- Easily share your all-in-one with everyone in your family

Add a Personal Touch
Create coloring book pages and personal note paper with the easy to use control panel. Print photo greeting cards, invitations, and more!

Print Directly From Your Mobile Device
The easy Wi-Fi connection allows you to print photos in three simple steps.**
1. Choose your picture
2. Choose your photo/paper size (4 x 6, 5 x 7, Letter or A4).
3. Print

For Best Results
Use Epson genuine ink and paper for crisp text and unsurpassed image quality. High-capacity 98 series ink cartridges are also available for higher print volume needs.

Support
Get quick answers to your questions by going to **epson.com/support**. There you'll find FAQs, interactive troubleshooting guides, and an easy way to e-mail Epson.

Requires an Internet connection to the printer. Capture images with any internet- and email-capable device. Print from many users. Go to for a list of supported documents and image types, see www.hp.com/go/eprintcenter.
Supports 10/100 wireless (IEEE 802.11b/g/n) networking. Wireless performance is dependent upon physical environment and distance from the access point. Wireless setup and the ability to use wireless may vary by country.
Windows only.
First page out in less than 8.5 seconds.

TGR. You said there are good investment opportunities in REEs. There are all kinds of names—Dacha Capital Inc (TSX V DAC, OTCQX DCHAF), Medallion Resources (TSX V MDL), Commerce Resources Corp (TSX V CCE, Fkft D7H, PK SHEETS.CMKZF), Rare Earth Metals Inc (TSX V RA), Midland Exploration Inc (TSX V MD)—which companies are you following?

JH. Of the junior explorers and potential producers out there, the only name that we're actively covering is Great Western, but we shadow a large number of others. We look for companies that have those metrics that I mentioned earlier—fairly high grade in the ground, simple metallurgy, and by that we mean where the metallurgy has already become largely a solved problem, basically looking for deposits that lean toward the elements we're most interested in, which includes the magnet materials like neodymium, praseodymium, or the materials that allow those materials to operate at high temperatures like dysprosium and terbium.

If it's a high grade deposit with known metallurgy, that would be absolutely perfect, but unfortunately, we haven't identified any of those. On the other side of the equation, there are companies like Dacha. Dacha is a trading company that actually trades the physical rare earths. We like that story because Dacha can concentrate specifically on the rare earths that matter. They can look at the market and say, "You know what? We believe that dysprosium and terbium are going to be in short supply." For instance, they recently announced that they had bought eight tons of dysprosium and terbium. They can concentrate specifically on those without having to worry about lanthanum and cerium. That gives them significant advantages.

TGR. What will be the first REEs project to enter production?

JH. My guess is Mount Weld, Lynas' project. The planned production is not ridiculously high at 10,500 tons annually, they've got very high grade. Yes, it is a light deposit, leaning toward lanthanum and cerium more than anything else, but it's also a strong project in a good jurisdiction. Lynas is going to do the processing in Malaysia. That makes some sense because it moves the finished materials

Bears, bears, bears!

As you know we are currently learning about the letter Bb and have been studying bears. To celebrate the end of this week we will be having a "Teddy Bear Picnic" on Thursday, March 20th. As part of our picnic could you please have your child choose a teddy bear to bring into school on this day. The bears will not be staying in school and will return home with your child on Thursday. We will be using these bears for a language lesson and need you to help your child prepare... Work with them to do the following for Friday's lesson

1. Choose a favorite bear to bring to school
2. Write a short description of your child's bear (color, size, shape, what it is wearing, special features...) but DO NOT include your child's name
3. Put your child's bear in a non-see through bag and close the top with the note attached to the outside of the bag
4. Write your child's name on the bottom of the bag

It should be fun to see if we can correctly match the correct bear with each child. This is a very good language exercise and gives your child a chance to use their speech and language skills.

Thank you! Mrs. Johnson

INDIAN PRAIRIE SCHOOL DISTRICT

December 2010

Dear Parent/Guardian,

During the weeks of Jan. 24th and Jan. 31st, School District 204 will administer the Stanford Achievement Test (SAT 10) and Otis Lennon School Abilities Test (OLSAT) to first grade students under consideration for placement into the District gifted program, *Project Access*. Your child has been recommended for testing during this two week window. Scores from these exams are among several measures utilized by school academic teams to determine possible placement into the gifted program.

The SAT 10 is a multiple-choice achievement test provides a standard measure of content learned giving valid and reliable data needed to objectively measure progress toward high academic standards. This exam covers both reading and math content and skills. The OLSAT evaluates a student's ability through the completion of several tasks – such as detecting likenesses and differences, recalling words and numbers, defining words following directions, classifying, establishing sequence, solving arithmetic problems and completing analogies. It is a valid measure of an individual's ability to reason logically and think abstractly. Both exams provide a comprehensive evaluation of your child's abilities.

Gifted services at the elementary level are provided through a resource teacher at each building. This resource teacher is trained in gifted education and is meeting the unique academic and social-emotional needs of highly talented students. Teachers work with students for 150 minutes each week, providing instructional enrichment in core curricular areas.

If you would like your child to be tested during this two week period, please complete the attached permission slip and return to your child's classroom teacher by December 15th. Again, results from these standardized exams are among several measures which ultimately determine whether the gifted program is appropriate for a student. If you do not want your child tested at this time, please also indicate this on the attached permission form. Questions regarding the testing process can be directed to your child's classroom teacher or school Student Services Coordinator.

Sincerely,

Allison L. Sherman, M.A. Ed.
Director of Core Curriculum

Hello there.

MAKING HOME AFFORDABLE .gov

The Making Home Affordable Program Helps Homeowners in Bankruptcy

The Making Home Affordable Program is a critical part of the government's effort to stabilize the housing market and help struggling homeowners get relief and avoid foreclosure. The Program includes opportunities for homeowners in bankruptcy to modify their mortgage to make their payments more affordable through the Home Affordable Modification Program (HAMP).

Homeowners whose monthly mortgage payment exceeds 31 percent of their verified gross (pre-tax) income may apply for a HAMP modification before or after filing bankruptcy. To qualify for HAMP, a homeowner must:

- Own a one- to four-unit home that is their principal residence;
- Have received their mortgage on or before January 1, 2009;
- Have a mortgage payment (including taxes, insurance, and homeowners' association dues) that is more than 31 percent of the gross (pre-tax) monthly income;
- Owe an amount that is less than or equal to $729,750 on their first mortgage for a one-unit property (there are higher limits for two- to four-unit properties); and
- Have a documented financial hardship.

To apply for HAMP, homeowners must submit an initial package to their mortgage servicer, which includes:

- A complete Request for Mortgage Assistance (RMA)*
- A complete Tax Authorization Form (IRS Form 4506T-EZ).*
- Proof of Income.*

*These forms and a Proof of Income checklist are available on the Making Home Affordable Web site: www.MakingHomeAffordable.gov. Homeowners may also obtain copies of these forms from their bankruptcy trustee.

Mortgage servicers will determine whether homeowners qualify for a modification under HAMP. Homeowners who qualify must complete a trial period of three or four months to demonstrate that they will be able to make reduced payments on time before their mortgage will be permanently modified.

Homeowners should discuss HAMP with their bankruptcy attorney before making an application for a HAMP loan modification.

Please see www.MakingHomeAffordable.gov for additional details or call the homeowner's HOPE™ Hotline at 1-888-995-HOPE (4673) to speak with a free HUD-certified counselor in English or Spanish.

Beware of Foreclosure Rescue Scams. – Help Is Free!

- Beware of anyone who asks you to pay a fee in exchange for counseling services or "mediation" of a delinquent loan.
- Scam artists often target homeowners who are struggling to meet their mortgage commitment or are anxious to sell their home. Recognize and avoid common scams.
- Assistance from a HUD-approved counselor is FREE!
- Beware of people who pressure you to sign papers immediately, or who try to convince you that they can "save" your home if you sign or transfer over the deed to your house.
- Do not sign over the deed to your property to any organization or individual unless you are working directly with your mortgage company to lengthen your debt.
- Never make a mortgage payment to anyone other than your mortgage company without the mortgage company's approval.

Designated Agency Consent and Confirmation Agreement

(To be signed by Seller before reviewing offer and to be signed by Buyer before signing offer.)

The Buyer and Seller may be represented in a particular transaction by the same firm but only if the scope of the agency is limited by a written agreement and only with the express knowledge and written consent of both the Buyer and the Seller.

1. Seller and Buyer have previously been informed of the possibility of Designated Agency arising if a buyer and seller in a particular transaction are represented by different agents affiliated with the same firm. Disclosed Designated Agency occurs when the firm's principal and/or supervising broker elects to assign Disclosed Designated Agents to represent different clients in the same transaction. Seller and Buyer acknowledge and agree that the firm's principal and/or supervising broker and the Seller's Listing Agent and Buyer's Agent are undertaking a consensual designated agency representation in the sale of the above property. The firm's principal and/or supervising broker reserves the right to assign a Designated Agent other than the Seller's Listing Agent or Buyer's Agent. The principal and/or supervising broker will act as a Disclosed Dual Agent of both the Seller and Buyer clients.

2. Description of Agent's Role.
The Designated Seller's Agent and the Designated Buyer's Agent represent only the interests of their respective clients, and may therefore represent those interests fully. The Designated Seller's Agent and the Designated Buyer's Agent may not disclose, except to their principal and/or supervising broker personal or financial information received from the clients in the course of the agency relationship and any other information a client requests be kept confidential unless that information is required by law to be disclosed or the client consents to its disclosure in writing.

3. Firm's Principal and/or Supervising Broker's Role.
To ensure that the Seller's Listing Agent and Buyer's Agent can fully represent the interests of their clients, the principal and/or supervising broker will act as a Disclosed Dual Agent of both the Seller and the Buyer clients and as such will remain impartial to both the Seller and Buyer. As a Disclosed Dual Agent, the principal and/or supervising broker:

A. Must not disclose to either client or their representatives any personal, financial and confidential information known or obtained during the agency relationship, without the prior written consent of the party adversely affected by the disclosure.
B. Will treat the Seller and Buyer honestly.
C. May provide facts and choices to the Seller and Buyer and their Designated Agent.
D. May not advise the Seller or Buyer or their Designated Agents as to the terms to offer or accept in any offer or counteroffer; however may have advised one party as to such terms prior to the commencement of the Dual Agency.
E. May not advise the Seller or Buyer or their Designated Agents as to the suitability of the property or condition (other than to make any disclosures as required by law of any licensee representing a seller) or the repairs to make or request.
F. May not advise the Seller or Buyer or their Designated Agents should any dispute arise later relating to the transaction.

Nothing contained in this Agreement shall prevent the Disclosed Dual Agent from disclosing to the Buyer and the Seller any material adverse facts pertaining to the physical condition of the property actually known by the Disclosed Dual Agent or any other information that must be disclosed by law or regulation.

FRONT

Mr Hansen

Thanks you for [illegible] of the office landscaping [illegible] We are pleased to submit our [illegible] as agreed earlier

Since your available area is somewhat limited we suggest a modular layout. This concept emphasizes open communication and yet will provide for a modern pleasing atmosphere

Enclosed are two floor plans. The first one will allow you to keep your present furniture. The second was designed with the intent to that our new space saving modules be used. Notice that the latter will provide for more spacious accomodations and/or room for additional personnel. Also included are the specifications sheets for these products.

After you have had a chance to study our ideas, I would like to set up a meeting during October to discuss any further requirements. I will have my secretary make the arrangements. Please call me in the interim if you have any questions.

The Culture of Japan
Have you ever heard of Tanka?

Tanka is a traditional style of Japanese poetry, which is made up of 31 syllables (5-7-5-7-7). To use this style, poets must condense their feelings of love, yearning, admiration and longing for nature and life into subtle nuances and picturesque words. Because they must condense such strong feelings into such short simple forms, the selection of the appropriate Kanji or Hiragana (syllabify alphabet) has become an art from in itself. The more subtle or elegant the words the stronger and more vivid the readers' imagination.

Because of the nature of this style of poetry, and the close ties to the language and culture , Tanka has developed a simple elegant, classical style all its own.

People who read Tanka are free to let their imagination soar. The same Tanka may evoke different

Welcome to

Windows® Fax and Scan

One place to scan and fax your documents

FAX You can send and receive faxed documents on your computer without using a fax machine. You can also print, e-mail, or save a copy of your faxes.

To get started:

1. Connect a phone line to your computer.

   If your computer needs an external modem, connect the phone to the modem, and then connect the modem to your computer.

2. On the toolbar, click **New Fax**.

3. Follow the instructions in the setup wizard to connect to a fax modem, and then, when you're finished, create your fax.

To connect to a fax server instead of a modem, contact your system administrator. For more help with faxing, click the **Help** button on the toolbar.

SCAN After you add a scanner to your computer, you can preview documents or pictures before you scan them, and then adjust your scan settings for better results. You can also fax or e-mail scanned files to someone else.

To get started:

1. Connect your scanner to your computer by following the instructions that came with your scanner, and then place a document or picture on the scanner.

2. In Windows Fax and Scan, at the bottom of the left pane, click **Scan**.

3. On the toolbar, click **New Scan**.

4. Choose the scan settings you want to use, and you're ready to scan.

Use the options on the toolbar to fax, e-mail, print, or copy scans at any time. For more help with scanning, click the **Help** button on the toolbar.

AT&T U-verse High Speed Internet Installation: Internet access will be down for a short period of time during installation. All connections to computers need to be visible and accessible. If you are a current AT&T High Speed Internet member and are having AT&T U-verse High Speed Internet installed, your AT&T High Speed Internet service will end after AT&T U-verse is registered, but your email address will not change. Any unused portion of service will be credited to your prior AT&T High Speed Internet (DSL) account.

Additional Information

If you cancel all AT&T U-verse services within 30 days from service activation we'll adjust your initial installation charge(s), if applicable, and one month service charges, if paid. Some promotional rewards may not be available if you cancel this service within 30 days of activation or before your redemption is processed. Prices, programming and offers subject to change. Taxes, city video cost recovery fees and other fees additional.

If you have questions, you can find 24/7 support online at **att.com/uversesupport**, or you may call us at 1.800.288.2020 and say "U-verse technical support."

Thank you for being a valued AT&T U-verse member!

Your AT&T U-verse Team

U-verse price includes 250 GB of data per month. For more information, go to **att.com/internet-usage**

Strawberry Shortcake

By Nancy Harmon Jenkins

YIELD 4 generous servings **TIME** About 45 minutes

INGREDIENTS

2 pints ripe, well-rinsed strawberries

½ cup sugar or more to taste

4 cups flour

3 tablespoons sugar

¾ teaspoon salt

5 teaspoons baking powder

1 ½ cups butter

3 cups whipping cream

½ teaspoon vanilla extract

PREPARATION

Step 1

Pick over and hull strawberries. Cut in half or slice, depending on size. Gently crush about a quarter of the berries with a fork to release their juices. Mix with remaining berries and the 1/2 cup of sugar, adding more sugar if necessary. Set aside, covered, for about half an hour to develop flavor.

Step 2

Preheat oven to 450 degrees.

Step 3

Into a large mixing bowl, sift together flour, 3 tablespoons sugar, salt and baking powder. Add 3/4 cup of softened butter, and rub into dry ingredients as for pastry. Add 1 1/4 cups cream, and mix to a soft dough. Knead the dough for one minute on a lightly floured pastry board, then roll it out to about 1/2-inch thickness. Using a 3-inch biscuit cutter, cut an even number of rounds — a rounds per serving.

Step 4

Use a little of the butter to grease a baking sheet. Place half the rounds on it. Melt remaining butter and brush a little on the rounds; place remaining rounds on top. Bake for 10 to 15 minutes, or until golden brown.

Step 5

Remove from the oven, and pull shortcakes apart. Brush the insides with more of the remaining melted butter.

Step 6

Beat remaining cream until it thickens. Add vanilla. Beat again just until thick.

MFD ECOPY Test List

Use this checklist to perform the following tests on ECOPY enabled MFDs:

1) Open a Test Page in Word or WordPerfect. Select the Test MFD from the ECOPY home screen. Use default settings and scan the first page of the test document. Fax the first page to the fax machine connected to the tested MFD.
2) Print the ECOPY button on the MFD touch screen. Log into ECOPY with your AT Domain user ID and password.
3) Run a Scan-to-eMail test and send the Test Page from Step 1 to your e-mail box.
4) Run a Scan-To-Fax test and send the Test Page from Step 1 to your e-mail box.
5) Use the Document Assistant to fill in ECOPY fax and Test Page from Step 2 to the Expansion 2 box.
6) Send a fax from Step 1 to factory test at 1-866-330-1239. Please review the Journal Report (Fax Activity Report) to confirm the test fax sent was successfully received. It will appear as a small thumbnail image on the Fax Activity Report. Test Page 1 of 1 Fax Test Page (Do not discard above the correct test fax

Re: Employment Opportunity

Dear Sir or Madam,

I am a "high energy" team player, with an outstanding track record in project, operation and administration management. Presently, I am a full time sole-proprietor business owner. However, I am in the process of a career change, and scaling back my obligations as an entrepreneur business owner, to pursuing a career with an established organization that is capable of utilizing my extensive skill-set. My salary requirements are in the $55,000 to $65,000 range, with appropriate benefits.

If given the opportunity to join your team, I feel that the acquired knowledge I have gained from my past experiences, will allow me to make a forward contribution to your organization. I would greatly appreciate the opportunity of a personal interview. Please find my resume and references attached. If after reviewing my material you believe that there is a match, I can be contacted at (XXX) xxx-xxxx or by email, xxxXXX@yahoo.com. I look forward to hearing from you.

Thank you for your time and consideration.

Sincerely,

Don Juan Shawn

Presumably, you want to test your fax machine by sending a fax from it and receiving a fax with it. Here's how to do both.

To test the send functionality of your fax machine, send a one page fax to 1-888-877-1655 (a toll free number in the United States) When it's finished transmitting, point your web browser to Fax Toy — it's a fun web site that displays whatever is faxed to that number. Within a minute, your fax should appear on the site. Click the thumbnail to see a large version.

To test the receive functionality of your fax machine, point your web browser to FaxZaar. this site lets you send faxes for free to anywhere in the United States and Canada. Within a few minutes, your fax machine should ring — hopefully, it will automatically answer and spit out the test fax.

Let Peace Rule

And let the peace (soul harmony which comes) from the Christ rule(act as umpire continually) in your hearts--deciding and settling with finality all questions that arise in your minds And be thankful--appreciative...giving praise to God always.
Colossians 3 15

Have you been praying that God will let you know whether a certain action you want to take is agreeable to His will or not? Let this peace of Christ be your guide Let it help you settle the issue. If you start to take that act on and you realize you don t have peace about it don't do it.

Remember though, that this inner leading of the Holy Spirit this subtle sense of uneasiness or peace He gives you is something you have to watch and listen for carefully He generally won't just come up and knock you out of bed one morning and tell you what you need to do. The primary way He speaks to you is by what the Bible calls an inward witness

So you have to listen You can't just stay busy about the things of the world all the time. You have to give Him time and attention

Also watch out for strife if you're irritated and upset about things in your life it will be very hard to receive that quiet guidance from the Holy Spirit. So take heed to the instructions at the end of this scripture and "be thankful appreciative giving praise to God always " Maintain a thankful grateful heart You'll find it much easier to hear the "umpire of peace" when He makes a call

Scripture Reading Psalm 95:1-7

Name Christian Skill Connect the dots from a z

Abraham Lincoln as a Boy

Abraham Lincoln worked very hard. He helped his dad split logs to build their log cabin.

Brainwork! Draw a picture on the back of this paper of the log cabin that you think Abraham Lincoln and his father built.

Subject: Fw: Who Knew?

What is the main ingredient of WD-40 ?

Before you read to the end, does anybody know what the main ingredient of WD-40 is? Don't lie and don t cheat.

WD-40 Who knew! I had a ne ghbor who bought a new pickup. I got up very early one Sunday morning and saw that someone had spray painted red all around the sides of this beige truck (for some unknown reason). I went over, woke him up, and told him the bad news. He was very upset and was trying to figure out what to do probably nothing until Monday morning since nothing was open. Another neighbor came out and told h m to get his WD-40 and clean it off. It removed the unwanted pa nt beautifully and did not harm his paint job that was on the truck. I m impressed!

WD-40 who knew? 'Water Displacement #40' The product began from a search for a rust preventative solvent and degreaser to protect missile parts. WD-40 was created in 1953 by three technicians at the San Diego Rocket Chemical Company. Its name comes from the project that was to find a 'water displacement' compound. They were successful with the fort eth formulation, thus WD-40.

The Convair Company bought it in bulk to protect their atlas miss le parts. Ken East (one of the original founders) says there is nothing in WD-40 that would hurt you. When you read the 'shower door' part, try it. It's the first thing that has ever cleaned the ir spotty shower door. If yours is plastic, it works just as well as glass. It's a miracle! Then try it on your stove top. Viola! It's now shinier than it's ever been. You'll be amazed.

WD-40 uses

1. Protects silver from tarnishing

TEXAS WORKFORCE COMMISSION
FEDERAL INCOME TAX
VOLUNTARY WITHHOLDING REQUEST

You may choose to have federal income tax withheld from unemployment insurance (UI) benefits.

UI benefits are taxable under federal law. You can choose to have federal income tax withheld from your UI benefits before we send them to you. Withholding taxes is not required. Complete this form to start or stop withholding taxes from your UI benefits.

The UI benefits withholding rate is 10 percent of the gross amount of each payment. At the end of the tax year, the Texas Workforce Commission (TWC) sends you **Form 1099-G: Certain Government Payments, Statement for Recipient**. It displays the total amount of benefits we paid you and any taxes withheld. We send the same information to the Internal Revenue Service (IRS). Please contact the IRS about benefits taxation or withholding refunds.

If you want to start withholding, mark here.

☒ **I want TWC to withhold federal income tax from my unemployment benefits at a rate of 10 percent of the gross amount of each benefit payment.** I understand that withholding will begin when TWC processes my request.

If you chose to withhold taxes and wish to stop, mark here.

☐ **I want TWC to stop withholding federal income tax from my unemployment benefits.** I understand that withholding will stop when TWC processes my request.

Sign here and enter your Social Security number. *Complete the address portion, if a change is necessary.*

Social Security Number: 3 9 6 - 6 4 - 7 9 3 3

Signature: Craig R. Dary **Date:** September 7, 2012

Street Address: 5521 South Buckhorn Ave Apt. No

City: Cudahy State: Wisconsin Zip Code: 53110

Mail the completed form to:
Texas Workforce Commission
PO BOX 34810
San Antonio, TX 78265
Fax: (512) 322-2880

You may receive, review, and correct information TWC collects about you by contacting TWC Open Records at 1-866-274-3641.

Adobe Acrobat PDF Files

Adobe® Portable Document Format (PDF) is a universal file format that preserves all of the fonts, formatting, colours and graphics of any source document, regardless of the application and platform used to create it.

Adobe PDF is an ideal format for electronic document distribution as it overcomes the problems commonly encountered with electronic file sharing.

- *Anyone, anywhere* can open a PDF file. All you need is the free Adobe Acrobat Reader. Recipients of other file types are sometimes unable to open files because they don't have the applications used to create the documents.
- PDF files *always print correctly* on any printing device.
- PDF files always display *exactly* as created, regardless of fonts, software and operating systems. Fonts, and graphics are not lost due to platform, software, and version incompatibilities.
- The free Acrobat Reader is easy to download and can be freely distributed by anyone.
- Compact PDF files are smaller than their source files and download a page at a time for fast display on the Web.

THIS IS

NOT A TEST

Introduction

This document will assist you in testing your HP Fax machine using the HP Fax Test Service.

Print this document for easy reference by clicking the **Printable Version** link in the upper right corner of this page.

Test your fax machine

To test the capability of your fax machine, follow the directions below

NOTE: Be sure that your phone number is not Caller ID blocked by your telephone company prior to attempting to send and receive a fax. Pressing *82 before dialing the toll free number will unblock the Caller ID blocking feature in most areas. Other phone company services can prevent you from receiving a fax, including voice mail, call blocking, or call privacy features.

NOTE: Whenever troubleshooting a fax issue, it is good practice to set the *Automatic Reports* option to **Every Error** before attempting a test fax. This way even if the sent fax fails, an error code will be generated that will guide you in future troubleshooting. This option is available in different places on different products, consult the product *User's Guide* for specific steps.

1. Send a one page black and white test fax to **1-888-hpfaxme (1-888-473-2963).**

2. When your fax is received by the HP **Test** Fax **Service**, we will generate a return fax to you within five minutes confirming that we received your fax. This verifies that you can both send and receive a fax with your fax machine. If you do not receive a return fax within 5-7 minutes, there may be a problem with the setup of your fax machine. Consult the user manual that came with the product for proper setup and configuration

NOTE: The most common cause of fa lure is that the fax number set in the Fax Header on the machine does not match the number of the phone line connected to the fax. Also ensure that the fax header contains the full 10-digit telephone number of the fax machine, including the area code.

For more information or assistance, click **Contact HP** at the top of this page.

MammaPrint Result — Low Risk

[redacted] outcome of the MammaPrint 70 gene expression profile. The MammaPrint result is calculated from a combined index termed [redacted] Risk of Distant Cancer Recurrence and is classified Low Risk, which means the patient's chance [redacted] is considered high risk. For a breast cancer patient, Low Risk indicates an average 10-year distant metastasis-free survival [redacted] 95% when [redacted] treatment, while High Risk indicates an average 10-year DMFS rate of 71% without any systemic adjuvant treatment.

Additional Comments:

Assay Description

[redacted] validated 70-gene signature MammaPrint assay for patients of all ages with invasive breast cancer, whether tumor or lymph node negative status (LN-/+), provides the U.S. patients that has acquired an additional clearance in compliance with [redacted] for fresh and formalin fixed paraffin-embedded (FFPE) tissue cancer tissue for patients with up to 3 positive lymph [redacted] Breast cancer patients. The test is performed using a microarray-based gene expression profile that was independently [redacted] on an [redacted] dataset known. An unbiased, supervised analysis of the entire human genome, 25,000 genes, followed by a leave-one-out cross-validation procedure, revealed the 70 critical genes that distinguish patients as High Risk vs. Low Risk of metastasis. Therefore the MammaPrint result provided [redacted] prognostically validated, statistically significant, additive information to physicians to help them decide on treatment in early stage breast cancer patients.

Based on the analytical performance of MammaPrint, the precision of classifying a sample as High Risk or Low Risk is 99% for fresh and 97.7% for FFPE, and the repeatability of the microarrayed is 99% for fresh and 97.8% for FFPE. Furthermore, when a fresh sample's MammaPrint Index (MPI) falls within a pre-defined area, whereby the classifications will fall between [redacted] 0.0073 and +0.0073, the classification accuracy is more than 90%.

MFD ECOPY Test List

Here is a quick list of functions to test on ECOP enabled MFD's.

1) Press the ECOPY button on the MFD touch screen. Log into ECOPY with your NT Domain user ID and password
2) Run a Scan To-Self test and send any image to your e-mail box
3) Use the 'Expense feature within ECOPY to transmit any image to the iExpense mailbox.
4) Send outbound fax to faxtery net at 1-888-877 1655 from the MFD. Please view the inbound faxes at faxtery net to confirm that the test fax sent was successfully received. It will appear as a small thumbnail image on the faxtery net web page if sent successfully
5) Send inbound fax from faxzero.com to the MFD being tested. Fill in all required fields on the faxzero fax form especially the fax number. Please coordinate this with a second party the sending PC is not at a nearby location. Please confirm that the fax is received at the device

Please record the results below.

MFD Print Queue Name	Avista-03_MFD-04
MFD Hardware Model	4045
Physical Location	

Initials	Description
	Scan to Self testing completed
	Outbound Fax testing completed
	Inbound Fax testing completed
	iExpense testing completed

Please fax or e-mail the above check list to Rhonda Hill (rhrk@visa.com) and Jonathan Salazar (jonsalaz@visa.com) when completed

VATANDOSH
UZBEK-AMERICAN
FEDERATION

Cultural & Community Center
2667 Coney Island Ave. Brooklyn, NY 11223 - T:212 372 3060
www.vatandosh.org • info@vatandosh.org

"Vatandosh" O'zbek-Amerika Federatsiyasi notijorat tashkiloti bo'lib Amerika Qo'shma Shtatlarida istagan mat-q luvchi o'zbekistonliklar jamiyati hisoblanadi.

Vatandoshlar tarmoq ijtimoiy, iqtisodiy va madaniy jihatdan qo'llab-quvvatlash, ularning huquq va erkinliklarini himoya qilish o'zbek milliy qadriyatlari, urf-odatlarini asrab-avaylash, o'zbek tilini o'rgatishga qaratilgan.

Bu tug jamoat tashkilotini tuzish federatsiya o'z oldiga qo'ygan muhim maqsadlar hisoblanadi.

Federatsiyaning yuqorida bitta ulangan umumiy maqsadlar doirasida amalga oshiradigan asosiy vazifalari quyidagilardan iborat:

- Vatandoshlar o'rtasida milliy, madaniy mehrni tarbiyalash;
- Amerikaga kelgan hamyurtlarimizning ushbu mamlakat jamiyatiga moslashuviga ko'maklashish;
- Milliy bayramlar munosabati bilan keyilva, bayram mavzularini o'tkazish, vatandoshlar uchun uyin tashkil etish;
- Yosh vatandoshlarimizning turmush qurishlariga ko'maklashish;
- Vatandoshlarimiz qiyin ahvolga tushib qolgan (sog'liq, o'lim yoki huquqiy muammolar bilan bog'liq) hollarda ular uchun zaruriy mablag'lar yig'ish va bu mablag'larni maqsadli sarflash cho qilarni ko'rish;
- O'zbek tili, madaniyati, tarixi va urf-odatlarini AQShda targ'ib qilish dasturlarini
ishlash;
- Til kurslarini tashkil qilish;
- Milliy san'atkorlarga dasdan ko'rsatishlar tuzish;
- Ularga o'zaro tanishtirishlarga, Amerikadagi vatandoshlar fuqarolarga xizmat qiladigan boshqa madaniy-ma'rifiy faollari tashkil kiradi.

Federatsiya o'z faoliyatida qonuniylik, oshkoralik va o'zaro hurmat prinsiplari asosida ish olib boradi. Federatsiya o'z a'zolaridagi mablag'larni oshkora, shaffof tasarruf etadi. Federatsiya yig'gan mablag'lar va ularning sarfi haqidagi axborotni o'z rasmiy saytida e'lon qilib boradi.

Biz barcha vatandoshlarimizni federatsiyaga a'zo bo'lib, uni birgalikda mustahkam yo'lidagi sayi-harakatda faol ishtirok etishga chaqiramiz.

Physical Network Security Solutions

RJ45 Plug Lock-In Device

Now Compatible with Category 6A (10GigaBit) Patch Cords

The RJ45 plug lock-in device is an innovative solution that secures copper data networks from unauthorized connections, moves, additions and hardware tampering due to theft. The versatile design works with most existing patch cords, faceplates, jack panels, IP cameras and other IP devices. It is also compatible with VoIP phones helping to prevent unauthorized removal and ensure LAN continuity.

Key Features	Benefits
Removal-resistant	Prevents unauthorized removal of cable. Engineered with [illegible] cable [illegible]
Compact design	Can be installed without interfering with adjacent cords and plugs even in high-density applications
Installation/removal tool	Allows quick installation/removal of device without damaging the device or physical security
Color-customized	Ensures color-coding for visual identification of applications or network zones

Installation and Removal Instructions

To install the device onto plug, insert the tool into the opening on the device. Push the tool into the device. Release the tool to original position and remove it.

To install the device onto the jack, insert the tool into the opening on the device. Push the tool into the device. Release the tool to original position and remove it.

To remove plug from jack, insert the tool into the opening on the device. Push the tool into the device. Release the tool to original position and remove it.

Subject: The Preparatory Early Learning Center Staff who will be attending the April 13th CDA professional training being held at Sunshine Learning Center.

Ms. Crews,

Per our conversation regarding the names of our staff who have expressed interest in participating in your CDA professional training, I am forwarding information requested by you for officially placing our staff on your list of interested person for taking the class. Please feel free to follow up with them directly should you have questions and or need additional information from them. Staff have been informed about the $25.00 registration fee, the cost for the book being $47 and were informed to bring a copy of their diploma and two copies of their diploma/degree

List of Staff:

1. Deborah Hill
   2035 38th St. SE
   Washington DC 20020
   202 240-383 5807

2. Sharon Wheeler

Important Information About Your Rewards Program

With your Blue Cash from American Express Card, you earn a reward based on a percentage of the dollar amount of eligible purchases you make each billing period. On purchases in certain categories, called *Everyday Purchases*, you can earn a higher percentage reward. **We are making changes to the *Everyday Purchases* on which you can earn higher percentage rewards. These changes are summarized below.**

Effective with billing periods beginning on or after **May 1, 2013**, to earn higher percentage rewards for *Everyday Purchases*:

At supermarkets	The supermarket must be located in the United States. (Superstores and warehouse clubs are not considered supermarkets.)
At gas stations	The gas station where you purchase gasoline must be located in the United States. (Superstores, supermarkets and warehouse clubs that sell gasoline are not considered gas stations.)
At drugstores	The drugstore must be included on our list of select drugstores, which is available at americanexpress.com/rewards-info, and must be located in the United States.

Please visit americanexpress.com/rewards-info for more information about rewards.

We determine if purchases qualify as *Everyday Purchases* by using merchant codes. Each merchant is typically assigned a code based on what they primarily sell. A purchase will not qualify as an *Everyday Purchase* and will not earn a higher percentage reward if the merchant uses a code that is not eligible to qualify as an *Everyday Purchase*.

See the changes to the Supplement to your Cardmember Agreement on the reverse side of this page.

This is a test!!

'Daily Show' viewers ace political quiz

Survey reveals late-night TV viewers better informed

By Bryan Long
CNN

(CNN) -- So three guys are watching TV

One tunes in Jay Leno. One tunes into David Letterman. And the other watches Joe Stewart.

Who's better informed politically?

In a recent survey viewers of Stewart's "The Daily Show" on Comedy Central tested better than Letterman and Leno viewers on a six question politics quiz. *(How do you stack up? Take the quiz and compare your score.)*

Viewers of all three shows knew more about the background of presidential candidates and their positions on issues than people who don't watch late-night TV.

On top of that, "Daily Show" viewers knew more about election issues than people who regularly read newspapers or watch television news, according to the National Annenberg Election Survey. (Pop quiz)

Dannagal Goldthwaite Young, a senior research analyst at the Annenberg Public Policy Center of the University of Pennsylvania, said "Daily Show" viewers came out on top "even when education, party identification, following politics, watching cable news, receiving campaign information online, age and gender are taken into consideration."

The quiz was given to 19 013 adults between July 15 and September 19.

The quiz included these questions:

"Who favors allowing workers to invest some of their Social Security contributions in the stock market?" Answer: Bush.

"Who urges Congress to extend the federal law banning assault weapons?" Answer: Kerry.

While viewers of NBC's "The Tonight Show" and CBS's "The Late Show" scored better than the general public, Stewart's fans came out on top.

Leno and Letterman viewers scored 48 percent on the quiz. But "Daily Show" viewers scored 80 percent on average.

Scores were even lower for those who read a newspaper or watch network news four days a week.

Comedy Central was waiting for news like this. On September 17, Stewart appeared on Bill O'Reilly's "The O'Reilly Factor" only to be told his viewers are "stoned slackers" and "dopey kids."

"You know what's really frightening?" O'Reilly asked Stewart. "You actually have an influence on this presidential election. That is scary, but it's true."

Comedy Central used its viewers' bold letters Tuesday to strike back at Fox News Channel and O'Reilly's viewers.

It also trotted out stats from Nielsen Media Research to show that Stewart's viewers are not only smart, but more educated than O'Reilly's.

"Daily Show" viewers are 78 percent more likely than the average adult to have four or more years of college education, while O'Reilly's audience is only 24 percent more likely to have that much schooling.

Plus, the network noted, "Daily Show" viewers are 28 percent more likely to have a household income more than $100 000, while O'Reilly's auditence is only 11 percent more likely to make that much money.

So the guy watching Stewart may not only be smart, but may also be rich.

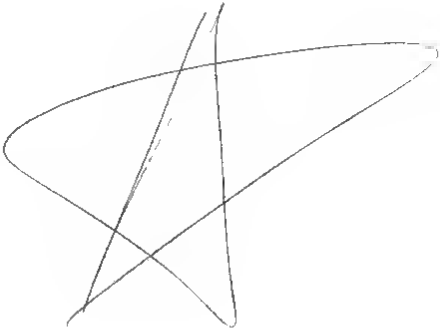
TEST



NAME Bethany Scott Class. _____ Date. Feb 1 2018 ID A

rade 12 Take Home Worksheet

lodified True/False

dicate whether the sentence or statement is true or false. If false, change the identified word or phrase to make the tence or statement true.

ISOTOPES 1 Atoms of the same element with the same number of protons but a different number of neutrons are called *isomers*.

T 2 The electrons in the outermost *s* and *p* orbitals are called *valence orbitals*. valence electrons

F 3 Electronegativity is a measure of an atom's ability to *attract a shared electron pair* when it is part of a covalent bond with another atom.

F 4 If an acid has the formula CH_3COOH then its *conjugate base would be* CH_3COO^-

Multiple Choice

Identify the letter of the choice that best completes the statement or answers the question.

5 In looking at the periodic table, the following information would be found about nitrogen

$_7N$

From the above, it can be determined that an atom of nitrogen has the following characteristics

a. it has 7 protons, 14 neutrons and 7 electrons
b. it has 7 protons in the first energy level and 5 protons in the second energy level
c. it has an atomic mass of 14 atomic mass units and 7 electrons
d. it has 7 neutrons and 4 electrons
e. it has an atomic number of 14 and contains 7 protons

B 6 Which of the following is the essential characteristic of a polar molecule?

a. contains double or triple bonds
b. is formed at extremely low temperatures
c. contains ions as part of the structure
d. has an asymmetrical distribution of electrical charge
e. contains the element oxygen

7 One of the ways organisms maintain a stable internal environment (homeostasis) is to use buffers to keep the *pH* of their body fluids within narrow limits. A biology student mixes 200 mL of a buffered solution with a pH of 4 (solution X) with 200 mL of a base (solution Y). After mixing, the pH of the resulting solution (solution Z) was found to have risen to 5. Which of the following statements can be made about the experiment described?

I. solution Z contains more hydroxyl ions per unit volume than solution Y
II. there were 10 times as many hydronium ions in solution X per unit volume as in solution Z
III. solution Z contains a higher concentration of hydronium ions than solution Y
IV. solution Y used up all of the buffering action of solution X
V. the pH of solution Z was 5

a. I, II, III, IV and V
b. II, III, and IV only
c. III and IV only
d. I, II and V only
e. II and IV only

Cholesterol Crusher Blast!

Reduce cholesterol the natural way with this tasty concoction!

- 1 cup of water
- 1 cup frozen blueberries

hp ePrint

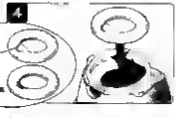
Hi duck duck duck

To Assemble (continued)

2 Install adapter ring B C
Align the front of the adapter ring to the front of the base as shown **(Figure 2)**. Press the four adapter tabs completely into holes of base

3 Install cup C
Insert the cup and fit a potty with the lifting tab at the front **(Figure 3)**.

4 Install foam seat D
Flip the foam seat as needed. For a boy, the deflector shield should face up **(Figure 4)** Place foam seat in cup



5 Install lid A
Locate the holes at the back of the base. Insert the hinge pin at an angle into one hole, then rotate and push the other hinge into the other hole **(Figure 5)**.

To Use

Normal use Lift lid and assist child to sit on potty

To empty potty Remove the foam seat and cup from potty. Empty cup into adult toilet. Clean foam seat and cup thoroughly. Place cup and foam seat back in potty

To clean Clean the potty and the soft foam seat on a regular basis with a soft cloth, wiping the foam seat ring surface with warm soapy water. Wipe down all parts of the potty

To use as step stool Close the lid and use as a step stool anytime

Para armar (continuación)

2 Instala el aro adaptador B C
Alinee el frente del aro adaptador con el frente de la base, como se muestra **(figura 2)**. Presione las cuatro lengüetas del adaptador para encajarlas por completo en los orificios de la base.

3 Instale la taza C
Inserte la taza en el orinal con la aleta de extracción hacia el frente **(Figura 3)**

4 Instale el asiento de espuma D
Voltee el asiento de espuma según resulte necesario. En el caso de los varones, el protector contra salpicaduras debe quedar hacia arriba **(Figura 4)**. Coloque el asiento de espuma en la taza.

5 Instale la tapa A
Alinee que los orificios en la parte posterior de la base. Inserte la clavija de la bisagra en un ángulo e inclínelo en ángulo, y luego gire y empuje la otra bisagra en el otro orificio **(figura 5)**.

Cómo utilizar

Uso normal Levante la tapa y ayude al niño a sentarse en el orinal.

Para vaciar el orinal Retire el asiento de espuma y la taza del orinal. Vacíe la taza en el inodoro. Limpie completamente el asiento de espuma y la taza. Vuelva a colocar la taza y el asiento de espuma en el orinal.

Para limpiar Limpie el orinal y el asiento de espuma blanda regularmente con un paño suave, pasándolo por la superficie del aro del asiento con agua jabonosa tibia. Limpie todas las partes del orinal.

Para utilizar como banco Cierre la tapa y utilice el producto como banco en cualquier momento.

To Transition to the Toilet

- Remove the foam seat and cup from potty
- Pull adapter ring out of the base of the potty **TIP:** You may need to turn potty upside down and press the tabs to ease adapter ring out of potty
- Place adapter ring and foam seat into adult potty. Press down to snap in place

Transición al inodoro

Retire el asiento de espuma y la taza del orinal

- Retire el aro adaptador de la base del orinal. **CONSEJO:** Para facilitar el retiro del aro adaptador del orinal, posiblemente deba dar vuelta el orinal y presionar las lengüetas.
- Coloque el aro adaptador y el asiento de espuma en el inodoro. Presione hasta oírlos y se encajarán en posición.

Thanks for selecting INSight.com as your partner.

NOTE: Helicopter only moves up, down and sideways.

NOTE: If normal function of the product is disturbed or interrupted, strong electro-magnetic interference may be causing the issue. To reset product, turn it completely off, then turn it back on. If normal operation does not resume, move the product to another location and try again. To ensure normal performance, charge the batteries, as low batteries may not allow full function.

For further questions and problems, please visit our website **www.alrhega.com**

Safety Precautions

Keep hands, hair and loose clothing away from the rotors when power switch is thumb. Turn off controller/charger and helicopter when not in use.
Remove battery from controller/charger when not in use.
Parental guidance is recommended for this item.
Keep your helicopter in your sight so that you can supervise it at all times.

Keep the product complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) The device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation. This equipment has been tested and found to comply with the limits for Class B digital devices pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in radio communications. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instruction, may cause harmful interference to radio communications. If this

How to obtain interference to radio or television reception (you can check this by turning the equipment off and on): Interference to the radio or television reception which can be found by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: Reorient or relocate the receiving antenna. Increase the separation between the equipment and the radio or TV. Connect the equipment to an outlet on a circuit different from that to which the radio or TV receiver is connected. Consult the dealer or an experienced TV radio technician for help. NOTE: Changes or modifications to this unit, including but not limited to, replacement of any transmitter component (crystal, semiconductor, etc.) could result in a violation of FCC class A/B rule. It's and/or its and must be expressly approved by Spin Master Ltd or may could void the user's authority to operate the equipment.

CANADIAN Class B statement: This Class B digital apparatus complies with Canadian ICES-003.

Care and Maintenance

Always remove batteries from the toy when it is not being used for a long period of time. Recharge batteries only.

Wipe the toy periodically with a clean damp cloth. Keep the toy away from direct heat. Do not submerge the toy in water. The damage the electronic components.

BATTERY SAFETY INFORMATION:

Requires 1 3.7V AA alkaline batteries (not included).
Batteries are small objects.
Replacement of batteries must be done by adults.
Follow the polarity (+/-) diagram in the battery compartment.
Promptly remove dead batteries from the toy.
Dispose of used batteries properly.
Remove batteries for prolonged storage.
DO NOT incinerate used batteries.
DO NOT dispose of batteries in fire, as batteries may explode or leak.
DO NOT mix old and new batteries or types of batteries (i.e. alkaline/standard).
DO NOT use rechargeable batteries.
DO NOT recharge non-rechargeable batteries.
DO NOT short-circuit the supply terminals.

Your Shredmaster™ is equipped with a Lithium Polymer Battery

SAFETY, USE AND BATTERY INSTRUCTIONS:

Never charge battery unattended.
Charge battery for limited time. Keep away from flammable materials.
Do not expose to direct sunlight. There is a risk of the batteries exploding, overheating or ignition.
Do not disassemble, modify heat, or short circuit the batteries. Do not place them in fire or water.
Do not drop or subject to strong impact.
Do not allow the batteries to get wet.
Only charge the batteries with the batteries Spin Master™ battery charger. Only use the batteries in the device described by Spin Master™.
Carefully read the instruction guide and use the batteries correctly.
In the unlikely event of leakage or explosion use avoid or a chemical fire extinguisher for the battery.
Batteries must be recycled or disposed of properly.

⚠ CAUTION: Do not use projectiles other than those provided with this toy.

Note:
Battery replacement is recommended when installing or replacing batteries.
Under the environment with electrostatic discharge, the toy may malfunction and require user to reset the toy.

Repair Note or Safety

Regularly batteries for damage in the plug, enclosure and other parts. In the event of any damage, the toy must not be used with the controller/charger until the damage has been repaired.
This toy is not intended for children under 3 years old
The toy must only be used with the recommended controller/charger
Do not toy by charge other batteries with controller/charger

Battery requirement for Shredmaster™:

Power Supply: 3.7V, 1.6W
Batteries: 1 x 3.7V Li-Poly Rechargeable Battery Pack
Requires 1 x 3.7V Li-Poly Rechargeable Battery Pack (included)

Battery requirement for Controller/charger:

Power Supply: 4.5V
Batteries: 3 x 1.5V AA/LR6/AM3
Requires for 3 x 1.5V AA/LR6/AM3 batteries (not included)

PRODUCT BATTERY REMOVAL INSTRUCTIONS:

Internal battery or battery cavities: product disassembly and battery removal must be performed by an adult. Do not puncture, cut, use compress or deform product during disassembly. Prevent product is turned off then. Use a screw driver to remove all screws. Carefully remove body halves to expose internal electronics. When battery is should in its entirety use scissors or cut a single battery wire, when battery is cut. Do not wire or with liquids should is. Prevent until all battery wires are cut and isolated, and the battery is free from the rest of the product. Disposal of battery in accordance with your local battery recycling or disposal laws. NOTE: Cutting of product and/or removal of battery will render product inoperative and void manufacturer warranties, dispose of remaining product components in accordance with local laws.

Warning: Choking Hazard - Small Parts.

T Cooking

Crisp Chicken Schnitzel With Lemony Herb Salad

By Melissa Clark YIELD 3 to 4 servings TIME 30 minutes

INGREDIENTS

6 anchovy fillets

1 small garlic clove

Kosher salt

Freshly ground black pepper

Finely grated zest of 1 lemon

2 ½ tablespoons fresh lemon juice

7 to 8 tablespoons extra virgin olive oil, to taste

2 eggs, beaten

1 ½ cups panko or other unseasoned bread crumbs

½ cup flour

¼ teaspoon cayenne

¼ teaspoon freshly grated nutmeg

1 ¼ pounds chicken cutlets pounded to 1/8-inch thick

Safflower, peanut or vegetable oil, for frying

2 quarts mixed baby greens

2 cups soft herb leaves, like a combination of mint, tarragon, basil, parsley, cilantro, chervil, chives (try to use at least 3 kinds)

1 scallion, thinly sliced, including greens

PREPARATION

Step 1

Mince anchovies and garlic and mix with a large pinch of salt until you get a rough paste. Put it in bowl and whisk in the lemon zest, juice and another pinch of salt and some pepper. Slowly drizzle in the olive oil.

Step 2

Place eggs in one shallow dish, bread crumbs in another, and flour mixed with cayenne and nutmeg in a third. Season chicken cutlets generously with salt and pepper.

Step 3

Heat 1/8 inch oil in a large skillet. While oil heats, dip cutlets one by one into flour (shake off any excess), then into eggs (twirl) and finally into the bread crumbs, taking care not to handle chicken more than necessary (hold meat by ends).

Step 4

When oil ripples when a pinch of bread crumbs is thrown in and a chicken cutlet (or two if your skillet is large, leave plenty of room around them). Swirl pan so oil cascades over top of cutlet in waves. When bottom is golden brown, about 3 minutes, flip and brown the other side, swirling pan (swirling helps create air pockets, giving you lighter schnitzel). Transfer to a paper towel-lined baking platter or baking tray and sprinkle with more salt. Repeat with remaining chicken.

Step 5

Toss salad greens and herbs with just enough anchovy-lemon dressing to lightly coat them. Divide salad on serving plates and top with schnitzel. Drizzle with more dressing and garnish with scallions.

LT SERIES GEN II SMALL BLOCK CHEVROLET INFORMATION

The LT1 series Gen II small block Chevrolet is very similar to the standard small block. They use s milar internals, exhaust manifolds and oil pans. The main difference in the LT1 is the reverse cooling dsaign, which cools the cylinder heads f rst, then the block. Because of this, there is no water that passes through the intake manifold. Coolant s transferred from head to head by a steam line on the back of heads. The thermostat is located on the water pump. Also the water pump is cam-driven rather than belt driven. In 1996 an LT4 was available in the Corvette. This LT4 had the same features as the LT1 but had larger valves, longer intake ports that were located h gher and an intake to match. The LT4 also came with a more aggressive cam to enhance the better heads.

Hello

PREMIER CIRCUIT

FIRST DAY

Forenoon	Don Austin, who introduced the Gumps to the movies, now brings them to Chautauqua. Admission 50c
Evening	"The Gump Revue" with Don Austin, Mrs. Don and a clever accordion artist in a nonsensical ha[illegible]-keep. Lecture—"Our Good Bad Boys."—Edgar S. Kelley. Admission 50c

SECOND DAY

Afternoon	A South Seas program with all the charm and witchery of the "Paradise of the Pacific."—Vierra's Hawaiians. A journalistic humorous slant on every day affairs.—John M. Henry. Admission 50c
Evening	"A Night in Hawaii"—The most ambitious spectacle ever attempted in Chautauqua. Admission 75c

THIRD DAY

Afternoon	A clever 1920 Concert.—John Ross Reed Co. Admission 50c
Evening	Beautiful Schubert Musical Comedy Sketch—John Ross Reed Co. Headline Address "The Inconceivable Lie"—Private Peat. Admission 75c

FOURTH DAY

Afternoon	Harmonica concert for the Kids—Bob Eal on the [illegible]. Continued songs from "The Vagabond King"—Lecture Recital "Ben Hur"—Arthur MacMurray. Admission 50c
Evening	"SKIDDING"—Straight from Broadway. Admission $1.00

FIFTH DAY

Afternoon	Songs of the Steppes and the Russian Rivers—The Cossack Chorus. "Main Street Smile" program—Lura Forbes. Admission 50c
Evening	Gorgeous Singing Pageant and Entertainment Supreme—The Cossack Chorus (greatest singing organization on tour) assisted by Lura Forbes. Admission 75c

SIXTH DAY

Afternoon	Demonstration—"The Potter and the Clay"—Smith Dauron the potter craftsman. Admission 50c
Evening	"The Detour" A great comedy success. Admission 75c

Afternoon program at 3:00 P. M. and evening program at 8:00 P. M. unless otherwise advised. No Sunday program

Don Austin [animator of the Gumps] and his "Gump Revue"

The Gumps are coming to Chautauqua. They are being brought by their movie dad Don Austin who has made them famous round the world in the pictures. It was while convalescing from war wounds that Don Austin conceived the idea of putting Sid Smith's Gump family into the movies. It was a great success—now he is doing the same thing for Chautauqua.

He draws some of the entertaining "Gump" comedies on three large easels before the audience while two attractive ladies (one of them Miss Austin) add captivating musical spice to the program with piano and accordion.

It falls to the lot of Don Austin and his "Gump Revue" to open the big assembly this year—and he does it in a way that no former Chautauqua has been opened. It's brand new and universally pleasing.

Troubleshooting Steps

The steps below will help you resolve common faxing problems

- Switch off fax machine and unplug power adapter from device and from wall outlet.
  - Let fax machine remain off for 60 seconds
- Try a different phone cord between the fax machine and the Vonage device
- Eliminate any splitters between the fax machine and the Vonage device
- Connect Fax machine directly to the Vonage device, bypassing any home wiring.
- If using an All-In-One device, temporarily disconnect device from PC

Fax Settings

Reference your Owner's Manual for help adjusting the settings below

ECM (error correction mode)	Off
Baud Rate	9600
International	On (this is set on a per-call basis)
Resolution	Standard
Answer Mode	Fax Only
Rings to Answer	Zero (0)
Call Waiting	Off
Bandwidth Saver	High (90 kbps)
Distinctive Ring	Off

Troubleshooting Steps

The steps below will help you resolve common faxing problems.

- Switch off fax machine and unplug power adapter from device and from wall outlet.
  - Let fax machine remain off for 60 seconds.
- Try a different phone cord between the fax machine and the Vonage device
- Eliminate any splitters between the fax machine and the Vonage device
- Connect Fax machine directly to the Vonage device bypassing any home wiring.
- If using an All-In-One device, temporarily disconnect device from PC

Further Assistance

If you need further assistance using your Vonage Fax Service we are always available to help.

Call us at 1-VONAGE-HELP (1-866-243-4357) or visit **www.vonage.com**

[illegible]

[illegible]

29.4.1 FORCE_ALERT Message (Function Code 0x0409)

Command Class = 0x06	Command Type = 0x0A	Function Code = 0x0409
Configuration = Device Level	Configured as Change	FORCE_ALERT

The FORCE_ALERT command generates an alert error condition in the device. This can be useful for testing Host error condition handling, and also in preparation for a Coredump in when the device did not signal a fatal alert message.

The FORCE_ALERT command can be used to generate a "fatal alert" that will flush the ARM caches, and also save ports of key log data that would otherwise be lost during the Coredump process (that is, during RESET) when using CSM_ENCAPS control.

This command takes a single **16** bit parameter, which specifies the Alert Type generated by the device. When preparing for a Coredump, it is recommended to use Alert Type 0x0004, which generates a data abort. (Alert Types are described in the Section 29.4, Alert Diagnostic Indication Format, on page 526.)

Parameter 1 (FETD Word 4): Alert Type to be generated

Field Word	Bytes (bits)
4	Bits [15:0]: Alert Type to be Generated Alert Type 0x0004 (data abort) is recommended for Coredump

29.5 Diagnostic Output Paths

Diagnostic messages and responses can be transferred between the MSP Device and the Host using the PCIe/PI interface or the PMMI E Hamet Interface (using Open Diagnostics and CSM_ENCAPS).

Open diagnostics have the ability to be redirected to a different output. Redirection can reduce the load for a Host to recognize, store and capture debug information when needed. With redirection, the diagnostics can be redirected to EU kernel (for instance, where the debug information will be automatically routed to a designated printer.

- Path 1, REDIRECT OVER CSM_ENCAPS or REDIRECT OVER IP/UDP
- Path 2, PCIe/IP

29.5.1 Sequence for Configuring Unified Diagnostic Commands Example

- SET_TDM_PARAMS – Device Level Configuration first
- SET_ETH_HDR_DEVICE – MSP Device Source MAC Address
- IP_SERVICE_CFG – required before SET_IP_HDR command and,
- IP_ADDRESS – MSP Device Source IP Address.
- ARP_SERVICE_CONFIG – option for Host.
- NIF_SELECT – NIF of Ethernet interface to which Open Diagnostics be redirected
- **REDIRECT OVER CSM_ENCAPS** or **REDIRECT OVER IP/UDP**
- SUPVSR_CREATE_CHANNEL

After the SUPVSR_CREATE_CHANNEL command, the "Enable diag" commands can be issued before or after enabling Voice (VOPENA) on a specific channel. If traces are required from the beginning of a voice call, the "Enable diag" command must be sent before enabling voice on a specific channel.

Benefits

- **Proactive planning and inventory coverage**
- **Timely alerts on zero & low stock items**
- **Near real-time visibility on parts consumption, even for missing bailment forms**
- **Minimize/Eliminate AOG requests**
- **Minimize/Eliminate Financial Write-Offs**
- **Minimize administration efforts of both GoJet & THALES.**
  - > Automatic validation when replenishment part received on shelf
  - > Missing units/bailment form issues can now be resolved within 24 hours
    - Eliminate long and painful reconciliation efforts on both ends
- **Ensure complete alignment of inventory between GoJet & THALES at all times**

TENNESSEE ORTHOPAEDIC ALLIANCE

OFFICE NOTE

Patient Name: Test, Test
DOB: 1/1/1980
Acct. Number: 123149
Provider Name: John Doe, M.D.

DOS: 12/10/2015
JOB: 2655

HISTORY 48 year old man. A neighborhood cat bit him two days ago. It bit him in the left hand. His pain has gotten worse over the last 48 hours. He is very tender at his MCP joint which is actually why he came in.

PAST MEDICAL HISTORY Has chronic low back pain

FAMILY HISTORY noncontributory

REVIEW OF SYSTEMS noncontributory

SOCIAL HISTORY noncontributory

SURGICAL HISTORY noncontributory

ALLERGIES Keflex. This is a GI problem. He has had lumbar laminectomies, right shoulder, tendon and epididymal hernia repair.

PHYSICAL EXAM There is no lymphangitis. He has puncture wounds on the forearm which are minimally involved. Dorsum of the hand is involved. MP joint is very tender at the index. Cellulitis is not particularly bad.

X-RAYS: AP, lateral and obliques of the hand are normal.

CLINICAL IMPRESSION Cat bite infection.

TREATMENT Rocephin at clinic has been started now on Augmentin. Return in 24 hours.

Features

8. The employee agrees that his/her name may be listed in NSU publications such as the website, catalogs, etc.
9. Failure to return the signed contract shall be regarded as non-acceptance of the conditions of the contract/addenda unless the designated NSU administrator has agreed in writing to other terms

College/Center Addenda

10. Employees are required to submit an electronic copy of the course syllabi to the appropriate coordinator or assistant director no later than 30 days prior to the first class meeting date.
11. Employees are required to submit final grades through the NSU Webster system no later than five working days following the final class meeting date (including date of final exam, if administered)
12. Employees are required to utilize proper grading standards, as noted in the Farquhar College of Arts and Sciences Faculty Handbook. In particular, a grade of "incomplete" may not be issued unless the student, instructor, AND academic director have signed a contract for incomplete. All instructors must comply with federal requirements to protect student academic privacy (FERPA) as noted in the NSU Faculty Handbook
13. Employees are required to post a "Last Date of Attendance" in the NSU Webster system for all students who stop attending prior to the last date of class
14. Employees may request classroom materials and multimedia support through the academic division. Employees may not change classroom locations without formal permission and review by the director of the academic division
15. Employees are expected to be present for all scheduled class sessions and for the time scheduled. Employees must report personal absences from class to the director of the academic division in advance of the absence
16. Employees are expected to report student enrollment problems to the academic division director (or designee). Student enrollment problems include: students in class who are not on the official roster and students on the official roster who have not shown up for class. Employees may not allow students to join class if they are not on the official roster. Student enrollment capacity of each course is established by the academic division director. Students seeking permission to enter a closed class should be referred to their academic advisers
17. Employees are expected to be available to assist students regarding class materials and assignments in a timely manner. Employees are expected to provide students an email address or other contact information

WIRED MAGAZINE: ISSUE 16.02

Why Things Suck: Spam Filters

By Brendan I. Koerner 01.18.08

As any grizzled
football coach will tell you, good defense beats a good offense. But that wisdom doesn't apply to the realm of spam, where porn peddlers and Nigerian hucksters regularly outwit the latest filtering software.

The most obvious problem is that it's simply not possible to update filtering software frequently enough to catch all of the spammers' multifarious innovations — disguising unsolicited messages by replacing the "i" in Viagra with a "1" or using images in lieu of text, for example. At the same time, an overly aggressive approach can be disastrous, trapping legitimate email as false positives.

One possible route to improvement, instead of focusing on suspicious content, consider the trustworthiness of the sources. Oscar Boykin, a computer engineering professor at the University of Florida, suggests that filters would work better with more widespread use of authentication systems, which make it harder for spammers to forge source addresses. Emerging standards like Sender ID and DomainKeys, for instance, verify that a message's sender and domain are legit.

Improved computer security would also help, since many illicit messages are sent from computers infected with malware. So you can blame the porous Windows operating system for yet another of life's agonies — the constant flood of emails slugged "diexpdf Spart!4 xqrandqjfh."

BUILD YOUR OWN TELEPHONE LINE

WE FURNISH FULL EQUIPMENT AND ALL TOOLS

Our various branch offices and factories carry stocks of all the construction material that you require for connecting and setting up your instrument. NET PRICE LIST No. 375 describes and illustrates all the necessary articles and some of the useful tools. Our Bulletin No. 1060—TELEPHONE SUPPLIES AND TELEPHONE CONSTRUCTION MATERIAL—212 pages will be mailed free to persons who are planning to build who have charge of the purchases for a Farmers Independent Telephone Company. We have many interesting and instructive publications which we gladly send free to our customers and their neighboring friends. Among the latest publications of interest to the man who has or who wants an Independent Telephone are the following:

No. 212 Booklet — 24 Pages — "How to Build a Rural Telephone Line."
No. 1063 Bulletin — 212 Pages — "Telephone Supplies and Telephone Construction Material"
No. 108 Booklet — 48 Pages — "How the Telephone Helps the Farmer"
No. 176 Booklet — 24 Pages — "The Telephone on the Farm"
No. 42 Pamphlet — 12 Pages — No. 896 Compact Type Magneto Telephones

Write us which of these you want sent to you or your neighbor and we will forward them by return mail free

olive oil before washing

fish oil, vitamin E, milk thistle,
and evening primrose oil have been reported
to help some sufferers (NPF, 2012). It's important to
note that supplements that do not interfere with
other pre-existing conditions or have harmful side effects.
Fish oil applied directly to the skin
has also been known to work well for some

Sensitive-skin moisturizers

, nuts, chocolate, and cranberries as a few "functional
foods" for treatment (NPF, 2012)

olive oil in inside your body, it can have extra benefits
for the skin. Applying olive or vegetable oil to scales
and patches of psoriasis can lock moisture and nutrients in
to overcome dry, scaly psoriasis. Coat a scaly to help loosen

But a lukewarm bath with Epsom salts, mineral oil, milk, or olive oil
can soothe the itching and infiltrate scales and plaques. Pat dry
immediately after your bath for double benefits (Mayo Clinic, 2011)

Try over-the-counter anti-dandruff products, such as

Shampoo with pyrithione zinc (Head & Shoulders) or selenium (Selsun Blue)
used daily
Shampoo with the antifungal ketoconazole, used twice weekly, alternating
with your daily shampoo
Tar shampoo (Neutrogena T/Gel, DHS Tar)
Salicylic acid shampoo (Neutrogena T Sal), used daily

answers to your questions about faxing

« How to Stop a Calls from a Fax Machine?
How to Fix Vertical Stripe On Faxes I Send »

How Can I Test My Fax Machine?

I just hooked up a new fax machine and I'd like to test it just to make sure it works. How can I do that?

eFax® Official Free Trial
www.eFax.com/FreeTrial
Find out why we're the largest digital fax network in the world

AdChoices ▷

Presumably, you want to test your fax machine by sending a fax from it and receiving a fax with it. Here's how to do both:

To test the send functionality of your fax machine, send a one-page fax to 1-888-877-1655 (a toll-free number in the United States.) When it's finished transmitting, point your web browser to Fax Toy — it's a fun web site that displays whatever is faxed to that number. Within a minute, your fax should appear on the site. Click the thumbnail to see a large version.

To test the receive functionality of your fax machine, point your web browser to FaxZero, the site lets you send faxes for free to anywhere in the United States and Canada. Within a few minutes, your fax machine should ring — hopefully, it will automatically answer and spit out the test fax.

hereinafter referred to as "Customer" and authorized by Superior Sealcoat Inc and its affiliate and subsidiaries, herein referred to as "Superior Sealcoat. This "Contract" constitutes the entire agreement between the parties, there being no covenant promise or agreement written oral except as specified herein

Customer Performance Customer shall in good faith a) secure and pay for all notifications, licenses permits, fees licenses police details and inspections necessary for proper execution and completion of the work unless otherwise specified b) provide all lines, grades stakes traffic control, engineering and layout necessary for proper execution and completion of the work c) proper marking of all utility lines manholes gas lines poles and other work improvements which are not listed by Dig Safe or any other utility based organization d) water supply for use by Superior Sealcoat during this project and e) assume the sole risk responsibility, and liability for damages arising from or related to the work performed and indemnify, defend, and hold harmless Superior Sealcoat from any and all such claims for damages including but not limited to attorney's fees and/or losses resulting directly or indirectly from the installation If in the opinion of Superior Sealcoat Customer has failed to perform in accordance with this paragraph Superior Sealcoat may refuse to perform the work until Customer makes the conditions suitable for commencement continuation, and/or completion of the work

Superior Sealcoat Performance Superior Sealcoat shall in good faith a) furnish all work in a workmanlike manner and in accordance with industry standards b) employ adequately trained and competent employees c) comply with any applicable Federal state or municipal laws relating to payment of wages and d) take all reasonable safety precautions and comply with all applicable laws ordinances rules, and regulations for the safety of persons and property

Final Quantities All quantities referred to in this agreement and accompanying quotations are estimates only and do not reflect the final actual quantities required for completion of work If actual quantities exceed estimates beyond a reasonable measure price and schedule increases will be negotiated

Payment Terms All amounts are due and payable upon receipt of invoice(s) Superior Sealcoat requires a 1/3 deposit prior to commencement of work In the event that Superior Sealcoat incurs collection costs on any past due monies, Customer agrees to pay reasonable attorney's fees and any other collection cost incurred by Superior Sealcoat If Superior Sealcoat does not receive full payment (and applicable late charges) within sixty (60) days from final invoice date all warranty rights will be waived

Site Conditions & Schedule The Customer must ensure Superior Sealcoat has safe access to work site at all times. If in the course of performing the scope of work, Superior Sealcoat is impeded by site conditions caused by others the Customer shall take immediate actions to correct and/or all problems at Customers expense If in the case of fire floods, accidents strikes war or other similar causes, Customer agrees to extend the completion date a reasonable time and is responsible to Superior Sealcoat for increased costs If applicable

Changes Customer may with Superior Sealcoat's agreement and without invalidating this agreement make changes in the work within the general scope of the purchase order or agreement The price and schedule shall be adjusted accordingly by a change order based on Superior Sealcoat's actual labor and material cost plus an allowance for reasonable profit overhead and insurance

Warranty Limitations Superior Sealcoat is not responsible for defects in work resulting from a) weather conditions, including but not limited to temperatures below 50 degrees Fahrenheit b) inadequate design incorrect specifications, unclear or insufficient engineering or layouts and c) wear ability and durability of pavement sealcoat d) the application of pavement sealer to asphalt contaminated with oil a) the warranty is limited to the replacement of the material and application of same.

Claims and Disputes. Customer shall give Superior Sealcoat written notice of any claim against Superior Sealcoat including but not limited to any claim for defective work, within ten (10) days after the event giving rise to the claim or the claim shall be waived This Contract shall be governed by the laws of the Commonwealth of Massachusetts and any dispute arising out of this Contract shall be resolved by binding arbitration

Patient & Order Information

Order ID: BLP19-000006
Patient Name: TEST, pat
DOB (Gender): 2/5/1956 (M) 63 Yrs Old
Date Received: 4/23/2019

ADDITIONAL RESULTS APPLICABLE IF BCI ORDERED AT TIME OF DIAGNOSIS

BCI Prognostic - Node Positive (1-3)

9.2% Risk of Overall Recurrence (years 0-10)

HIGH RISK CATEGORY
9.2% RISK[1] (95% CI: 5.7% - 12.6%)
OF DISTANT RECURRENCE FOR ER+ LYMPH NODE POSITIVE PATIENTS FROM YEARS 0-10[1]

1 Pooled Recurrence rates based on analysis of BCI Prognostic in an independent validation cohort of patients with node positive tumors and predicted risk of distant recurrence from years 0-10 post diagnosis, patients who will not receive therapy and 5 years of adjuvant endocrine therapy (no extended endocrine therapy). See below for additional details.

BCI Predictive

LOW Likelihood of Benefit

LOW LIKELIHOOD OF BENEFIT
FROM EXTENDED ENDOCRINE THERAPY[2]

BCI Predictive was validated on a cohort of the included patients (N and HR+ breast cancers. However, the study was not designed or powered to validate LN [illegible] group separately.

Test Description and Clinical Evidence

BCI provides two outputs based on a unique gene expression (quantitative RT-PCR) signature: BCI: Prognostic and BCI: Predictive

BCI Predictive provides a prediction of likelihood of benefit from extended (>5 years) endocrine therapy (EET).[2] Patient results for this test are reported as either High Likelihood of Benefit (HOXB13/IL17BR) or Low Likelihood of Benefit (HOXB13/IL17BR). Clinical validation of BCI: Predictive has been published in the Journal of Clinical Oncology.[2]

BCI Prognostic [illegible] (node positive) provides an individualized estimate for a patient's risk for distant recurrence in the late (5-10 years) phase of disease (>5 years post diagnosis) and takes into consideration the significant impact of extended endocrine therapy. Prognostic for LN+ patients (1-3 positive nodes) is based on the significant impact of extended endocrine therapy on reducing late risk. Low and High grade BC prognostic for LN+ patients was validated in clinically node positive (cN+) and pathologically node positive (pN+) patients who were treated with adjuvant endocrine and chemotherapy.[3]

Further Information

For additional information including test description, methodology, clinical report and interpretation, please visit www.mybreastcancerindex.com/ordering

Laboratory Director: Miriam Bloch, M.D. CLIA ID 05D1063725 CAP ID 8788849 Electronically Signed By: Miriam Bloch, M.D.

Intended Use & Limitations

The Breast Cancer Index (BCI) Risk of Recurrence & Extended Endocrine Benefit Test is intended for use in patients diagnosed with estrogen receptor-positive (ER+) lymph node-negative (LN-) or lymph node positive (1-3+ with 1-3 positive nodes) early-stage, invasive breast cancer, who are clinical node negative (cN0). BCI provides 1) a quantitative assessment of the likelihood of both late (post-5 years) and overall (0-10 year) distant recurrence following an initial 5 years of endocrine therapy (+/- antibiotic) or 5 years of endocrine therapy plus adjuvant chemotherapy (+/- antibiotic), and 2) prediction of likelihood of benefit from extended (>5 year) endocrine therapy. BCI results are adjunctive to the ordering physician's workup, treatment decisions require correlation with all other clinical findings. This test was developed and its performance characteristics determined by Biotheranostics, Inc. It has not been cleared or approved by the U.S. Food and Drug Administration. The test is used for clinical purposes. It should not be regarded as investigational or for research. How this information is used to guide patient care is the responsibility of the physician. Biotheranostics is certified under the Clinical Laboratory Improvement Amendments of 1988 to perform high complexity clinical laboratory testing.

Floor Plan

The Club's newly renovated dining is designed after the most distinguished American and British City Clubs. Its soaring 28th story vantage point allows for plenty of bright, open spaces, and famous panoramas from sunrise to sunset.

Below you will find a description of the rooms available at The Peachtree Club. To see an expanded view of the floor plan, please scroll to the bottom of the page.

- The Grill or Bar area hosts our Continental breakfast buffet, a casual à la carte lunch menu, evening cocktails and is available to reserve for private parties in the evenings and on weekend. The Grill can accommodate up to 70 guests for a cocktail style reception. The Hawthorne room is adjacent to the Grill and can be used in conjunction for cocktail parties.

- The Main Dining Room is available for private breakfast meetings. Semi-private luncheons (a guarantee of at least 35 people is required to reserve for a luncheon) and tea dinners and receptions in the evenings. We also serve as à la carte lunch Monday-Friday. The maximum seating for a dinner in the Main Dining Room is 96 guests, expanding the seating to include the Hawthorne, Magnolia, Live Oak and Bradford rooms, we can accommodate 130 guests for a dinner. The Main Dining Room is also available in the evenings and weekends for cocktail style receptions, accommodating up to 200 guests using the Main Dining Room, Skyline Terrace and adjacent private rooms, or up to 250 guests, reserving the entire club. The Dining room has two doors leading out to the Skyline Terrace.

- Private Dining Rooms include: The Hawthorne Room located off the Grill, seats up to 16 guests and has a spectacular corner view facing both west and north. This room can also be reserved in conjunction with the Grill and makes an excellent area for a buffet. The Hawthorne room can also be used with the Magnolia room for seating for up to 30 guests.

- The Magnolia Room is on the West side of the Main Dining Room, with a view facing north. This room seats up to 16 comfortably, and is the most ideal private room if audio visual needs are required. This room also serves as a buffet space for large functions using the Main Dining Room. The Magnolia Room and Hawthorne rooms are connected with pocket double doors and can accommodate up to 30 guests for a seated meal. The Magnolia Room also has double doors leading out onto the Skyline Terrace.

Hi Brother,

This is a test and will give you a call

Brother Ron..

Hello World!

TEST

AAD

FAX TEST

Policy

To ensure proper and consistent application of electrical therapy thereby minimizing injury from inappropriate application.

Procedures

Indications.

- Reduce inflammation/swelling
- Pain management
- Muscle re education

Precautions

- Severely impaired sensation or cognition
- Open, undressed wound
- Pacemakers or defibrillators

Treatment Procedures

- Plug in electrical stimulation unit, as needed
- Place electrodes on patient according to therapist instructions
- Select desired mode (i e IF-C Premod, HV Biphasic) according to PT instructions.
- Set desired duration according to therapist instructions
- Adjust intensity to patient s tolerance
- Press Start
- Instruct patient to ring bell or alert therapist should the treatment become uncomfortable

PLEASE NOTE If there are excessive oils on patient s skin or on electrodes they may be cleansed with rubbing alcohol, soap and water or other cleanser prior to application.

Approved By: _____

II. REASON(S) FOR REQUEST
Choose all that apply

☒ The pupil's resident school board has determ has that the pupil has been the victim of a violent criminal offense.
Attach a copy of any finding by the resident school board or a statement by an administrator of the resident school district explaining the reason for the finding.
Attach an explanation of the circumstances leading to the request.

Date of Resident School Board Determination *Mo./Day/Yr.*

☐ The pupil is or has been homeless in the current or immediately preceding school year.
Attach an explanation of the circumstances leading to the request.

☒ The pupil has been the victim of repeated bullying or harassment.
Attach an explanation of the circumstances leading to this request. Include the date(s) on which the bullying or harassment was reported to the school district, the person(s) to whom the bullying or harassment was reported, any attempts by the pupil, parent, and/or school district to halt the bullying or harassment, and the result of each reported

☐ The place of residence of the pupil's parent or guardian and of the pupil has changed as a result of military orders.
Attach a copy of the orders and an explanation of circumstances caused by the issuance of orders that led to this request.

Date Military Orders Issued *Mo./Day/Yr*

☐ The pupil has moved into the state.
Attach an explanation of the circumstances leading to the request.

Date Pupil Moved Into State *Mo./Day/Yr*

☐ The pupil's residence has changed as a result of a court order or custody agreement or because the pupil was placed in a foster home or with a person other than the pupil's parent, or removed from a foster home or from the home of a person other than the pupil's parent.
Attach a copy of any court order, custody agreement, or other document pertaining to the change of the pupil's residence. Attach an explanation of the circumstances that led to this request.

Date Pupil Changed Residence *Mo./Day/Yr*

☒ An exception to the open enrollment application period is in the best interest of the pupil.
Attach an explanation of the circumstances leading to this request

III. SIGNATURE

I AM THE PARENT OR LEGAL GUARDIAN of the above-named pupil or I am the pupil age 16 or older. I am submitting an open enrollment alternative application for the reason(s) given above. All of the requested information is provided and is complete and correct. I grant permission to the school district my child is attending to provide a copy of my child's individualized education program (IEP) and acknowledge that the school district my child is attending may provide a copy of any application and/or information about any pending disciplinary proceeding involving the pupil.

Signature of Parent or Legal Guardian or Pupil if 16 or Older

Date Signed *Mo./Day/Yr*

IV. INSTRUCTIONS

Instructions to the Parent/Legal Guardian or Adult Pupil

Complete this form, include all attachments, and send or deliver this form to the non-resident school district to which you are applying. You may apply to no more than one(1) non-resident school districts in this school year.

The non-resident school district may deny the application for the same reasons it may deny an application submitted during the open enrollment application period. There is no provision in the statutes for parents to appeal a nonresident school district's decision.

The resident school district may only deny an application for the following reasons.

- The resident school district determines that the criteria relied on by the applicant does not apply to the pupil.
- The pupil is provide the special education and related services in the nonresident school district constitutes an undue financial burden to the resident school district in light of its total economic circumstances.
- The resident school school does not agree that the transfer is in the best interest of the pupil.

The resident district may not deny an application if it is school on the resident school district's finding that the pupil has been the victim of a violent crime.

Instructions to the Nonresident School District

Immediately upon receipt of the form, send a copy of the form and all attachments to the resident school district in which the pupil resides.

Upon receipt of the individualized education program (IEP) and an estimate of any related, additional costs to implement the pupil's IEP in the nonresident school district.

Within 20 days of receiving the form, notify the parent in writing whether the application is approved or denied

The nonresident school district may deny the application for the same reasons it may deny an application submitted during the regular open enrollment application period.

The nonresident school district may deny the application if it does not agree that the transfer is in the best interest of the pupil

Instructions to the Resident School District

Immediately upon receipt of the form send a copy of the individualized education program (IEP) if the pupil is a child with a disability and of any expulsion order or information about any pending disciplinary proceeding concerning the pupil.

Notify the school in writing, if the application e school

The resident school district may only deny an application for the following reasons.

- The resident school district determines that the criteria relied on by the applicant does not apply to the pupil.
- The cost to provide the special education and related services in the nonresident school district constitutes an undue financial burden to the resident school district in light its total economic circumstances
- The resident school district does not agree that the transfer is in the best interest of the pupil.

The resident district may not deny an application if it is school on the resident school district's finding that the pupil has been the victim of a violent crime.

New Congress Equals New Ideas

By Danielle Fiaro, Staff Writer

Washington D C – November 7th marked a day of change Americans decided that a more balanced Congress was needed, and that is what they get. The new members of Congress have already begun to meet and discuss ideas for how to improve society in the upcoming years

The divorce rate in America is the highest it has ever been. Congress is recognizing this statistic and taking it very seriously First of all, Congress does not believe that all people should be allowed to marry So Congresses first idea is that adults past the age of 18 should have to fill out an application if they want to get married Applications would be reviewed and only certain people would be allowed to marry Then, trained "matchmakers" would examine people s profiles and match people accordingly These couples would then be allowed to marry each other Congress hopes that this plan will create good married couples who will not divorce.

It has also come to Congress' attention that there are many children in our society that are subject to physical and emotional abuse These children are often neglected, malnourished, and punished in horrific ways. Congress sees this as a direct result of bad parenting. Therefore, Congress is thinking about creating a bill that would eliminate the problem of bad parenting. First, married couples who want to have children would have to fill out an application stating that they want a child Trained officials would review applications and decide which couples would make good parents and which couples would not. Only the couples who would make good parents would receive a child So, only those people who would be believed to be good parents would be able to receive a child, and then Congress believes that all children will be treated well

Congress has also noticed that there are many people in the world who chose the wrong job For instance, a member of Congress said, "It is evident through low test scores that not every teacher should be a teacher Therefore, those people should not be allowed to be teachers" To fix this problem, Congress is proposing that people be assigned their jobs instead of being able to choose their own job At the age of 18 adults would attend a ceremony in Washington D C at which they would receive their assigned profession. How to ensure adults are assigned the "right" job is still being considered Yet, Congress believes that since people are not making the right choices when it comes to what field they should work in, people will be better off being assigned a job that others think they will do well with.

It is obvious that the new members of Congress are going to try and make some serious changes Some may view these ideas as quite extreme, yet are they? Or is Congress simply just trying to make the world a better more perfect place?

Over the past years, models based on Puppet have developed a reputation for reliability and performance. Puppet models are compiled locally on the host to which the puppet binary is run to execute and apply that configuration. The Puppet architecture is described later in this book.

Configuration Language and Resource Abstraction Layer

Puppet uses a declarative language to define your configuration. Terms such as Puppet and Chef are used to describe this type of language. The difference between Puppet and Chef is that Puppet uses a declarative language, which means that you tell Puppet what you want it to do, for example, I declare that a package called `vim` should be installed. Chef uses a procedural language, which means that you tell Chef how to do something, for example, run `yum install vim`. Most configuration tools available today are declarative, including Puppet, Chef, CFEngine, and Bcfg2. They do not HOW you want something done, only the desired end state. For example, most modern operating systems use package management tools that handle dependencies. With Puppet, you can use the same declaration for a package, and Puppet will use `yum` on Red Hat systems and `apt` on Ubuntu systems. Puppet abstracts away the differences between operating systems and package management tools.

Configuration Language

What does a declarative language look like? Let's look at a simple example. We have an application that runs on Red Hat Enterprise Linux. The application server runs on port 8080. The application server should be running at all times. We want to write a configuration that does the following:

- Connects to the repository that contains the application server binary
- Creates a user called `jboss`
- If not, uses the appropriate command for each platform to install `vim`, for example, `apt-get install vim` on Ubuntu and `yum install vim` on Red Hat
- Pulls a binary from the repository and stores it in `/opt/jboss/server.jar`

■ **Note** The world became even more complex when you wanted to upgrade `vim` (if it was already installed) or apply a particular version of `vim`.

Puppet uses a declarative language to describe the desired state of resources. Puppet resources are defined in configuration files called manifests. Each manifest can contain one or more resources. A resource is made up of a type, which is a reference to a resource that is being managed, for example, `service`, `user`, or `package`. Each resource has a title, which is a unique identifier for the resource. The title is used to reference the resource in other parts of the manifest. For example, you can use a `service` resource to start the `httpd` service.

You can see an example of a resource in Listing 1-1.

Listing 1-1. A Puppet Resource

```
package { "vim":
    ensure => present
}

Training Video Available Open a web browser and go to ***http://www.yiptel.com*** Mouse over Small Business and select Training. Select YipTel Cloud PBX Training. For additional support please call (800)752-6410 or email mysupport@yiptel.com

To access the online phone interface Open a web browser and go to http://portal.yiptel.com. Enter your phone# and password then click Login

To Transfer a Call While on the phone with the caller press the ***Trnsfr*** button. If this is a blind transfer (meaning you do not want to talk to the person before you transfer) press the ***Blind*** button. Then enter your extension or number. Otherwise call the extension or number given for the party to answer. After conversing with them hit the ***Trnsfr*** button again to complete the transfer. **To Transfer to a voicemail box** Press ***Trnsfr*** button, Press the ***Blind*** button Dial an asterisk (*) in front of the extension

To Conference a Call. Call the first party select the ***More*** button press ***Confrn.*** Dial the extension or or phone number of the next party and press the ***More*** button press ***Confrn*** to add to the conference call

To park a call To place a call on Park (system-wide hold function). While on the call press the ***Park*** button. You will be told what parking slot your call is on. Then press the ***Trnsfr*** button. You will need to tell the person you parked the call for the number it is parked at for them to pick it up.

To pick up a parked call. Press the ***UnPark*** button. Now enter the slot number you were told your call is on

To access your Voice Mail from the phone Press the ***Vmail*** button. It will then ask for a PIN. Your PIN is listed at the top of this page

To pickup any ringing phone: Dial *11 on your phone

To pickup a new incoming call while on an existing call Press the **Answer** button. The current call you are on will be placed on Hold automatically

Your service may include Desktop Software If you are an Advanced user, you can log in to software on your computer. To install the software, login to your user portal. Select the Apps tab. Select Download to your Computer. Click the link to download and install the software. Your chat account login: Email: (Phone# listed above) @cust.yiptel.com Password: (Pin# listed above)

Your service may include Mobile Software If you are an Advanced user, you can log in to software on your mobile phone. This can be downloaded from your Play store or App store from your phone. Search for Accession. After installing please use the following: **Connect** YipTel Login with your credentials listed above

Your service may include Fax to Desktop If you have the service, you can send outbound faxes by sending an email to (fax number)@fax.yiptel.com. The email subject line can be anything you want. The email body section becomes the cover page. The email attachment (can be Microsoft Office, PDF, PNG, JPG) is faxed.

Prayer to St. Joseph over 1900 years old

O St. Joseph whose protection is so great, so strong, so prompt before the Throne of God, I place in you all my interests and desires. O St. Joseph do assist me by your powerful intercession and obtain for me from your Divine Son all spiritual blessings through Jesus Christ, Our Lord; so that having engaged here below your Heavenly power I may offer my Thanksgiving and Homage to the most Loving of Fathers. O St. Joseph, I never weary contemplating you and Jesus asleep in your arms. I dare not approach while He reposes near your heart. Press him in my name and kiss His fine Head for me, and ask Him to return the Kiss when I draw my dying breath. St. Joseph, Patron of departing souls, pray for us. Amen

Say for nine consecutive mornings for anything you may desire. It has seldom been known to fail.

This prayer was found in the fiftieth year of Our Lord Jesus Christ. In 1500's it was sent by the Pope to Emperor Charles when he was going into battle.

Whoever reads this prayer or hears it or carries it, will never die a sudden death, nor be drowned, nor will poison take effect on them. They will not fall into the hands of the enemy nor be burned in any fire, nor will they be defeated in battle.

DIRT DESSERT

Printed from COOKS.COM

NOTE: Make a day ahead for a great party centerpiece. You will need a large (10 inch) flower pot (no hole!) and some artificial flowers.

2 (8 oz.) cream cheese
2 (3 oz.) instant vanilla pudding
3 c. milk
2 (16 oz.) Cool Whip
2 tsp. vanilla
1 lg. pkg. Oreo cookies
Gummy worms (optional)

Cream sugar and cream cheese. Beat milk, pudding and vanilla until thick, then add to cream cheese mixture. Fold in Cool Whip. Grind Oreo cookies in blender.

Layer Oreo mixture and creamy mixture, hiding gummy worms in flower pot, ending with cookie mixture on top. Chill overnight. Put flowers into "dirt" and surprise your guests when you serve your centerpiece for dessert! Makes enough for 2 pots.

Have You Adequately Provided for your Family ?

If your answer to this question is anything but a strong* YES I HAVE, *then you should look into the low cost of providing additional protection for your family.

To protect your family when you are gone we feature many different life insurance programs that will offer you some of the lowest rates in the industry. Rates are guarenteed for 10 years and backed by A+ rated companies. Sample level monthly rates for a nonsmoker are shown below. We can provide quotes for you and other members of your family on request

AGE	$100,000	$250,000	$500,000	$1,000,000
18-35	$ 8.40	$ 11 00	$ 15.00	$ 22 00
45	$ 13 20	$ 16 00	$ 28 00	$ 49 00
50	$ 18.99	$ 26.00	$ 42 00	$ 77 00
55	$ 27 83	$ 39 00	$ 67 00	$ 127.00
60	$ 41 65	$ 59 00	$ 106.00	$ 203 00
65	$ 69 30	$ 101 00	$ 160.00	$ 348.00
70	$ 122.66	$ 178 06	$ 323.00	$ 628.00
75	$ 239.84	$ 319 00	$ 629.00	$ 1,250 00

For more information and an accurate quote, complete form and

General Information

The Osteoporosis Society of Canada recommends that BMD be performed at least once in all patients aged 65 and over in addition to other potential indications in younger patients

The International Society for Clinical Densitometry recommends that follow up BMD studies be performed on the same machine at the same centre as the previous study for maximum sensitivity and accuracy in assessing change

1. Cover the tray with plastic wrap. Place one drop of each ion in the indicated spaces below. Stir using a micro-stirrer, like a toothpick.
2. The ions that combine to form the green tiles are the cation and anion under the formula above or beside each box. Use your table below to record your results. Write the formula and name of each ionic compound produced by the mixings.

	$AgNO_3$ Ag^+	$Pb(NO_3)_2$ Pb^{2+}	$CuSO_4$ Cu^{2+}	$MgSO_4$ Mg^{2+}	$FeCl_3$ Fe^{3+}
$FeCl_3$ (Cl^-)	X	X			
KI	X	X			
NaOH (OH^-)	X	X	X	X	X
Na_2CO_3 (CO_3^{2-})	X	X	X	X	X
Na_3PO_4 (PO_4^{3-})	X	X	X	X	X

Letter for section 21

Dear Sir or Madam

I m writing to you following our d scussion on the ticket **asdasdasd** on the iHelpu.net platform. After reading and understanding the matters I want declare that we will remove the f les mentioned in the "Jumal TV" letter and will make sure they are not posted again on the asdasdasd domain

We apologize for any inconvenences we may have caused you it was not our intention to violate your company's Terms & Conditions our site is a user-generated one we will do our best to not cause this again We also intent to redirect all users to other domains so we may not cause you any problems anymore

We will transfer the Non-refundable Cleanup Cost Fee" on Monday by a **wire transfer**

We are waiting for our domain and account to be reactivated so we may communicate with our users that are depending on our service. It's critical to us to be able to communicate with them as fast as possible.

I warmly thank you for your kind help and support and wish you an excellent day

asdasdasd

Truth in Savings Disclosure

Orange Savings Account

Initial Deposit Requirement – There is no minimum deposit required to open the account

Minimum Balance to Obtain Annual Percentage Yield (APY) – There is no minimum balance required to obtain the disclosed APY

Rate Information – The Annual Percentage Yield (APY) and Interest Rate on your account are displayed on the front of this letter. Your Interest Rate and APY may change. At our discretion we may change the Interest Rate for your account at any time

Compounding and Crediting – Interest on your account will be compounded and credited on a monthly basis

Balance Computation Method – We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day

Accrual of Interest on Non Cash Deposits – For all types of non cash deposits interest will begin to accrue not later than the second business day following the banking day on which the funds were deposited

Fees – If we agree to process a wire transfer for you the cost per transaction will be up to $40.00

Transaction Limitations – You may only transfer funds out of your savings account to other accounts you have with us or to your linked account up to six times per monthly statement cycle using any combination of preauthorized telephone and automatic transfer services. You are not limited in the number of transfers that you may make out of your account to repay loans at our Bank. If you exceed these limits on more than an occasional basis we will close your account or transfer your funds to a transactional account. Wire transfers: If we agree to process them for you we are limited to $25,000 per day. We may also limit the number of wire transfers you can send each day

Effect of Closing an Account – If you close your account before interest is credited you will receive the accrued interest

ROBERT HALF CANADA INC.

DIRECT DEPOSIT

As the leader in the professional staffing industry Robert Half Canada Inc. continually strives to provide our candidates/consultants with services that exceed those available in the industry. As such, RHC is pleased to offer the service of Direct Deposit. This service is an example of our continued dedication to our candidates/consultants.

Am I eligible for Direct Deposit, and if so, how do I enroll?

If you have a chequing or savings account, you are eligible to enroll in Direct Deposit. Follow these steps to complete the enrollment form:

- Check the box that states "Begin Deposits"
- Complete Name and Social Insurance Number
- Attach your bank information
  Please refer to instructions on the front side of the **Direct Deposit Authorization Agreement Form.**
- Select the "Chequing" or "Savings" box
- Complete bank transit and account number information
- Sign and date the form
- Mail or fax the completed form with corresponding documentation to the Field Service Center (The fax number and mailing address are indicated on the enrollment form.)

  Note: Deposits cannot be split between accounts.

When will my Direct Deposit take effect?

It will take approximately 3 days from the time we receive your information. Until your direct deposit is activated you will receive a payroll cheque in the mail.

How do I know the deposit was made?

You may call your bank or check at an ATM machine to confirm posting of your deposit. If you feel that your deposit was not made, check with your bank to verify they have completed posting of all direct deposits. If the bank cannot confirm posting of your deposit, call our Customer Service Department at 1-888-744-9202.

Note: Direct deposit posting times differ between banks. Call your bank to verify their posting time.

How do I make changes to my enrollment status?

Check the "Change Direct Deposit Information" box. Complete the form with your new information (Follow the same instructions for a "First Time Set-up" listed above). Mail or fax the completed form with corresponding documentation to the Field Service Center (The fax number and mailing address are indicated above.)

How do I cancel my Direct Deposit?

Check the "Cancel Direct Deposit" box. Ensure that your Name, Social Insurance Number and Phone Number are completed on the form. Mail or fax the completed form. (The fax number and mailing address are indicated above.

What happens to my Direct Deposit when my current assignment ends?

Direct Deposit information will remain on file for eight weeks. If your break in service is more than eight weeks, you must re-enroll.

Note: If your bank information has changed, you will need to complete a new Direct Deposit Authorization Agreement form.

Contact Customer Service (888) 744-9202 with any additional questions.

FAX TEST

Welcome to

Windows® Fax and Scan

[illegible]

[illegible]

Fax: You can send and receive faxes if you have a fax modem and an active connection to a fax service. You can also print, e-mail, or save a copy of your faxes.

To get started

1. Connect a phone line to your computer.

   If your computer has a built-in modem, connect the phone line to the modem jack on the back of your computer.

2. On the toolbar, click **New Fax**.

3. Follow the instructions in the wizard that is displayed on your screen to enter your recipient's fax number and other information.

To learn more about faxing, click **Help** on the toolbar, and then click **Table of Contents**. Click the **Faxing** book, and then click the topic you want to read.

Scan: After you add a scanner or camera to your computer, you can use Windows Fax and Scan to scan pictures or documents. You can then attach your scanned images to e-mail messages or save them as files or e-mail the scanned files to someone else.

To get started

1. Connect your scanner or camera to your computer, and then turn it on. If necessary, install any software that came with your scanner or camera, and then follow the instructions on the screen.

   If your scanner has a document feeder, load the pages you want to scan.

2. On the toolbar, click **New Scan**.

3. Choose the scanner settings you want to use, and then click **Scan**.

To learn more about the options you can use to scan, click **Help** on the toolbar, and then click the **Help** button on the wizard.

TESTFGDDF

Blood Drive

A friend and her husband were participating in a blood drive, and as part of the prescreening process, an elderly volunteer was asking some questions.

"Have you ever paid for sex?" the woman asked my friend's husband sweetly.

Glancing wearily over at his wife who was trying to calm a new baby and tend to several other children milling around her, "Oh yes", he sighed, "Every time."

This is NOT a test — Just the FAX, ma'am! No trees were harmed in creating this FAX

TEST FAX

Q: Why are hawks such great football fans?
A: They're always watching the game on the field.

Q: What has more than a fish in a cot?
A: A frog — it croaks every night!

Q: Why are basketball players so spicy eaters?
A: Because they always dribble.

Q: How do you know when you've built a pirate ship?
A: When your feet smell and your nose runs!

Q: Why does Santa have so many grandsons?
A: So he can be "one-ho-ho"

Q: Why did the mouse dance on the peanut butter jar?
A: Because it was time to open.

Q: What did the salad say to the refrigerator?
A: Close the door, I'm dressing!

Q: What did one eye say to the other?
A: There is something between us! Just me?!

Q: What do tourists eat for breakfast?
A: Oak-meal!

Q: What lazy animal will you never fall and ask you?
A: An alarm duck.

Q: What do you get when you cross cassoe and a rose?
A: A cello-flower.

Q: What part of a hen has the most feathers?
A: The tail!

Q: Why weren't apples allowed on Noah's ark?
A: Only pears were allowed!

Q: Why did the little skunk listen to the big skunk?
A: Because it was a dor and wasn't!

Q: What kind of shirt can't have buttons?
A: A strand!

Q: What does a 2,000-pound mouse say?
A: More, kitty! Itty!

Phone: 425-482-1400 | Fax 425-486-5300

⚠ WARNING! Hazard of electric shock not energized for installation on energized wire or circuits. Extreme caution should be exercised to avoid shorted contact with bare conductors or terminals, as ringing voltage could be in excess of 100 volts AC. Never attempt repair, installation, or modification of telephone or communication wiring systems if you have an electronic heart regulation device. If unsure what to do in any wiring, consult a qualified technician. For more information, refer to Leviton's Telephone Wiring Systems Technology Guide.

SAFETY INFORMATION

1. Never install telephone wiring during a lightning storm.
2. Never install telephone jacks in wet locations unless jacks specifically designed to be used in wet locations.
3. Never touch uninsulated telephone wires or terminals unless the telephone line has been disconnected at the network interface.
4. Use caution when installing or modifying telephone lines.

IMPORTANT INSTRUCTIONS

Read and understand all instructions.

2. Follow all warnings and instructions marked on the product.
3. Do not use this product near water—e.g. near a bath tub, wash bowl, kitchen sink or laundry tub, in a wet basement or near a swimming pool.
4. Never push objects of any kind into this product through cabinet slots, as they may touch dangerous voltages.

♡'s the camera!

And has a messy desk!

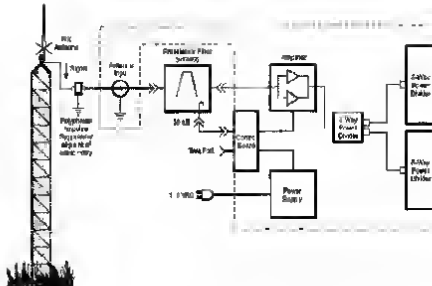

Figure 7) Typical installation of the receiving system.

Receiver Preamplifiers

It is common practice to try to improve the weak-signal sensitivity of a receiver by adding a low-noise preamplifier to the existing receiver. Although these preamplifiers will generally increase receiver sensitivity, they will also raise the level of other undesired signals, effectively decreasing the overload and intermodulation performance of the receiver. In addition, these preamplifiers generally lack any substantial filtering, and will therefore be more prone to overload and intermodulation problems themselves. It is our recommendation that these preamplifiers be removed when connecting a receiver to an MCA. The MCA provides the desired low-noise front end. The MCA will have considerably more resistance to overloading than any garden variety preamplifier, and also will be superior to many receivers without external preamplifiers.

Unused Output Ports and Terminations

Operation with unterminated and unused RF output ports with this model MCA is possible, but a slight increase in interference susceptibility may result.

Performance degradation can be minimized in situations where these will be unused output ports. Make sure that the number of used outputs ports is evenly distributed between both of the 6-way power dividers. For example, if you are going to use only 10 output ports, connect the receivers to 5 ports on one 6 way divider and 5 ports on the second 6 way divider. This balanced arrangement provides a better termination for the amplifier than having 6 ports going to one 6-way divider and 4 going to the other. If you have an odd number of receivers, one 6-way divider will necessarily have one more used port than the other, but this is still a minimal imbalance.

Attenuator (Gain Reduction) Pads

When receiving levels at the MCA outputs are maintained at below -35 dBm, the reserve gain of the system is correct and does not need adjustment. However, when the levels are above -35 dBm as measured with a system analyzer, the reserve gain may have to be reduced.

TOTO supplies two fixed attenuator pads of 3 and 6 dB mounted in spring clips on the MCA chassis (see Figure 2). Gain reduction may be helpful in combating interference problems. The pads may be used separately or together on the input of the 2 way power divider (see Figure 5) to reduce the gain by either 3, 6 or 9 dB.

Make sure that the number of used outputs ports is evenly distributed between both of the 6-way power dividers. For example, if you are going to use only 10 output ports, connect the receivers to 5 ports on one 6 way divider and 5 ports on the second 6 way divider. This balanced arrangement provides a better termination for the amplifier than having 6 ports going to one 6-way divider and 4 going to the other. If you have an odd number of receivers, one 6-way divider will necessarily have one more used port than the other, but this is still a minimal imbalance.

ALL DONE!

HERE'S WHAT TO DO WITH YOUR CUSTOMIZED ORDER FORM.

1. Print or Save this PDF file
2. Take the printed copy to your healthcare provider or email the PDF file to them
3. Talk to your healthcare provider about whether or not Cologuard is right for you
4. If your healthcare provider decides Cologuard is right for you, ask them to complete the order form on page 2

HEALTHCARE PROVIDERS

If you determine Cologuard is right for your patient, please verify the information entered by the patient below before filling out the rest of the form and faxing it to the number provided.

To learn more or contact us, visit Cologuard.fecal.com, HCP or call us any time at 1-844-870 8370.

UNSOLARIS® Exact Sciences only provides an estimate order form in order to attempt to maximize Exact Sciences Laboratories processing and patient care efficacy by opting to allow for better accuracy and legibility of the completed information.

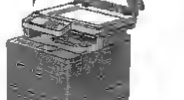
Go to faxzero.net to see if your faxwent through 1 855 -330-1239

To Test Receive goto faxzero.com and send this page

To fax a document from the document glass:

1 Open the document cover.

2 Place the document facing down on the document glass and align it with the registration guide on the top left corner of the glass.



3 Adjust the document resolution. (For details, see "Adjusting the Document Resolution.")

4 Close the document cover.

NOTE: Ensure that no document is in the ADF. If any document is detected in the ADF, it takes priority over the document on the document glass.

NOTE: If you are faxing a page from a book or magazine, lift the cover until its hinges are caught by the stopper and then close the cover. If the book or magazine is thicker than 30 mm, start faxing with the cover open.

Adjusting the Document Resolution

You can improve the quality of the fax document by adjusting the resolution, especially for documents with low image quality or documents containing photographic images.

1 Press the (Home) button.

2 Tap Fax.

Message Hellooooooo Faxboy!

TESTING

Interpage NETWORK SERVICES INC.

Phone +1 (510) 315 2750 • Fax +1 (650) 202 1600 • www.interpage.net

Hello!

This is a sample test file which is being sent to you as per your request via the Interpage FreeFax(tm) Service!

This service is intended to provide a preliminary evaluation as to the quality and timeliness of Interpage's subscription fax services.

If you review the cover sheet which was transmitted with this fax, you will note the first letter of the name you had indicated in the TO field of the FreeFax request page. This letter serves to correlate the fax request which you had sent with this trial fax to supplied e-mail.

This file is a sample MS Word file, many other file types are supported

If you have any questions regarding Interpage's fax(tm) Services, including the FaxMail(tm) service with no-per-or-per-min charges, please feel free to contact us at:

Phone: +1 (510) 315-2750 9AM to 5:30 PM M-F Pacific Time

E-Mail inet-support@interpage.net

Web http://www.interpage.net

Thank you for your interest!

NOTICE: 1. Due to the massive size of the e-mail services, Interpage will only deliver certain attachments and text messages; only this above fixed sample message will be transmitted. You may obtain a trial account for evaluative purposes by filling out the form located at: http://www.interpage.net/sub-fax-inet.html, emailing any billing information, and clearly indicating a valid e-mail address and contact telephone number. Please call (510) 315-2750 for additional details.

2. This fax is not a solicitation nor is it an affect. It was sent by a visitor to Interpage's web site who generated your destination e-mail as an evaluation of this free fax. A single destination may not receive more than 5 trial faxes in a given week, however, if you find that someone is sending you faxes in a continuous and abusive manner please call us at (510) 315-2750 and we will block your fax number from the FreeFax service.

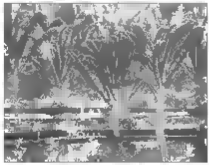
Kale Varieties
http://ecolocalizer.com/2012/03/25/delicious-nutritious-kale-photo_guide-to_different_varieties/

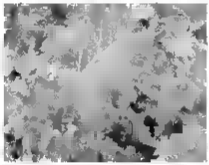
Lacinato Kale (Dino Kale)

This kale is the second most likely to be found in grocery stores. Lac inato (aka Dinosaur kale) has a narrow leaves and a wrinkled texture. Any variety will also continue to grow over the winter very well



Siberian Kale

One of the most cold hardy varieties available. Siberian kale has enormous leaves and can take quite a beating from cold or pests



Walking Stick Kale

A part or ely unusual variety. Walking Stick kale can grow up to six feet tall if well fertilized and cared for. The stems can be dried, laminated and used as walk ng sticks.

ries disabilities, illnesses, conditions and deaths associated with each vaccines may occur.

[July 1 1944 ch 373 title XXX, §2110 as added Feb 1, 80-650, title III, §401(a), Nov 10 1988, 102 Stat. 3784 amended Feb. 1, 102-393, title VI, §6010(d) Dec 25, 1992, 106 Stat. 2200; Feb. 1, 103-66, title XIII, §13566(b)(2)(A) Aug 10, 1993, 107 Stat. 666.]

Prior Provisions

A prior section 300aa-1 of act July 1 1944 [58 Stat. 682], was successively renumbered by subsequent acts and transferred see section 300f of this title.

Amendments

1993 Subsec. (c). Pub. L. 103-66 amended heading and text of subsec. (c) generally. Prior to amendment, text read as follows: "The Secretary may recommend to Congress revisions of any table to change the vaccines covered by the table."

1992 Subsec. (a). Pub. L. 102-393 §6010(d)(1), substituted "(c)(2)" for "(c)" in first sentence.

Subsec. (b)(2)(B). Pub. L. 102-393 §6010(d)(2), substituted "section 13 of this title" for "300aa-1(b) of this title".

Effective Date of 1993 Amendment

For applicability of amendments by Pub. L. 103-66 to petitions filed after Dec. 31, 1992, petitions currently pending in which the evidentiary record is not closed, and petitions currently pending in which the evidentiary record is not closed with provision for an immediate supplement for 30 days of all pending cases, see section 5601(a)(1) of Pub. L. 103-66, set out as a note under section 300aa-10 of this title.

Revisions of Vaccine Injury Table

The Vaccine Injury Table as modified by regulations promulgated by the Secretary of Health and Human Services is set out at 42 CFR 100.3.

Section 13(b)(3)(B) Pub. L. 100-66 provided that: A revision by the Secretary under section 2114(c) of the Public Health Service Act (42 U.S.C. 300aa-14(c)) (as amended by paragraph (2) [which takes effect upon the effective date of a law enacted to provide funds for compensation paid with respect to the vaccine] to be added to the vaccine injury table by section 13(b)(2) of the Public Health Service Act (42 U.S.C. 300aa-14(b)).

§ 300aa-15. Compensation

(a) General rule

Compensation awarded under this Program to a petitioner under section 300aa-11 of this title for a vaccine-related injury or death associated with the administration of a vaccine after October 1, 1988 shall include the following:

(1) A lump sum reimbursable expense in payment for any date of the judgment award for such expenses and reasonable projected expenses for which—

(A) there have been or will be incurred by or on behalf of the person who suffered such injury and

(B)(i) have been or will be for diagnosis and medical or other remedial care determined to be reasonably necessary or

(II) have been or will be for rehabilitation, developmental evaluation, special education vocational training and placement case management services counseling and mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(2) Subject to section 300aa-15(a)(2) of this title, actual unreimbursable expenses incurred before the date of the judgment awarding compensation which—

(A) resulted from the vaccine-related injury for which the petitioner seeks compensation,

(B) were incurred by or on behalf of the person who suffered such injury and

(C) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(3) Subject to section 300aa-15(a)(2) of this title, actual unreimbursable expenses incurred before the date of the judgment awarding compensation which—

(A) resulted from the vaccine-related injury for which the petitioner seeks compensation,

(B) were incurred by or on behalf of the person who suffered such injury and

(C) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(4) If required from the vaccine-related injury for which the petitioner seeks compensation,

(A) were incurred by or on behalf of the person who suffered such injury and

(B) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(5) If required from the vaccine-related injury for which the petitioner seeks compensation,

(A) were incurred by or on behalf of the person who suffered such injury and

(B) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(6) If required from the vaccine-related injury for which the petitioner seeks compensation,

(A) were incurred by or on behalf of the person who suffered such injury and

(B) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(7) If required from the vaccine-related injury for which the petitioner seeks compensation,

(A) were incurred by or on behalf of the person who suffered such injury and

(B) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(8) If required from the vaccine-related injury for which the petitioner seeks compensation,

(A) were incurred by or on behalf of the person who suffered such injury and

(B) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(9) If required from the vaccine-related injury for which the petitioner seeks compensation,

(A) were incurred by or on behalf of the person who suffered such injury and

(B) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(10) If required from the vaccine-related injury for which the petitioner seeks compensation,

(A) were incurred by or on behalf of the person who suffered such injury and

(B) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(11) If required from the vaccine-related injury for which the petitioner seeks compensation,

(A) were incurred by or on behalf of the person who suffered such injury and

(B) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(12) If required from the vaccine-related injury for which the petitioner seeks compensation,

(A) were incurred by or on behalf of the person who suffered such injury and

(B) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(13) If required from the vaccine-related injury for which the petitioner seeks compensation,

(A) were incurred by or on behalf of the person who suffered such injury and

(B) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(14) If required from the vaccine-related injury for which the petitioner seeks compensation,

(A) were incurred by or on behalf of the person who suffered such injury and

(B) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(15) If required from the vaccine-related injury for which the petitioner seeks compensation,

(A) were incurred by or on behalf of the person who suffered such injury and

(B) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(16) If required from the vaccine-related injury for which the petitioner seeks compensation,

(A) were incurred by or on behalf of the person who suffered such injury and

(B) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

(17) If required from the vaccine-related injury for which the petitioner seeks compensation,

(A) were incurred by or on behalf of the person who suffered such injury and

(B) were for diagnosis, medical or other remedial care, rehabilitative developmental evaluation, special education, vocational training and placement case management services, counseling, mental or behavioral therapy (medical and custodial) care and service expenses, special equipment, related travel expenses, and facilities determined to be reasonably necessary.

Herbert A Millington

Chair Search Committee

412A Clarkson Hall, Whitson University

College Hill, MA 34109

Dear Professor Millington,

Thank you for your letter of March 16 After careful consideration, I regret to inform you that I am unable to accept your refusal to offer me an assistant professor position in your department

This year I have been particularly fortunate to receiving an unusually large number of rejection letters With such a varied and promising field of candidates it is impossible for me to accept all refusals

Despite Whitson's outstanding qualifications and previous experience in rejecting applicants, I find that your rejection does not meet my needs at this time Therefore, I will assume the position of assistant professor in your department this August I look forward to seeing you then

Best of luck in rejecting future applicants

Sincerely,

Chris L Jensen

THE OBJECTIVE OF ALL DEDICATED PRODUCT SUPPORT EMPLOYEES SHOULD BE TO THOROUGHLY ANALYZE ALL SITUATIONS, ANTICIPATE ALL PROBLEMS PRIOR TO THEIR OCCURRENCE, AND MOVE SWIFTLY TO SOLVE THESE PROBLEMS WHEN CALLED UPON... HOWEVER, WHEN YOU ARE UP TO YOUR ASS IN ALLIGATORS, IT IS DIFFICULT TO REMIND YOURSELF THAT YOUR INITIAL OBJECTIVE WAS TO DRAIN THE SWAMP.

Ontario Ministry of Community and Social Services | Ontario Disability Support Program Employment Supports

Verification of Disability / Impairment

To be Completed by the Applicant

Please ***print*** the following personal information.

☐ Mr ☐ Ms ☐ Mrs

Last Name	First Name

Date of Birth	Day	Month	Year

Address

City	Postal Code

Home Telephone / TTY	Work Telephone	Ext.
( )	( )	

To be Completed by the Health Care Professional

Applicants may be eligible to receive Employment Supports if they meet certain conditions including having a physical or mental impairment that is continuous or recurrent and expected to last one year or more and that presents a substantial barrier to competitive employment.

Please complete and sign this report and return it to your patient/client.

The information will be used in connection with your patient's/client's application for ***ODSP Employment Supports***. The purpose of ODSP Employment Supports is to help people with disabilities prepare for, obtain, and maintain competitive employment.

The Ministry of Community and Social Services is not responsible for any payment related to the completion of this form.

1. Please describe the nature of the applicant's disability(ies) or impairments(s)

   Primary disability: _____

   Secondary disabilities (if any) _____

2. Is/are the disability(ies) or impairment(s) continuous or recurrent/sporadic

   ☐ Continuous ☐ Recurrent/sporadic

   If recurrent/sporadic, please describe. _____

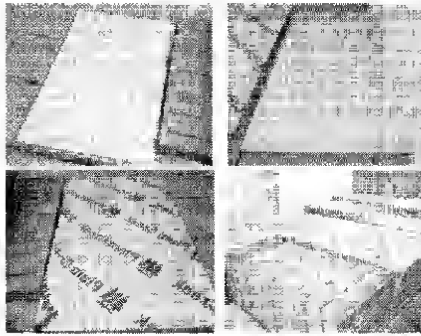
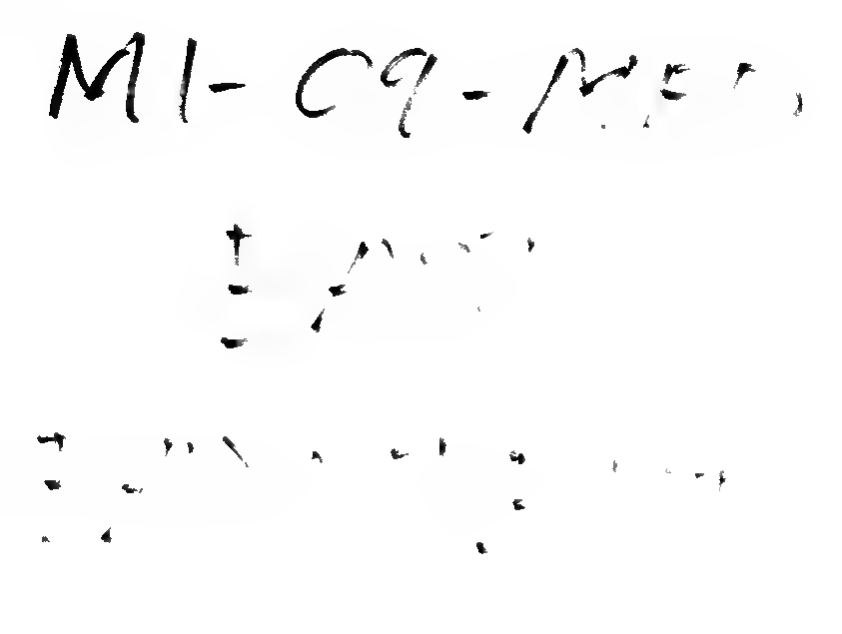
Concrete Forming Plywood – HDO from USA

- Ultra-Pour High Density Overlay
- Smooth uniform finish enhances durability of product
- Increased pours (25 pours per panel)
- Low cost/pour
- Class 1 Construction
- Structural 1, Group 1 Species, PS-107 Specification
- Thickness 18mm, size 1.22m x 2.44m





Some More `Scanner` Class Methods

Scanner_Object_Name`.next()`
Returns the `String` value consisting of the next keyboard characters up to but not including the first delimiter character. The default delimiters are whitespace characters.

Scanner_Object_Name`.nextLine()`
Reads the rest of the current keyboard input line and returns the characters read as a value of type `String`. Note that the line terminator `'\n'` is read and discarded; it is not included in the string returned.

Scanner_Object_Name`.nextInt()`
Returns the next keyboard input as a value of type `int`.

Scanner_Object_Name`.nextDouble()`
Returns the next keyboard input as a value of type `double`.

Scanner_Object_Name`.nextFloat()`
Returns the next keyboard input as a value of type `float`.

5 FACTS

Five ways Romney's repeal of the Affordable Care Act would hurt Americans

1. Millions of Americans could lose access to preventive services, including cancer screenings, blood pressure tests, and flu shots. [SOURCE: HHS]

2. Insurance companies could continue to deny coverage to as many as 130 million people with a pre-existing condition if they try to buy insurance on their own. [SOURCE: HEALTHCARE.GOV]

3. Young people could be kicked off their parents' insurance when they turn 19 or graduate from college, instead of being covered until they are 26. [SOURCE: HHS]

4. Insurance companies could go back to spending as much as 40% of premiums on administrative overhead like CEO salaries and marketing. [SOURCE: HEALTHCARE.GOV]

5. Americans who fall into the Medicare "doughnut hole" would lose crucial discounts on prescriptions. [SOURCE: HHS]

HP Fax Products - Testing Your HP Fax Mechine with the HP Fax Test Service

Introduction

This document will assist you in testing your HP Fax machine using the HP Fax Test Service.

Print this document for easy reference by clicking the **Printable Version** link in the upper right corner of this page

Test your fax machine

To test the capability of your fax machine, follow the directions below.

NOTE:

Be sure that your phone number is not Caller ID blocked by your telephone company prior to attempting to send and receive a fax. Pressing *82 before dialing the toll free number will unblock the Caller ID blocking feature in most areas. Other phone company services can prevent you from receiving a fax, including voice mail, call blocking, or call privacy features.

NOTE:

Whenever troubleshooting a fax issue, it is good practice to set the ***Automatic Reports*** option to **Every Error** before attempting a test fax. This way, even if the sent fax fails, an error code will be [illegible] will guide you in future troubleshooting. This option is available in different

[redacted] T

A leaping crawman

[redacted] r Foralis

Lochley is still in command at ES in 2271
T anklis has joined G Kat in his travels around the cosmos
Empe or Carteela s son is next in line for the throne after Vir's re[redacted] in over
Sheridan and Delenn s son David s also years old s ??'I
By 2271 the plague or Earth ("A Call to Arms") appears to have bee[redacted] eliminated people are able to travel to and from Earth freely

Unanswered Questions

Who and what is Asmodeus? (Sas Analysis)
Will Sheridan be able to Latr Prince Vinlet away from his future path of destruction?
What was the significance of the necklace Galen gave to Stalidar?

Analysis

Asmodeus may, of course be exactly what he claims However, his abilities aren't unheard of r the ES universe

Many of his powers seem Lare silent with psi abilities making people see and feel things (Ab Lion demonstrated n g , by Ta n "A Race Through Dark Places") However Lochley also claimed that he was covered in blood at one point and that the blood was analyzed and found to contain no DNA Unless Asmodeus powers of illusion extend to making lab technicians think they re running imaginary test results, it's safe to assume he has some ability to influence the physical world

Technomages also have the ability to make people see and Lear things; as Galen does to Sheridan in the second half of the story They a se have the ability to create physical objects seemingly from nothing E ric can urge an orange blossom for Sheridan is "The Geometry of Shadows "

Sheridan's imprisonment on Centauri Prime ("War Without End, part 2") takes place several years after the events of this story Is Sheridan's education of Prince Vintet a secret, or does Londo know about it at that point? Obviously or being the emperor, Vintari would not be in a good position to help Sheridan

Sheridan said "quantum space" was A discovery based on technology Various technology Perhaps t is related to their ability to create Zeeds in hyperspace ("The Summoner") or perhaps it is something totally different; is the latter case, though it's not clear why their ships ot l travelled in regular hyperspace

It s also not clear where the A lance picked up that stray Vorlon technology Perhaps from the Vor on homeworld, or perhaps from some of the wreckage of Vorlon ships and bases left over from the Shadow War

Hotmail

From Wikipedia, the free encyclopedia

Hotmail (official), **Microsoft Hotmail**, previously **Windows Live Hotmail** and **MSN Hotmail**) was a free web-based email service operated by Microsoft as part of Windows Live which was recently replaced by the newer Outlook.com service by Microsoft. Hotmail was one of the first web-based email services.[3] It was founded by Sabeer Bhatia and Jack Smith and launched in July 1996 as "HoTMail".[4] It was acquired by Microsoft in 1997 for an estimated $400 million, and shortly after it was rebranded as "MSN Hotmail". The current version was released in 2011.[5]

Hotmail features unlimited storage, Ajax, and integration with Microsoft's instant messaging (Windows Live Messenger), calendar (Hotmail Calendar), file hosting service (SkyDrive), and contacts platform.[6] As of 2012, Hotmail was the world's second largest web-based email service after Gmail with 360 million users.[1][7] It is available in 36 different languages.[8][9]

Hotmail is developed from Mountain View, California. When Hotmail Corporation was an independent company, it was headquartered in Sunnyvale.[10][11]

On 18 February 2013, Outlook.com (a newer webmail service by Microsoft)[12] deprecated Hotmail.[13] Existing Hotmail customers are scheduled to be upgraded to Outlook.com during 2013.[13]

BOB

Robert Frost

Stopping By Woods on a Snowy Evening

Whose woods these are I think I know
His house is in the village though;
He will not see me stopping here
To watch his woods fill up with snow.

My little horse must think it queer
To stop without a farmhouse near
Between the woods and frozen lake
The darkest evening of the year

He gives his harness bells a shake
To ask if there is some mistake
The only other sound's the sweep
Of easy wind and downy flake

The woods are lovely, dark and deep
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep.

Sending a fax

Sending a fax using the printer control panel

1 Make sure the printer is on and is connected to a telephone line.

2 Load an original document face up into the Automatic Document Feeder (ADF) or facedown on the scanner glass.

Notes:

- Do not load postcards, photos, small items, transparencies, photo paper, or thin media (such as magazine clippings) into the ADF. Place these items on the scanner glass.
- Adjust the paper guides on the ADF tray to the width of the original document.
- When using the scanner glass, close the top cover to avoid dark edges on the scanned image.

3 From the Home control panel, press [illegible].

4 Enter a fax number, press **Address Book** to select a number from the Speed Dial or Group Dial list, [illegible].

Notes:

- You can include a calling card number or part of the fax number.
- A fax number can include up to 64 numbers, commas, periods, pauses, the symbols * or #, [illegible].

5 If you want to send a fax to a group of numbers, do one of the following:

- a Press [illegible] and then press the other numbers one by one.
- b Repeat steps 4 through 5a until a maximum of 30 fax numbers have been entered.

6 Press **Color** or **Black** to select a one-sided black-and-white fax.

7 Press [illegible] to start the fax job.

Notes: If you entered multiple numbers and you are using the scanner glass to scan the pages, the message **Scan another page?** appears after each page is scanned to prompt you to load another page on the scanner glass.

Sending a fax while listening to a call (On Hook Dial)

The manual dialing feature lets you dial a telephone number while listening to the call through a [illegible] on the printer. It is useful when you must navigate an automated answering system or press a calling card number before sending your fax.

1 Make sure the [illegible] is on and is connected to a telephone line.

2 Load an original document face up into the Automatic Document Feeder (ADF) or facedown on the scanner glass.

Notes:

- Do not load postcards, photos, small items, transparencies, photo paper, or thin media (such as magazine clippings) into the ADF. Place these items on the scanner glass.
- Adjust the paper guides on the ADF tray to the width of the original document.
- When using the scanner glass, close the top cover to avoid dark edges on the scanned image.

3 From the Home control panel, press [illegible].

4 Press [illegible] until [illegible] appears.

5 Press the arrow buttons until **Send** and appears, and then press [illegible].

6 Enter the time you want to send the fax, and then press [illegible] to save the time.

7 If the printer is not set to the 24-hour mode, enter the am or pm, and then press [illegible].

8 Select a recipient:

- If the recipient is stored in the Address Book, press **Address Book**, and then use the arrow buttons to scroll through the numbers in the Speed Dial or Group Dial list.
- If the recipient is not listed in the Address Book, press [illegible] until **Fax** appears, and then enter the number of the numbers.

Date Reported	4/11/2018

ADDITIONAL RESULTS APPLICABLE IF BCI ORDERED AT TIME OF DIAGNOSIS

BCI Prognostic - Node Negative

9.2% Risk of Overall Recurrence
(years 0-10)

HIGH RISK CATEGORY*
9.2% RISK[1] (95% CI: 5.7% - 12.6%)
OF DISTANT RECURRENCE FOR ER+ LYMPH NODE NEGATIVE PATIENTS FROM YEARS 0-10[1]

[illegible]

BCI Predictive

LOW Likelihood of Benefit

LOW LIKELIHOOD OF BENEFIT
FROM EXTENDED ENDOCRINE THERAPY[2]

[illegible]

Test Description and Clinical Evidence

BCI is a [illegible] gene quantitative RT-PCR assay that provides two outputs based on unique gene expression signatures: BCI Prognostic [illegible]

BCI Predictive provides a prediction of likelihood of benefit from extended (>5 years) endocrine therapy (EET).[2] Patient results for [illegible] reported as either High or Low Likelihood of Benefit. BCI Predictive was validated in the NCIC-CTG MA.17 trial.[2,4]
BCI Prognostic provides an individualized estimate of [illegible] risk for distant recurrence in the late (5-10 years post-diagnosis) [illegible] risk category is provided based on pre-specified [illegible] cohorts.[3]

Independent validation data of BCI Prognostic in TransATAC[3]

Risk of recurrence for lymph node-negative patients from years 5-10 by BCI risk groups in TransATAC[3]

In clinical studies, BCI Intermediate risk had a statistically similar risk of late (5-10 years) recurrence as the BCI High risk group. Thus data [illegible] reported as Low or High directly.

Risk of recurrence for lymph node-negative patients from years 0-10 by BCI risk groups in TransATAC[3]

Further Information

For additional information [illegible], methodology, clinical report and interpretation, please see www.breastcancerindex.com/ordering

Interpage INTERNET NETWORK SERVICES INC.

Phone: +1 (510) 315 2750 • Fax: +1 (650) 292 1600 • www.interpage.net

Hello!

This is a sample test file which is being sent to you as per your request via the Interpage FreeFax(sm) Service!

This service is intended to provide a preliminary evaluation as to the quality and timeliness of Interpage's subscription fax service(s).

If you review the cover sheet which was transmitted with this fax, you will note the first letter of the name you had indicated in the TO: field of the FreeFax request page. This letter serves to correlate the fax request which you had sent with this trial fax transmission result.

This file is a sample MS Word file - many other file types are supported.

If you have any questions regarding Interpage's OutFax(sm) Service, including the FaxUnlimited(sm) service with no-per or per-minute charges, please feel free to contact us at:

Phone. +1 (510) 315 2750 9AM to 5:30 PM M-F Pacific Time

E-Mail. ns-support@interpage.net

Web. http://www.interpage.net

Thank you, for your interest!

Notes. 1. Due to the malicious use of the FreeFax service, Interpage will no longer transmit personal text messages; only the above fixed sample message will be transmitted. You may obtain a trial account for evaluative purposes by filling out the form located at http://personal.interpage.net/cgi-bin/fax-trial.html, omitting any billing information, and clearly indicating a valid e-mail address and contact telephone number. Please call (1-510) 315-2750 for additional data.

2. This fax is not a solicitation nor is it an offer. It was sent by a visitor to Interpage's web site who entered your destination number as a recipient of the test fax. A single destination may not receive more than two tests in a given week; however, if you feel that someone is sending you faxes in a continuous and abusive manner, please call us at (510) 315-2750 and we will block your fax number from the FreeFax service.

Vonage Test Fax

Fill in the values below and click "Print Test Fax Page"

To:	From:
Fax:	Fax:
Phone:	Phone:
Subject: Test Fax	Date:

Fax Settings

Refer to your Device's Manual for best results using the settings below:

ECM (error correction mode)	Off
Baud Rate	9600
Internet	On (this could be a problem)
Resolution	Standard
Answer Mode	Fax Only
Rings to Answer	Zero (0)
Call Waiting	Off
Bandwidth Saver	High (30 days)
Distinctive Ring	Off

Troubleshooting Steps

The steps below will help you resolve common dialing problems:

- Switch off fax machine and unplug power and line from device and from wall outlet. Let fax machine remain off for 60 seconds.
- Try a different phone cord between the fax machine and the Vonage device.
- Eliminate any splitters between the fax machine and the Vonage device.
- Connect fax machine directly to the Vonage device, bypassing any home wiring.
- If using an ATA other than your Vonage device, temporarily disconnect it from PC.

Further Assistance

If you need further assistance using your Vonage Fax Service, we are always available to help.

Call us at 1-VONAGE-HELP (1-866-643-4357) or visit www.vonage.com

Hail Mary:

Today begins the 90th Anniversary of the apparition of the Virgin of Fatima :

When you receive this email say a Hail Mary and ask for a special favor.

"Hail Mary, full of grace. The Lord is with thee. Blessed art thou among women and blessed is the fruit of thy womb, Jesus. Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death, Amen.? (your request)

Please do not break the Novena , send it to 12 people you think deserve justice, peace, love, health, prosperity and truth. When you are down to nothing, God is up to something. This has been traveling since 5/13/07!

Boo!

Brother Product Registration and Test Sheet

First Name: CHARLIE
Last Name: GILBERT
Company Name: FLAM'N' FISH COMPANY
Address: P.O. BOX 270
City: OHINOOK
State: WA
Zip/Cover: 98614
Telephone Number: 808-340-6049
Model Number: MFC-7360N
Fax Number: 360-642-2980
Serial Number: V0Z7003N4013144
Store Where Purchased: Staples Warrenton, Oregon
Purchase Date (Mo./Da./YYYY): 03-17-2014
E-Mail Address: wahoochariie@hotmail.com

1. How did you first become aware of this Brother product?
(Please fill in one choice in the box at the left.)
G
A. Magazine Advertisement
B. Newspaper
C. TV Advertisement
D. Home Advertisement
E. Brother Website / Internet
F. Friend / Relative
G. Dealer Store Display
H. Business Associate
I. Brochure
J. Other

2. What other Brother products do you own or have you referenced in the past?
(Please fill in up to 3 choices in the boxes to the left.)
N/A
A. Dreamweaver Machine
B. Fax Machine
C. Label Maker
D. Laminator
E. Multifunction
F. Printer
G. Sewing Machine
H. Serger (Overlock)
I. Typewriter

3. Which of the following factors influenced your decision to buy your product?
(Please fill in up to 3 choices in the boxes to the left.)
ODF
A. Advertisement
B. Brother's Reputation
C. Ease of Use
D. Features
E. Friend / Relative
F. Price Value
G. Size / Weight
H. Store Floor Display
I. Styling / Appearance
J. Quality / Reliability
K. Warranty
L. Other

4. Please select the primary use for this product?
(Please fill in ONE choice in the box to the left.)
A
A. Personal Use (1 - 5 Employees)
B. (6 - 9 Employees)
C. (10 - 49 Employees)
D. (50 - 99 Employees)
E. (100 - 499 Employees)
F. (500 and Over)
G. Personal Use
H. Another Use
I. Other

5. Which of the following best matches your age group?
(Please fill in ONE choice in the box to the left.)
F
A. 18-24
B. 25-34
C. 35-44
D. 45-54
E. 55-64
F. 65 and over

6. Which best describes your occupation?
(Please fill in ONE choice in the box to the left.)
K
A. Business Owner
B. General Service
C. Homemaker
D. Management
E. Professional / Executive
F. Retired
G. Sales / Marketing

Writing the Summary

When writing the summary there are three main requirements.

1. The summary should cover the original as a whole.
2. The material should be presented in a neutral fashion
3. The summary should be a condensed version of the material presented in your own words

* * Also do not include anything that does not appear in the original. (Do not include your own comments or evaluation)
and
Be sure to identify your source

For example

In his paper "Global Implications of Patent Law Variation," Koji Suzuki (1991) states that lack of consistency in the world's patent laws is a serious problem. In most of the world patent ownership is given to the inventor that is first to file for a patent However the United States maintains a first to invent policy In view of this patent ownership can change depending on the country Multiple patent ownership can result in economic problems however most striking is the international tension it causes The fact that the United States does not recognize patent ownership in other countries, in violation of the Paris Convention on Industrial Properties, has prompted the World Intellectual Properties Organization (WIPO) to push the United States to review its existing patent law principles.
